The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

Annual bowling pin trophy match

On August 20th we have our annual bowling pin trophy match. Course consists of four matches (five including the Bloody Bob Blast). Each match will be 72 rounds in 12 stages with 6 rounds on 6 pins in each stage.

.32 Match: .32 ACP, .32 S&W, .32 S&W Long, .32 Short or Long Colt, .32 NP. Fixed sight and barrels no longer than 4 inches. No .22 rimfires, compensators, electronic or optical sights.

Single Action Match: Single action revolvers only.

Revolver Match: Revolvers only (single or double action).

Regular Match: Open to autoloaders or revolvers.

Shooters in the Regular Match only will be divided into four classes based upon handicap scores from previous matches. If you don't have a handicap and I can't fake one for you, you shoot in "A" class.

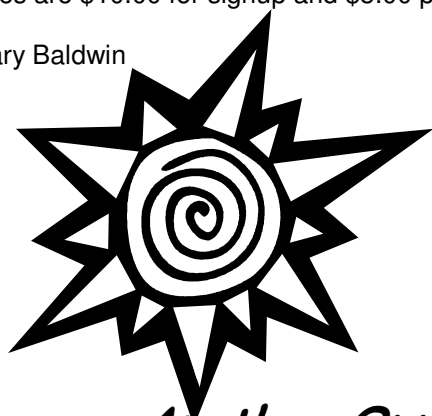

In the .32 match pins only have to be knocked down. In all other matches they have to be off the table.

Trophies will be awarded for the first three places in the .32, Single Action and Revolver matches. For the Regular match they will be awarded for the first three places in each class.

Shooting is supposed to start at 08:30 (It never does but it's a pleasant dream). There will also be hotdogs and hamburgers if I can find a cook. If not I'll do it myself and you'd be better off bringing a sack lunch.

Fees are \$10.00 for signup and \$5.00 per gun.

August Pistol Match

It's the Big Bowling Match of the year. Also it's the "Bloody Bob Blast". Included in the activities with the Bowling Pin Match there will be the Memorial Bob Searl Match. I told Bob I wanted to do something to remember him by before he kicked the bucket. Bob and the rest of us have a good time at this match. Bob has been a great asset of the club and this is your time to come out and show your support to the club and Bob for his contributions to the club. Boob as known to our Hunter Education students will be running a money shoot. The proceeds are split between the club and the winner of the money shoot. It will be as challenging as always. Beside the money shoot the Bowling Pin match there will be your chance to get yer moniker on the plaque that hangs in the meeting room for the Bloody Bob Blast. See you there, bring ammo, straight shootin guns and yer best shootin eye.

Pacific Primitives

If you ain't a blackpowder shooter too bad for you. We had another grand time at the Pacific Primitive Rondevous. This years was Washington's turn and it was held in the Umatila National Forest 24 miles from Polmeroy. It ran June 23rd through July 1st. Six members of our Puget Sound Freetrappers attended. The weather was great. There was one moist day. It wasn't really rain but close. I know Tim Sampson won something shooting. I can testify that Steve Andrews and myself totaled up 19 medals. We had a 4 man team for the Fort shoot that was unstoppable. My Candy Cannon was very popular with the kids like normal. The adults thought I was great too when I shot 14 little airplane bottles of booze packed with candy out of the Candy Cannon, not one bottle broke. A primitive rondy is just that. The only thing modern in our 10 days was the sani can pumper every 2 days. It was really tough eating Upside Down cake out of a dutch oven, water so hot in my mountainman shower you had to add cold water, 40 or so traders with all kinds of wares, Frenchy's Cafe. You will just have to try a primitive rondy some time.

MEMBERSHIP DUES RATES

Dues and Renewal policies are effective September 1, 2003

Members will receive a statement 45 days before their membership expires. (Your renewal month is found on your mailing label.) The dues renewal date is the last day of the month in which members' "annual date" falls. Members' gate card will automatically "lock out" on their renewal date if they have not renewed, and their membership will be considered "inactive" for 30-days, during which time they may still pay their dues. After 30-days on "inactive" status the membership will be terminated. Should they wish to rejoin CCR&P past the 30-days "inactive" status, they must reapply as a new member and attend the Orientation class. **Membership fees**, collected at the time of the orientation classes are:

Annual dues **\$70.00** for the first member of each household and **\$35.00** for each additional eligible member of the household.

