We had a great turn out. Welcome to all of the ladies from the Firearms Academy of Seattle!

We had plate racks, the star, the tree, bowling pins, and paper plates. The sun was out and the smiles were on. We had a lot of new faces (thank you Shirley), but defiantly not new to the shooting sport. Thank you Ron and Larry for the wonderful coaching. If you know of someone that may be interested in shooting this is the best match to get them started so please bring them out. We always welcome new shooters. We will see you all next month 06-10-06 at 8:00am.

Tina

## Cowboy Action

Howdy folks. The sun was shining on the prairie for the Black River Regulators April 22 match, when 34 guys and gals posse' d up for a fun day of shootin. Bear River Slim picked a great day to start as our newest member. A big welcome also to Midas Mike who joined us all the way from Emmett, Idaho. We had a couple challenging stages which tested the mettle of our best shooters.

Pistols were the focus of our second side match. The setup was a man-on-man elimination. Top honors go to Jess Ducky for a job well done. Thanks to Chucho el Roto for setting up the side match and Irish McCarty for his able assistance.

For complete match results, please visit the CCRP web page for [Scores](#). Remember to visit the [Photo](#) page also. For more information on cowboy action, please contact Montana Slim @ [regulators@zhonka.net](mailto:regulators@zhonka.net).

## Questions to the Sheriff candidates

Yep! It's that time again...ELECTIONS!

I will again ask the sheriff candidates for their views on questions regarding gun ownership, the Second Amendment, Conceal Pistol Licenses, the right to armed self-defense, etc. These answers will be published in The Plinker. As a gun club we need to make certain that the person we elect as our sheriff reflects our beliefs about gun ownership.

If you have a question you'd like to see posed to these candidates please call me with it. Call Shirley @ 360-866-4900

## The R100-A Major Archery Event Stops at CCR&P

**By the time you see this, the R100 will be over. The event occurred on May 26<sup>th</sup> and 27<sup>th</sup>.** This was one of sixteen stops throughout the country. A 16' Giraffe, a 13' alien, and the top ten Whitetail bucks are a few of the 100 targets that were shot over the two days.

With 400 to 500 people participating this was a very exciting opportunity for both Capitol City Rifle & Pistol and Capitol City Bowmen. We could easily have hosted over a thousand people at our facility and hope we CCR&P was looking its best.

We have one of the finest ranges in the state. Hopefully this event will publicize the event and the club in the local papers and TV coverage.

## Help...

The Plinker is what you make it. You may have noticed last month's Plinker was only six pages long. This month's Plinker is also six pages long and some of the material has been run a second time as filler. Please, if you have stories, match results, or information that would be relevant to other club members send it to [plinkereditor@comcast.net](mailto:plinkereditor@comcast.net) or use the link on the club website [www.ccrpclub.org](http://www.ccrpclub.org).

## Training Opportunity

An NRA accredited Instructor has offered to conduct an NRA Muzzleloading Rifle Safety Class at CCRP if there is sufficient interest. The class would be a day long, conducted per NRA Standards and include class room and Range portions. There is an extended lead time for obtaining materials after identifying interest so the class would probably occur in September or October. There needs to be a minimum of 6 firm commitments to establish the course. If you are interested or just want to get more details contact Bob Gietz 360-273-7862
