

July

2005

The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

Notes from the Prez

We have had a terrible occurrence.

Our bookkeeper was arrested for embezzlement. The Tumwater Police Department (TPD) impounded all of our records, computer, checkbooks and other things. Our treasurer has resigned his position. More detail is in the minutes of the special board meeting that was held June 10th.

I have good news and bad news.

The good news; we are solvent with about \$100,000 in the bank. All of the accounts have been signed over to John Cadoo, the temporary treasurer, and/or myself. Our insurance policies are paid up through the year and the Thurston County property taxes are paid. We have had a lock changed on the post office box and new keys. I just purchased a new hard drive and the TPD is down loading our hard drive into this new one. This should be done by June 17th, after that is done, some of the members of the Board will be able to review what the TPD has of ours. The bank is making copies of all checks for the last year.

The bad news is what we do not know at this time. We will keep you informed as this unfolds.

The board of directors is starting to work on a solution. We are not interested in locking the barn door after the horse is stolen. We are interested in diligently and methodically establishing policies and procedures to keep the club intact and alive.

I have run through two tanks of gas and one jar of Tums this last 7 days.

Hold center
Jim Dotterer

Volunteers for gun shows

We are doing the Puyallup and Centralia gun shows from here on out. If you wish to donate your eight hours at our membership table at a gun please call Rich Montecucco at 866-1880 or email him at RichMontecucco@yahoo.com. He will get back to you and arrange a day convenient to you so you can get your eight hours of donated time in for the club. Fail not at your peril!

2005 GUN SHOWS DATES

Centralia: July 30, 31; Sept. 17, 18; Oct. 8, 9; Nov. 12, 13; Dec. 3, 4

Puyallup: Aug. 13, 14; Oct. 15, 16; Nov. 5, 6; Dec. 10, 11

CCR&P Web site

I hope you are reading this on your computer screen instead of a mailed copy of the Plinker. If you are already signed up for the e-Plinker, that is great. For those of you that have not taken that step, please take a minute to check out the CCR&P web site. The address is <http://www.ccrpclub.org> and there is a lot of stuff on it. The way the web site is set up, your E mail is kept secure and you will not get any SPAM because of this site. If you signed up for the E-Plinker on the old site you will need to sign up again on the new site. Darrel reports that more people are signing up, but we also have a distance to go to get all those with internet capability signed up.

The Plinker recently received a suggestions, sent via the CCRP Web site, that you can print two copies of the calendar, one for your refrigerator door (or wherever you keep such things) and one to keep in your vehicle so you will always know what is scheduled.

Beginner/Intermediate Shoot June 4, 2005

Top 5 Scores:

1st	Malcolm Kirkwood	63	45 A.C.P.	Congratulations!
2nd	Jill Shilling	59	45 S&W	
3rd	Wayne Shilling	58	45 S&W	
4th	Adam Koecke	53	38 Special	
5th	Barbara Rheault	44	357	

Congratulations to All the Shooters!

We did not have as many shooters as before. I think it was because we had to move the shoot to a different day. The weather was good (no rain). We had plate racks, bowling pins, and steel plates. A couple shooters cleared some of the stage's! Congratulations!

If you have anybody interested in shooting and has never done it, or may need a little coaching this is a great match to bring him or her out to. We have some great people that can help them. If you know someone that wants to come and join the fun for the first time please give Mike a call.

We hope to see everybody July 9th.

Bob's Bloody Blast

Nope you didn't miss it. This year we are going to have the "Blast" in August. This year we are adding it to the Annual Bowling Pin Shoot. "Now hear this!! The Bowling Pin Shoot and the Bloody Bob Blast are being held the 3rd Sunday". We are publishing this in the July and August Plinker to get your attention. Have we got it?