Initiation fee (one time) **\$80.00** for each household and a refundable gate card deposit fee of **\$10.00** for each member.

In addition, each member is expected to devote 8 hours of volunteer service annually or recruit two new members or pay an assessment of **\$80.00**.

NRA membership (required)

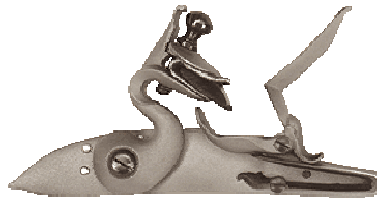

Orientation class (required)

(GUESTS: Members may bring their spouses and children under the age of 18 years old **as guests** as often as they'd like. Non-immediate family member guests are limited to two visits annually. Members **MUST** accompany their guests at all times, including spouses and children, and are responsible for the conduct of their guests.)

To join CCR&P, or any membership questions, please contact Rich Montecucco, at (360) 866-1880.

2006 Event Program

- Aug. 24th Thursday is designed to be a learning experience using demonstrations and "hands on" format.
Pre-registration is required for these classes!
8:30 to 5:30 **Making specialized tools:** A one day, "hands on" class designed for the builder that would like to make their own specialized tools for cleaning up the back ground area around relief carving.
8:30 to 5:30 **Muzzleloader construction - part I:** A two day long, detailed "hands on" class that is designed to cover all the major elements of building a rifle or pistol project. This includes breaching, inletting & installation of the barrel; nipple or touch hole installation; and proper installation of the lock and trigger mechanisms.
8:30 to 5:30 **Basic engraving:** A one day, detailed "hands on" class for those that want to learn the basics of engraving. This class is designed to be an introduction to the engraving done on Colonial rifle's, not "jewelry" engraving.
5:30 to 6:30 Dinner and social time (meal is provided with registration). Please note: \$5.00 per person will be charged for non-registered guests.
- Aug. 25th Friday is designed to be a learning experience using demonstrations and "hands on" format.
Pre-registration is required for these classes!
8:30 to 5:30 **Muzzleloader construction - part II:** The continuation of the detailed "hands on" class that started on Thursday which covers all the major elements of building a muzzle loader project (for pre-registered Thursday's class participants only).
8:30 to 12:00 **Wire inlay:** A one day, detailed "hands on" class that concentrates on the "stab" method used by many historical makers. .
8:30 to 5:30 **Leather shooting bag:** A one day, detailed "hands on" class on which you will make a simple shooting bag that would have been commonly available in Colonial times.
8:30 to 5:30 **Metal patch box and latch installation:** A one day, detailed "hands on" class in which you will learn how to install a simple metal patch and latch. You will actually make the "push button" latch during the class.
8:30 to 5:30 **Getting Started:** A one day, detailed "hands on" class that concentrates on completing the planning, layout and design of your project through the preparation of an actual drawing. This class is absolutely essential and highly recommended for new builders; it will help you avoid "costly" errors when planning and building you first project!
12:00 to 1:00 Lunch and social time (meal is provided with registration)
5:30 to 6:30 Dinner and social time (meal is provided with registration). Please note: \$5.00 per person will be charged for non-registered guests.

CAPITOL CITY RIFLE AND PISTOL CLUB**BOARD OF DIRECTORS MEETING****July 14, 2006**

The meeting was called to order at 7:00 PM

Flag Salute: Ray Crisp led the flag salute

Attendance: All board members present except: Ron Morton Jim Greeves. Members excused were Steve Andrews, Bob Gietz, Bill Wright & Bob Parr

Treasurer's Report: Darrell Gehlsen reported the following balances; Homestreet \$30,274.22, Certificates of Deposit \$80,930.90.00 and checking \$5,522.53. Darrell also reported that the club year to date net income is \$18,037.67. Jim D. made a motion to accept the treasurer's report, Larry L. seconded, motion passed.

Membership Report: Darrell reported that the club has approximately 420 members at the present time.

