The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

Cowboy Action

Howdy pardners! We had a hootin good time on Saturday the 25th up at the action pistol range. With 46 fine shootin guys and gals we cleaned up some scenarios that make the prairie a whole lot safer. You may not know it, but we have some of the best shooters in the Country sharing their bits of Old West know-how right here at CCRP. Some of these folks can clean up a whole town street in no time at all. Bust into that safe of yours and dust off yer cowboy gear. It's time to grab them single actions and come join us for some great entertainment and friendship. For more information, please contact: Montana Slim at (360)754-4328 or regulators@zhonka.net Yer pard, Short Schatz

New Features on the club web site

Members can post photos with titles and descriptions. There is rarely sufficient room in the Plinker to share all the photos of Club events so please share those memories with the entire club. To add pictures, go to <http://www.ccrpclub.org> and click on the Forum button then click on Photo Gallery. Post those pictures!!

The second feature is the addition of "For Sale/Wanted" ads section of the web site. I have not tried this yet, but it is sure to find buyers and sellers.

5 th	Kathy Milleson	41	Great job!

Thank You Patrick for bringing 2 new shooters. We had a great turn out considering the snow and the cold. We had some interesting targets to shoot at. There were jumping leprechauns, different size shamrocks, the moving star, bowling pins, and steel plates. The course was a little difficult considering the shamrocks around the leprechauns were what you had to shoot at not the leprechauns. Everyone seemed to succeed on not hitting the leprechauns except Mike. We all had a great time. Patrick brought 2 new shooters and it seems that they defiantly have shooting in there blood considering the daughter took first and the mom took 5th. Thank you Larry and Ron for all the help with coaching the new shooters. Everybody was safe. We hope to see everyone next month April 8, 2006, at 8:00 AM. Talking to Mike there will be some bunny's to shoot at (not real ones). Have a Happy St. Patrick's Day and we will see you next month. Don't forget to bring out some new shooters. I have a feeling that when the weather warms up everybody will come out to play. Tina

Training Opportunity

An NRA accredited Instructor has offered to conduct an NRA Muzzleloading Rifle Safety Class at CCRP if there is sufficient interest. The class would be a day long, conducted per NRA Standards and include class room and Range portions. There is an extended lead time for obtaining materials after identifying interest so the class would probably occur in September or October. There needs to be a minimum of 6 firm commitments to establish the course. If you are interested or just want to get more details contact Bob Gietz 360-273-7862
