The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

Early Birds Greet the New Year

A dozen Free Trappers made their way thru limbs and debris from the windstorm to join in the monthly match. Lots of "Birds" were on hand to challenge their skills. Winners of the individual matches were: Pistol Tom Brown 1st, Doug Simpson 2nd and Ken Mudge 3rd. Rifle: Ken Mudge 1st, Tim Sampson 2nd, Will Ulry 3rd, Trade Gun tom Brown 1st, Tom Witt 2nd, Ken Mudge 3rd. Tim Sampson won the Mike Fink re-entry, And Tom Brown won the Poker luck shoot with a Jack high straight flush. 10 participants donated to the Aggregate blanket which rewarded Ken Mudge 1st, Steve Andrews 2nd, Doug Simpson 3rd, Will Ulry 4th, B.O. Brown 5th, Tom Brown 6th, Tom Witt 7th, Rick Baldwin 8th, John Vladeff 9th, & Craig Brown (new shooter) 10th. At the Free Trappers' Meeting general arrangements for Rain Dee Voo were discussed. Tim Sampson volunteered to run the Knife & Hawk Trail. Flyer for 2008 was discussed and Ken Mudge agreed to serve as booshway with Tom Brown as Segundo. Reminder of the Trail work party on Sunday January 28th starting at 0900 and Kitchen cleanup after the February shoot on the 3rd. February Shoot will be "Ground Hog" day with blanket prizes donated by those participating in the aggregate. Following the meeting those available pitched in to haul wood to the woodshed and clean up the fallen limbs and branches on the access road and in front of the club house.

Big Buck and Bull

A dozen interested hunters joined the festivities for the contest. Hunters were limited but the few had good deer. We should have a prize for the furthest. Jim Dotter brought a Minnesota buck. Jim hunted with his family "back home". This buck was a spike about nine inches long with an eye guard. Jim says this was the only buck taken with a 50/70 Remington Rolling Block entered in the contest shot in Minnesota. Good job Jim. Our next two competitors were close all season. Ken Edminster traveled to Montana to get a good 5x6 - 26"s wide. Ken beat himself with his Wyoming buck a 3x4 that was 22"s wide. Really the score was close but the heavy, long tined bruiser had less deductions. Ken gets the Big Buck Award. His partner is my daughter Shari Edminster. Shari scored on her 5th buck this year. She does her Dad proud. Her Wyoming buck was her first 4x4 but Boone and Crockett says it is a 3x4. Anyway she had an exciting time. Ken, her, and 8 more friends killed 10 bucks in two days. This guy was 17" wide and real nice looking rack. Her winner for the Big Washington Buck was a lowly spike. It was one of the 30 bucks taken at Vail Tree farm opening day. Thanks to Bob Jamison who volunteered his time doing the Barbequeing. Thanks also to Jim at Tumwater Sports for his co sponsoring the event. Turn out makes it doubtful to do it again.

Rimfire Benchrest Clinic

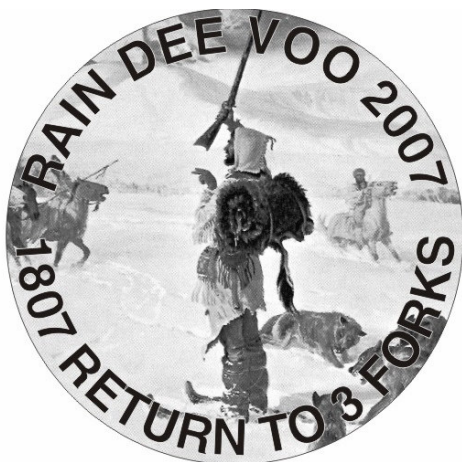

The rimfire benchrest season will start on March 3rd, but there will be a FREE CLINIC at the clubhouse indoor range at 10am Saturday February 10th. Shooters do not need an exotic rifle to get started in the benchrest game - there are even awards when you beat your own best score! This clinic will give you all the info you need to get the most out of your rifle and, if you find it to your liking, how to progress to the next level of the game. Come join us!!!

MEMBERSHIP DUES RATES

Dues and Renewal policies are effective September 1, 2003

Members will receive a statement 45 days before their membership expires. (Your renewal month is found on your mailing label.) The dues renewal date is the last day of the month in which members' "annual date" falls. Members' gate card will automatically "lock out" on their renewal date if they have not renewed, and their membership will be considered "inactive" for 30-days, during which time they may still pay their dues. After 30-days on "inactive" status the membership will be terminated. Should they wish to rejoin CCR&P past the 30-days "inactive" status, they must reapply as a new member and attend the Orientation class. **Membership fees**, collected at the time of the orientation classes are:

Annual dues **\$70.00** for the first member of each household and **\$35.00** for each additional eligible member of the household.

Initiation fee (one time) **\$80.00** for each household and a refundable gate card deposit fee of **\$10.00** for each member.