Old Business

Timber Mgt. Chris presented a document produced by Professional Forestry Services of Tumwater. The document outlines a proposed management plan and contract to manage the timber resources held by CCRP. Discussion followed concerning the "five year" logging limit, tax issues and potential profit for the club. It was suggested that the club do a background check on the principles of PFS prior to moving forward. Chris will get the necessary information and set a date for the Board members to meet with PFS.

Non-Profit Status: This issue is still not settled. Shirley proposed that we ask PFS if they can recommend a CPA firm that has experience with timber issues to help us determine how we want to address our tax status in the most advantageous way.

Holliday: The club has yet to recover our property. Jim reported that if the confiscated property is auctioned off, the auction house will take 30% off the top. Bershauer is not interested in dealing with the property, they only want the money. Shirley R. made a motion that we go to Bershauer and offer to deal with dispensing of the property. Rick B. seconded, motion carried.

R100 Archery Shoot: Ray C. reported that CCRP should realize about \$750 from the Memorial Weekend match. He would like to hold the match again in 2007 on the 3rd weekend in May. Ray was instructed to submit an event form and get the ball rolling. We need to tie down the date early so the national sponsors can plan their west coast schedule.

Insurance: Darryl reported our new cost for building insurance is \$6,900.00. This is about \$2,000.00 less than what we were paying our previous carrier.

New Business

Long Range Planning: The only response so far is from the director of the Action Pistol Range. Their issues are removal of danger trees, handicapped access to restroom facilities, additional shooting bays, road work and upgraded parking area. In order to do comprehensive long range planning, all range directors and others that see needs must contribute their ideas to the Board.

Lead Abatement: Jim reported that the club needs to implement a lead abatement program. He submitted a task list of needed actions to take. The issue of mining the lead from impact areas was discussed. Will U. made a motion to accept Jim's proposal to form a committee and authorize a \$1,000 budget. Ray C. seconded the motion. Discussion followed, Ron L. questioned the need for a budget as did others. The motion was amended to drop the \$1,000 budget item. Motion carried. Ron L., Chris M., Noel V., Rick B., and Jerry R. have lead abatement notebooks for study.

Gun makers Guild: Bob Gietz left word that this group would be meeting at CCRP in August.

By-Laws: A question was raised concerning the clause that states that if CCRP loses its ability to operate, all assets of the club become the property of the NRA. Discussion followed as to why this clause is in the By-Laws. It was put in prior to the current management concept. The clause was a fail safe measure to insure that the club and its assets did not fall into the hands of the IRS or State/County entities. The NRA has never completed their part. This issue needs to be cleaned up and finalized.

Property Gate: Jim D. reported that property at the entrance, which was traded, surveyed and accepted by adjacent property owner was never recorded with the county. Jim wants to form a committee to check into what happened to the changes that should have been made several years ago. Jerry R. will work with Jim as he has some historical knowledge of the issue.

Mowers: Bob Greenman reported that the MTD rider has blown up. He has an opportunity to purchase a mower deck (not a brush hog) for our tractor for \$700.00. Shirley R. made a motion to approve purchase of the mower deck. Ray C. seconded. Motion carried. It was also noted that there is a rider mower in the Holliday property. We will pursue getting that mower as well to use in areas a big mower deck can't get into.

Women on Target: Shirley reported that CCRP hosted a shoot last weekend. The shoot was held so that a program could be filmed for showing on TCTV. The plan is to show the match on TCTV eight times during the month of September.

Nominating Committee: Shirley noted that it is time to begin looking for volunteers to serve on the Board beginning in January of 07. It's a great way to serve the club and it's members. If you are interested please contact one of the current board members and we will get your name to the proper place.

Building Roof: The issue of replacing the roof for the clubhouse came up as this is the season for that type of work to be done. The estimated cost is \$50,000.00. Larry L. questioned the value of spending that amount of money on a 70 year old building that doesn't appear to have many useful years left in it. Darryl noted that if we lose the building to a fire we have insurance to replace it. Bob will solicit quotes for a 35 year roof.

Small Bore: Mike Mobbs requested permission to hold his match this coming weekend. The match is now current with reports and payments. Ray C. made a motion to allow the match. Larry L. seconded. Motion carried.

Motion to Adjourn: Ray C. made a motion to adjourn at 9:05 PM. Shirley seconded. Motion carried.
