

The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

RAIN DEE VOO MEDALLIONS AVAILABLE

The 2007 Rain Dee Voo medallions will be available for sale starting at the Annual Meeting on December 1st. Artwork design represents the continuation of the adventures of the Corps of Discovery with John Colter's return to trade furs on the Upper Missouri. Medallion cost is \$5.00 each. Raffle tickets on the Vincent-style Ohio Rifle will also be available.

RSO's

I have had an on going difficulty with tracking current RSO certifications. Generally active RSO's have helped with their particular shooting class and each shoot has generally had help. The big BUT is there still is no record of certifications. One range director is requiring a copy of the card. I am going one step further. With the submittal of Event Applications copies of RSO certifications of the record RSO's will be required. I'll keep a file of these. When various shoots like the Ladies shoot or this weekend's Colonial shoot comes along I'll have a list to get needed RSO's. This modification will be added to the current Event Application.

Big Buck and Bull Contest

I am excited to tell you that this year our contest is being cosponsored by Tumwater Sports. There will be no other changes but your whopper of award will still be your name on the "Stump". With Jim's help we will have some additional advertising at Tumwater Sports. For you new guys the goal of the evening Potluck is to hear the stories, measure your antlers and eat a Buffalo Burger along with some fine dishes brought along by your generous self. The classifications do vary only slightly but are mostly: Big Buck, Big Bull Elk, Big Washington Buck, Big Black Powder Buck and Big Antlers. The big antlers category lets that sly moose or caribou slide in there. Anyone is eligible. Bring your neighbor or whoever. We found along time ago we don't have enough club hunters submitting antlers. The doings is happening January 10th at the club starting at 6:00. You are welcome if only to listen to the stories. You may have a story anyway.

Calling all Tomahawk Tossers

We are looking for someone to conduct a training day on tomahawk throwing for about 200 Boy Scouts, 8 at a time. Location is out in the Elma area at Camp Delaizine, on January 27th, at the Sasquatch District's Klondike Campout. The pay is great: They'll provide lunch! The instructor would need to provide tomahawks and target blocks. Scouts have bans on knives in the large economy size so the activity would be tomahawk only. There is abundant lead time. The solution might involve several participants, with some providing target blocks (I have access to three) and some loaner tomahawks (I've have three of those also). Please think this over and let me know if you have any interest.

Cowboy Action – October 28th

I always seem to have fun at our monthly matches, so I'd like to properly "Thank" all those that seem to be there to make sure everyone has a good time. First of all, to Montana Slim for being there as our event director. He always seems to come up with interesting stages (along with help from others. Stage 1 & 2 were done by Sheriff McBride). And where would we be if not for the help of those fine people on Friday to help set up. This last set up was done with the help of Buster, Irish McCarty, Wil Sackett, Nell, and of course Montana. Also, we have Nell doing our score keeping, getting help from Short Schatz now. Our fine posse leaders were Will Skinner and Montana. You know, that's a lot of help from a lot of fine folks. But it still wouldn't be as fun as it is if it weren't for all you fine folks that show up and have some fun, too! We had three folks that shot a clean match, Maggie Mae with her first, with brand new pistols! Hope to see ya' there! Willy Hitum.

CAPITOL CITY RIFLE AND PISTOL CLUB**BOARD OF DIRECTORS MEETING****November 3, 2006**

The meeting was called to order at 7:00 PM by Chris M.

Flag Salute: Bob Parr led the flag salute

Attendance: All board members present except: Bob Greenman, Jim Greeves & Ron Morton... Members excused were Rick Baldwin, Ron Lohman, Jim Dotterer, Rich Montecucco, Shirley Rheault and Doug Simpson

Treasurer's Report: Darrell Gehlsen reported the following balances; Homestreet \$29,979.13, Certificates of Deposit \$82,150.58 and checking \$6,392.39. Darrell also reported that the club year to date net income is \$21,760.85. We are still looking for an accountant experienced in working with non-profit organizations. Bob Gietz made a motion to accept the Treasurers report, Larry Lufkin seconded. Motion carried.

Membership Report: No Report. Bob noted that he expected 8 or 9 to be at the orientation on Saturday.

Old Business

Retiring Directors: A few of the current members of the Board will be completing their terms at the end of the year. Chris noted that we are still looking for candidates. It is a great way to give back to the club and it does count towards your yearly assessment. Larry L. noted that it might be better to operate with fewer board members than we presently have. Others concurred with that thought.