Just in case you are not familiar with the "Blast" this is it. This is the 2nd Annual "Bloody Bob Blast". The shoot is a Thank You, Atta Boy, Ya done good, Memorial before yer dead to a Good Old Boy that has done his share for the club. Bob has always enjoyed finding ways to bring in a few bucks for the club. So he will have some dag nab target that to say the least will be fun and challenging. For some donation you will be able to shoot at it and the winner splits the pot with the club. Bob has really been a big help to Hunters Education. It would be wonderful if the Hunter Ed guys would come out, chip in a buck or two and join the "Blast" also.

Culverts Needed

The club needs a donation of a surplus, 12 to 14 foot long, 12 inch diameter (inside), PVC pipe/tube with a 1 inch (or greater) wall thickness with or without a flare on one end. The tube, can also be a combination of 2 to 3 tubes as long as each has a flare on one end. This pipe is needed to serve as a culvert in a drainage trench on the north side of the High Power Range at the 200 yard target line so that vehicles can cross the trench to get to a target shed to be placed at that location. Please contact George Reichelderfer at 459-1885 or gereich@worldnet.att.net if you can help.

BOARD OF DIRECTORS

MEMBERSHIP DUES RATES

Dues and Renewal policies are effective September 1, 2003

Members will receive a statement 45 days before their membership expires. (Your renewal month is found on your mailing label.) The dues renewal date is the last day of the month in which members' "annual date" falls. Members' gate card will automatically "lock out" on their renewal date if they have not renewed, and their membership will be considered "inactive" for 30-days, during which time they may still pay their dues. After 30-days on "inactive" status the membership will be terminated. Should they wish to rejoin CCR&P past the 30-days "inactive" status, they must reapply as a new member and attend the Orientation class.

DUES RATE:

~ Member (age 18+) \$70

~ Annual Assessment \$80*

(*Member has 12 months to pay assessment.

Member can pay with: 8-hrs. work, recruit 2 new members, cash, or combination thereof.)

NEW MEMBERS:

~ Initiation Fee \$80

~ Gate card deposit \$10

~ NRA membership (required)

~ Orientation class (required)

(GUESTS: Members may bring their spouses and children under the age of 18 years old **as guests** as often as they'd like. Non-immediate family member guests are limited to two visits annually. Members **MUST** accompany their guests at all times, including spouses and children, and are responsible for the conduct of their guests.)

To join CCR&P, or any membership questions, please contact Rich Montecucco, at (360) 866-1880.

NRA CLUB AFFILIATE BENEFITS

Free listing of events on NRA website; discount on range technician team & service; attorney referral service; non-legal advice for legal problems; NRA attorneys pro bono for national concern issues; eligible to apply for \$5,000 grant annually; \$10 reimburse for each new NRA member; \$5 reimburse for each returning member; "Club Connection" quarterly magazine; eligible for NRA firearms insurance.

Capitol City Rifle & Pistol Club
Board of Directors Meeting
June 3, 2005
Meeting began at 7:06 PM
Flag Salute

Minutes

Attendance - Jim Dotterer called the roll. All directors were present except the following: Bob Greenman and Rich Montecucco (both excused), Jim Greeves, Chris Moffet, Ron Morton, Jerry Rheault and Bill Wright.

Treasurer's Report - The Treasurer reported the following balances: checking - \$789.57; [emergency](#) fund - \$2,363.54; capital projects fund - \$3,309.23 and [money](#) market account - \$84,232.61. Also, all bills were reported as paid including [property insurance](#) of \$1,555.46. Dues and cowboy action moneys of approximately \$2,000 will be deposited 6/6/05.

Membership - In Rich Montecucco's absence, Jim Dotterer reported total membership remains about 400.

