# The Plinker

## MISSION STATEMENT

*The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.*

## Cowboy Action

Howdy folks. The weather was threatening but sunny for the Black River Regulators March 25 match, when 53 shooters turned up to present themselves as Dudley Do-Right on his mission to save Nell Fenwick from the miscreant Snidely Whiplash. Our very own Nell had to save Dudley, of course.

We conducted our first side match (Let the Chips Fly) of 4-man teams to see which could be first to cut a landscape timber in half. That was a hoot! Team Candy Will, Houlihan Sam McHenry, Slippery Slopes and Short Schatz took the honor in 28 seconds plus change. Thanks to Chucho el Roto and Sheriff McBride for putting that together for us.

Four clean matches were scored by Relic, Territorial Ryder, Montana Slim and Chucho el Roto. For complete match results, please visit the CCRP web page for [Scores](#). Take a gander at our [Photo](#) page also.

For more information on cowboy action, please contact Montana Slim @ [regulators@zhonka.net](mailto:regulators@zhonka.net).

Yer pard, Short Schatz

## New Features on the club web site

Members can post photos with titles and descriptions. There is rarely sufficient room in the Plinker to share all the photos of Club events so please share those memories with the entire club. To add pictures, go to <http://www.ccrpclub.org> and click on the Forum button then click on Photo Gallery. Post those pictures!!

The second feature is the addition of "For Sale/Wanted" ads section of the web site. I have not tried this yet, but it is sure to find buyers and sellers.

## Help...

The Plinker is what you make it. You may have noticed last month's Plinker was only six pages long. This month's Plinker is also six pages long and some of the material has been run a second time as filler. Please, if you have stories, match results, or information that would be relevant to other club members send it to [plinkereditor@comcast.net](mailto:plinkereditor@comcast.net) or use the link on the club website [www.ccrpclub.org](http://www.ccrpclub.org).

## **PUGET SOUND FREE TRAPPERS APRIL EVENTS**

### **BOY SCOUTS SPRING HUNT**

Boys and adults from 4 scout Troops in the area gathered at CCRP on a rainy Saturday April 8th for a mini-rendezvous learning and practicing skills essential to the Mountain Men of the Fur Trade Era. Julie Walker of Troop 373 from Chehalis had acted as inspiration and point of contact for the Scouting community. Three events were set up for participation by groups of scouts and adults. Crew for Friday set-up consisted of Will Ulry, Bob Gietz, Jim Robertson and Matt Gilham. The Black Powder range provided familiarization and competition with muzzle loading Hawken Replica Rifles. Steve Andrews was in charge with able assistance from J K Johnson, Jim Robertson, John Valdeff and Tim Sampson. Will Ulry setup and conducted a ten-station Tomahawk throw course assisted by Scott Chambers. The Capitol City Bowmen: Ray & Sherrie Crisp, Quentin Robbins, Ernie Rheault, Bob Jamison and Bailey the Dog provided an interesting and challenging archery segment. The Washington State Muzzleloaders Association through a grant provided resources for the shooting event and award medals. A total of 32 boys and adults were present for the competition. Eighteen participants had this as their first time rendezvous experience and received WSMA Pilgrim Medals. WSMA medals for top three scores in each event as well as overall combined aggregate were presented. All participants had an opportunity to select an additional award from the Aggregate blanket provided jointly by the Scout Troops and the Puget Sound Free Trappers. Many of the scouts commented that the instruction and opportunity to participate was a highlight of the event. Thankful appreciation is extended to the WSMA for the generous grant that made this event possible.

### **FREE TRAPPERS SAVE THE EASTER BUNNY**

Fearing that the Easter Bunny might accidentally be mistaken for one of the hanging targets, the Free Trappers shot one week early this month on the 9th of April. Seven 'skinners were on hand to show their abilities. Bob Gietz won the Mike Fink match with a 10x. Pistol awards went to Jim Robertson, first, Steve Andrews, second and Will Ulry, third. Rifle awards went to Steve Andrews, first, Tom Brown, second, and Will Ulry third (shooting the rifle targets with a trade gun!). Tom Brown got first prize in the Trade Gun match, followed by Will Ulry, second, and Bob Gietz, third. Aggregate awards were: Steve Andrews, first, Will Ulry, second, Jim Robertson, third, Bob Gietz, 4th, Doug Simpson, 5th (Ask Doug about the penalty for shooting spiders!) Tom Brown 6th and Matt Gillham 7th.

## **Training Opportunity**

An NRA accredited Instructor has offered to conduct an NRA Muzzleloading Rifle Safety Class at CCRP if there is sufficient interest. The class would be a day long, conducted per NRA Standards and include class room and Range portions. There is an extended lead time for obtaining materials after identifying interest so the class would probably occur in September or October. There needs to be a minimum of 6 firm commitments to establish the course. If you are interested or just want to get more details contact Bob Gietz 360-273-7862