Roof Bids: The work is completed. The project went slower than expected due to rain delays. It was noted that we should withhold final payment until all damage due to leakage is identified and fixed. The Dura last company should be able to inspect and certify the roof in approximately two weeks. All old materials have been removed from CCRP property. Bob Gietz asked the Board to give Bob Jamison recognition for his time and efforts as Project manager. Will seconded the suggestion and it was unanimously passed. THANK YOU MR. JAMISON FOR GOING ABOVE AND BEYOND THE CALL OF DUTY ON THE ROOF REPLACEMENT PROJECT.

Timber Management: Chris reported that we are waiting for the outcome of I-933 before moving forward. Range directors need to have long range dreams laid out so the club can fold them in to the management plan. Darryl also note that range upgrade ideas should include a "Return on Investment" summary with all plans.

2007 Budget: All range directors need to develop their budgets for the upcoming year. If a budget is not developed, the Board will find other places to spend the money. Once again, in the words of Larry the Cable Guy, GIT-R-DONE.

New Business

Black powder Match Schedule: Black powder matches will begin on the first Saturday in December.

Membership Applications: Bob G. presented the new form. Larry noted that there should be something that explains the ongoing assessment fee. Motion was made by Larry L. to add new language to the Pledge and Release section. Noel V. seconded, motion carried.

Big Buck & Bull: Will noted that only four mighty hunters showed up last year. This year's event will be co-sponsored by Tumwater Sports and CCRP and is open to all comers. The event will be held at CCRP on January 10, 2007. Bring your horns and your appetite to this fun event.

Proposed Meeting Schedule: The general consensus was that the proposed schedule #1 was fine. Bob Gietz noted that all electronic and Executive board meeting minutes need to be posted in the Plinker. All agreed.

#1: General BOD meeting: 1/12/07	-	E-meeting (Electronic): 2/2/07
Exec board meeting: 3/2/07	-	General BOD meeting: 4/6/07
E-meeting (Electronic): 5/4/07	-	Exec board meeting: 6/1/07
General BOD meeting: 7/13/07	-	E-meeting (Electronic): 8/3/07
Exec board meeting: 9/7/07	-	General BOD meeting: 10/5/07
E-meeting (Electronic): 11/2/07	-	General/ Exec BOD meeting: 12/7/07

This schedule allows us to meet as required by the bylaws, with all meetings fitting the requirement for an executive board meeting once a month.

Club Exposure: Bob J. noted that we don't advertise the club except at gun shows and we should be doing more to attract new members. Larry and Noel suggested that we put up event information on the board at the Sportsman's Warehouse. That suggestion will be investigated.

Guns on Range: Larry L. commented on information provided by Bob Gietz regarding which guns are allowed on each of the ranges within CCRP. Larry suggested that it might be prudent to add to each range listing a list of guns that are not allowed as well. He noted that some members have been using 22's on the Steve May Action Pistol range. 22's are not allowed on that range except in approved matches.

Sani-can Management: Bob G. noted that he has cans pumped on a monthly basis, or as needed. Bob J. noted that #12 needs to have the floor repaired so it should be left empty the next time it is pumped. There was also some discussion on installation of semi-permanent facilities but no action was taken one way or the other.

Doug Simpson: Doug is in the hospital. The Board approved the purchase of card and flowers. Chris will follow up.

Membership Transfer: The board discussed a request to transfer a wife's membership to her son. The transfer can only be done if the son meets the requirements of the membership.

Robert Moody: In thanks for his years of providing the club with a professional monthly newsletter, Darryl suggested that the Board grant Bob a Life Membership. Bob G. made a motion that Roberts's dues be waived while he is functioning as the Plinker Editor. Greg S. seconded, motion carried. THANK YOU BOB FOR A GREAT NEWSLETTER

Oregon Days: The Puget Sound Free Trappers will put on next years Oregon Days and black powder shoot in Tenino.

Motion to Adjourn: Larry L. made a motion to adjourn at 8:31 PM. Steve A. seconded. Motion carried.