In addition, each member is expected to devote 8 hours of volunteer service annually or recruit two new members or pay an assessment of **\$80.00**.

NRA membership (required)

Orientation class (required)

(GUESTS: Members may bring their spouses and children under the age of 18 years old **as guests** as often as they'd like. Non-immediate family member guests are limited to two visits annually. Members **MUST** accompany their guests at all times, including spouses and children, and are responsible for the conduct of their guests.)

To join CCR&P, or any membership questions, please contact Rich Montecucco, at (360) 866-1880.

NRA CLUB AFFILIATE BENEFITS

Free listing of events on NRA website; discount on range technician team & service; attorney referral service; non-legal advice for legal problems; NRA attorneys pro bono for national concern issues; eligible to apply for \$5,000 grant annually; \$10 reimburse for each new NRA member; \$5 reimburse for each returning member; "Club Connection" quarterly magazine; eligible for NRA firearms insurance.

CAPITOL CITY RIFLE AND PISTOL CLUB**BOARD OF DIRECTORS MEETING****January 5, 2007**

The meeting was called to order at 7:10 PM by Chris M.

Flag Salute: Ron Lohman led the flag salute

Attendance: Present: Chris M., Ron L., Ray C., Greg S., Rick B. Excused: Rich M., Larry L.

This meeting was not scheduled on the CCRP calendar. The January BOD meeting is scheduled for January 12, 2007.

Treasurer's Report: Chris reported the following balances; Homestreet \$18,762, Certificates of Deposit \$82,488 and checking \$5,753.

Membership Report: No Report.

Old Business

Lead Abatement Program: Chris reported that Dragon Analytical Lab has tested for lead and copper in impact areas of all ranges. Gene Shearer, a new member with experience in this area, reported that as long as a range is active there are no limit requirements to meet. Only when a range is taken out of service does the issue of heavy metals become an issue. He also shared that in Shelton they are installing hay bales with sand backing up to the target height to make it easier to "mine" the impact zones on a periodic basis. Mining of the impact areas could be an additional revenue source for the club.

Roof Warranty: All work in complete with the exception of the certification by Dura-Last. Apparently the nasty weather we have experienced the last couple of months has slowed the process.

Timber Management: No report

Action Pistol Access: Should have completed information ready for Feb. meeting.

Indoor Range Lighting: A proposal has been put forward to install new lighting in the indoor range. It is believed that the club could realize a rebate of approximately \$3500. There was some discussion as to whether or not the assumptions used to arrive at the rebate amount are valid. Discussion also centered around just how much, if any, money should be spent on upgrading the clubhouse/indoor range. Many felt that we should concentrate on the ranges that produce the lions share of revenue to the club. Most felt that the return on investment in the clubhouse would be minimal, and any project that required inspection by outside entities could create more problems than we could afford to deal with. No action was taken on this item.

New Business

Calendar help: Doug has requested help on keeping the calendar up to date while he is in Iraq. The Board will see to it that any new items that come up will be taken care of in his absence.

Clubhouse Ceiling: Chris talked about the value of putting in a dropped ceiling in the meeting room and in the indoor range area. He felt that a dropped ceiling would help reduce heating bills, improve lighting and make the facility more attractive. Ray discussed ways to improve the lighting in the meeting room area for minimal cost. There was also discussion around how we could generate more revenue from the indoor range. The issues of doing anything that would require us to bring the building up to code would be too expensive to pursue, such as lighting, ventilation, adding extra lanes, etc. Discussion, again, came around to spending money in the areas with the greatest potential for revenue generation. If you have any ideas, please forward them to Chris.

Motion to Adjourn: Ron L. made a motion to adjourn at 8:32 PM. Ray seconded. Motion carried.

The January 12th Board meeting minutes will be posted on the CCRP website.

HERE'S A LIST OF UP-COMING EVENTS TO EARN VOLUNTEER HOURS:

- ☺ **CCRP MEMBERSHIP TABLE.** Get a year's assessment working one day *at a Gun Show* at the CCRP Membership table. Location: Puyallup and Centralia. Does that sound easy, or what? Call Rich Montecucco @ 360-866-1880 if you're interested.

January 28th, 2007 will be a work party day.

We need to do a major clean up for Rain Dee Voo. We are sure that The rifle trail needs some attention. This last wind storm has added to the work. I have a request into the Hunters Ed guys as well as the club in general for their assistance. We have lots of limbs down and more wood to haul. Beside that we will have a dumpster on sight to clean up around the club house. All those benches, seats, and metal is going away. I am hoping the Hunters Ed trail will be taken care of by Hunters Ed. With a little more help from club members it could be a normal work party. You may want to bring a lunch. Tools needed: Rakes, pitch forks, chain saws, splitters, empty pick ups.

Thanks
Will Ulry