Funding Repairs/Clubhouse and Roads - To replenish club funds, Jim D. proposed that CCRP plan on logging as soon as the law allows, that is in 2006. Jim noted that CCRP could log this year provided it did not receive the proceeds from any logging until 2006. Darrell Gehlsen pointed out that the club needs to log the alders and any other trees that are failing. Jim D. discussed the prospect of hiring a professional forester (P.F.) to cruise club timber before any is harvested and then [audit](#) the cut afterwards. Mike Iyall volunteered to furnish Jim with the name of a P.F. who has worked for his family. Bob Gietz agreed that a P.F. should be retained. He suggested that the club establish a committee to hire a P.F. and logger. He suggested that the club talk to the former DNR employee who, while still working for the state, had surveyed CCRP property. He is now in business for himself. Will Ulry asked what trees would be cut and Jim D. outlined where they are located. Bob Jamison pointed out that certain trees, especially near the archery range have root rot and that these need to be logged. Mike I. said that the P.F. could tell us how much to harvest. Ray Crisp was concerned that if we repair the entrance road, subsequent log [truck](#) use could ruin the repairs. Jim D. suggested that Bill Vogel, Jim Hutson, Mike Iyall and himself form the committee.

Clubhouse Insurance - Jim D. indicated that an insurance agent had contacted him saying that the \$100,000 clubhouse insurance policy was inadequate and that about four times as much is needed. John Cadoo will contact the agent to get his/her opinion as to how much coverage the club should have.

Clubhouse Roofing - Jim D. reported that it is now apparent that having club members on the roof would be too dangerous. He will ask roofers for bids where the roofer performs all the work except disposal of the old shingles. However, other clubhouse work remains to be done such as pressure washing, painting, etc. Will Ulry noted that Thurston County will allow a land owner to dump up to fifty yards of debris on the property. Extensive discussion followed as to various alternative methods for reroofing the club house. Following this discussion, a motion was made to go back to the roofers for rebids. This motion was seconded and passed.

Roadwork - Bob G. outlined the work that needs to be done to repair the entrance road and described the three bids that have been received. Following considerable discussion, a motion was made to accept the bid from Everson Asphalt Paving for subgrade reconstruction, placement of a three inch layer of [hot](#) melt asphalt including placement of culverts and protecting the slope against any culvert outflow with a \$10,000 upper limit on the work.

Herb Turner has volunteered to regrade and repair club internal (dirt) roads. A motion was made that Herb be authorized to spend up to \$1,500 for equipment and gravel to make these repairs. The motion was seconded and passed.

Work Details - Jim D. outlined the work details proposed for the weekend of July 11 & 12. They included: patrol the fence line to restore any downed fencing; brush the roads (Jeff Young); clean the highway sign (Will Ulry); power wash and repair exterior clubhouse panels; remove moss from black powder firing point roof (Steve Andrews); repair/replace the hi-power firing point roll roofing (Rick Baldwin).

Standing Rules - Shirley Rheault presented the final three sections of the S.R. and the Event Revenue Report form. The Match Operations, Introduction and Club Operations sections were approved. It was moved, seconded and passed that the Event Revenue Report be accepted as named. Issues regarding the Incident Report and the "additional access cards" items were tabled.

Tractor Front Loader - Ray C. questioned where the front loader needed to be taken to be sold. He volunteered to haul the unit to the dealer.

Adjournment - The meeting adjourned at approximately 9:15 PM.

Respectfully submitted,
John C.

Minutes from meeting on June 10, 2005

Capitol City Rifle & Pistol Club
Board of Directors Special Meeting
June 10, 2005
Meeting began at 7:09 PM
Flag Salute was led by Ray Crisp.

Attendance - Jim Dotterer called the roll. All directors were present except the following who were all excused: Rick Baldwin, Tom Holladay, Chris Moffet, Ron Morton, Rich Montecucco, Jerry Rheault, Shirley Rheault, Greg Squires, and Bill Wright. Jim Dotterer announced that Tom Holladay had resigned as Treasurer.

Treasurer's Report - Jim Dotterer announced the following account balances: # 41303 (emergency fund) - \$2,364.54; #41311 (capital projects) - \$3,310.64; money market account - \$84,232.61; #42579 (checking account) closed and the money transferred to #42678 - \$538.76.

Liability and property insurance paid through 2006 and an extension requested on federal taxes, if any. Thurston County property taxes of \$2,761.91 paid. (continued on Page 6)

Membership - In Rich Montecucco's absence, there was no membership tally reported.