Oregon Trail Days

Good News. On November 1st Bob Geitz and myself met with the Tenino Chamber of Commerce. We received a warm welcome and are 99 44/100 % assured of the approval for doing the T90 Black Powder Shoot. This Ronde ought to be very easy to put on compared to Rain de Voo. For those of you not informed of the Free Trappers efforts to this time here is the straight skinny. A couple of different groups have unsuccessfully been trying to keep this shoot going. Duane Conger finally announced that 2006 was his last try. Generally all our Free Trappers are in one accord to put it on. This is probably one of the most agreed items we have under taken. One of the big items of interest to all is insurance. Bob and myself called Kansas City and spoke with our carrier. We have a document in the mail that says our club activities are covered in the US and Canada for \$1,000,000 per occurrence with 2 occurrences each year. This will save us over \$600. The T90 Mayor is in agreement the Chamber. We are all anxious for this shoot to continue.

Pheasant Hunting

Have you heard about South Dakota pheasant hunting? Well I got to experience it first hand this year. It is as great as I could have imagined. Two friends of mine from the Seven Rivers Mountainman Club packed up our gear and went to Mitchell, South Dakota. Yes, we did take era correct guns but we nary dropped a flint. Hunting was too fast and furious. Pheasant hunting doesn't start till noon so this was a little laid back but it left plenty of time for Cabela's. Katie bar the door. Believe me Cabela's was plenty glad to see us. We went thru AAA Pheasant Hunting owner and premium guide Koby Mahrt. Koby has several guides but hits the fields daily. He has 37,000 acres leased. S.D. plants 1.8 million birds a year and Koby's clients get their share. We all filled the skies with 12 gauge shot daily. The way they worked was like this. We gathered daily and caravanned from 20 to 70 miles to hunt. The first day 9 of us hunted and got our limits in 2 hours. Koby did everything by the book so limits were counted often. The second day 11 scored our limits in 4 hours. Every day the birds seem to get smarter. The third day 5 of us got'm in 5 hours. Lasal Johnson was our guide that day. Lasal is a National Field Trial for hunting dog member. His good dog recently died of cancer so he hunted this year for Koby. His best dog now is Doc Holliday. We knew it too when Doc made a 400 yard retrieve. It was one of the highlights of the whole hunt. The last day 16 made the hunt. We covered some mighty big fields. It is incredible seeing the birds that escaped let alone the ones we got. Mark, Kelly and I had a ball. If you are interested in a hunt, Koby is on the computer under AAA Pheasant hunting. The season lasts till January so ain't too late.

HERE TURKEY, TURKEY, TURKEY!!

Fifteen Free Trappers and guests challenged the rain to try their skills at the Turkey Shoot on November 19th. Many put in the extra effort to show up looking "historically correct", and got extra points on their score cards. Special Thanks is due those who put in a bit extra and helped with the match. Tony Yukich, early bird, helped set up the range. Tom Brown assisted by John Vladeff scored and posted the match results and got the awards out in good time.

The Turkey head and Poker luck shoots were both won by Steve Andrews with a dead-eye 10x and Five Aces!!. A number of others, with less perfect aim (including the match director) were less successful and more spectacular scattering target and can fragments. Individual match results were: Pistol Ken Mudge 1st, Scott Chambers 2nd, and Steve Andrews, 3rd. Rifle match: Steve Andrews, 1st, Will Ulry 2nd, and Ken Mudge 3rd. Trade Gun: (lots of fun shooting flyers in the rain with a flintlock!!) Will Ulry 1st, Jim Robertson 3rd, and Bob Gietz 3rd.

Aggregate results (combining rifle and pistol scores) Ken Mudge 1st, Steve Andrews 2nd, Scott Chambers 3rd, Will Ulry 4th, , Bob Gietz 5th, Paul Richardson 6th, Paula Chambers 7th, John Vladeff 8th, Doug Simpson 9th, Jim Robertson 10th, Tom Brown, 11th, B.O. Brown 12th, Bil Giberson, 13th, Diane Mudge 14th, and Tony Yuklich 15th.

A brief Free Trappers meeting discussed arrangements for Rain Dee Voo and Oregon Trail Days. Reminder that the next monthly match is on the new "First Saturday" schedule on December 2nd. A brown-bag aggregate blanket will be featured along with some "late hunt" targets. For information contact Range director Steve Andrews (352-3819) Match Director Bob Gietz (273-7862) Boosway Will (Bugler) Ulry (352-4224) or Segundo Ken (Tree Hugger) Mudge (264-2247)