Work Weekend - Jim D. indicated that there would be a sign-in procedure for those working on June 11th and 12th. He reiterated that

Women's (& Men's) Introduction to Gun Shooting & Firearm Safety

Make checks payable to: "Capitol City Rifle & Pistol Club"

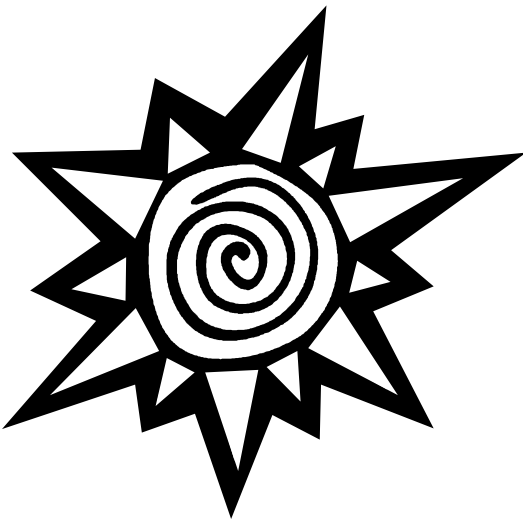

all ranges will be closed including archery ranges and listed the various work parties including: clubhouse (remove and replace failing siding); highway sign (clean/paint); brush roads; fence patrol; and repair black powder range.

Investigative Report - Jim D. briefly described the investigations underway by the Tumwater Police Department into the alleged embezzlement of her employer, Berschauer-Phillips Construction Co, by CCRP's bookkeeper. He reported TPD's investigations included seizure of CCRP's computer which was stored at the bookkeeper's home as well as various CCRP accounting records. He cautioned board members not to attempt to contact either our former Treasurer or bookkeeper at present regarding these investigations. Jim asked that directors approve appointment of John Cadoo to act as Treasurer temporarily in addition to his responsibilities as Secretary. A motion was made, seconded and passed that John be Treasurer temporarily. Jim previously had distributed Karen Halpern's resume. He asked that the board approve her appointment as CCRP's bookkeeper. Her appointment was moved, seconded and passed. She will be compensated at the rate of \$3.00 per member.

Recapturing Club Data and Records - Jim D. asked for a committee to visit TPD about 6/14/05 to recapture data from the club's computer. It's his understanding that TPD will allow the club to download certain data from the computer but, for the present, will not release the club's computer. In further discussions, Jim D. acknowledged that he didn't know if any CCRP funds were actually missing but, would be following up on this as more information became available. Bob Gietz pointed out that CCRP accounting practices had grown quite casual and asked that, in the future, a record of all receipts and disbursements be made available, on a monthly basis, to directors. Several directors suggested that not only the Treasurer but, also the bookkeeper should be bonded. Ray Crisp volunteered to find out how much bonding will cost the club.

Adjournment - The meeting adjourned at approximately 7:55 PM.

Respectfully submitted,
John C.

Summer Annual Work Party

9:00 AM – 5:00 PM

Saturday, July 30 & Sunday, July 31

*Another Opportunity To Get
Work Credits!! ☺*

Call Shirley Rheault to sign up, at (360) 866-4900 Olympia.

Safety First

Many of our members who are new to the club's location, as well as anyone else that may depart the club driveway should use extreme caution when turning left or right on to Littlerock road. The main road curves in both directions and vehicles on the road usually travel at high rates of speed and are difficult to see. Turning right (North), can be especially dangerous if a car is passing another car, when both are traveling south. It is difficult to move forward so that you can see both lanes.

It is wise to drive at the posted club speed limits and use your headlights when negotiating the club's narrow roads. In addition to countless deer crossing the roads, other vehicles, traveling in both directions, are usually dodging chuck holes and negotiating tight curves and can appear out of nowhere. Also, the curve at the top of our road prior to the intersection, is a great place to lay on the horn. G.Reichelderfer
