# The Plinker

## **MISSION STATEMENT**

*The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.*

## **AND AFTERWARDS THERE WERE 24 SHOPPING/SHOOTING DAYS LEFT TILL CHRISTMAS!!!**

The Free Trappers started the month off with a bang (and a few pops, a fizzle or two and even a flash in the pan!). The monthly match fell on the first of December this year and thirteen mountain-persons were on hand. Weather started questionable and then got worse! However the baker's dozen persisted with the following results.

Tim Sampson got the poker luck kitty with an 8-high straight flush. Pistol match had Mike Nesbitt 1st, Glen Sutt 2nd (borrowed gun, at that), Doug Simpson 3rd. Rifle: Glen Sutt 1st, Mike Nesbitt 2nd, Tim Sampson 3rd. Trade Gun: Mike Nesbitt 1st, Tim Sampson 2nd, Jim Robertson 3rd. The Aggregate Blanket of Brown Bag Christmas gifts were furnished by the Free Trappers. Top five: Mike Nesbitt, 1st, Glenn Sutt 2nd, Will Ulry 3rd, Tim Sampson 4th, and Doug Simpson 5th. A couple of interested visitors dropped by and Mike Nesbitt hosted one to the point of addiction: (Three shots with a flinter and your hooked, or so Mike says). Ken & Dianne Mudge bid the Free Trappers a reluctant farewell as their plans for eastward migration are shaping up for the end of the month. Ken's Mountain Man compass must have got wired backward, the tradition was from Missouri TO the Northwest, not the reverse. We all wish them safe passage and bon voyage.

No Free Trappers meeting was held since the recent planning meeting covered the pending activities. Thanks to Tony Yaklich for his early and reliable assistance in Range set up. Close out of the Range was accomplished in timely manner and in an interim blizzard. Next shoot is January 5th which will have the customary shooter donation aggregate blanket.

## Beginner/Intermediate Centerfire Pistol Match

The temperature at the start of the beginner/intermediate match was 29 degrees and wasn't much warmer by the time we ended at 1 PM. Twenty shooters showed up though and braved this extreme cold.

The match, as has become the case, featured lots of diversity and difficulty. Bay two included 3, 7-yard stations, including one shot only with the weak hand, one with bowling pins, and one shot only with the strong hand. Bay three included 2, 25-yard stations. One station was shot sitting in a chair. The other was shot with only the weak hand. At each of the 5 stations, shooters needed to pay attention to the course of fire because the shooters had to shoot the targets in a specific order. If the order was not followed, the shooter lost all points for that station. An example of the course of fire was station 4 where shooters started with an unloaded pistol laying on a table along with 3 partially loaded magazines and 6 loose rounds. Shooters loaded their guns, shot all three magazines, loaded two more magazines from the loose rounds, and completed the course of fire.

Scores, as you might imagine, continued to be much lower than in past months. The high score was Ron Lohman's 64. Prizes for B-class went to Todd Basler (50 - 1<sup>st</sup> place), Jim Eklund Jr. (28 - 2<sup>nd</sup> place), and Susan Ostfeld (25 - 3<sup>rd</sup> place). Prizes for A class went to Bob Cashman (49 - 1<sup>st</sup> place), Gary Baldwin (48 - 2<sup>nd</sup> place), and Bob Low (46 - 3<sup>rd</sup> place). These weren't necessarily all of the best scores in each class. Prizes were awarded only if the shooter braved the cold and stayed to the cold and bitter end of the match.

Keep the sunny side up.  
Larry Lufkin

## Pistol Shooters

Just a reminder that the Winter 2008 league will start Monday night January 7, and will run for 10 weeks. Shoot aheads and makeups are allowed so that everyone can complete the full league. There will be two relays; 6:30 and 7:30. The fee for the league is \$40. What do you need to shoot with us? A .22 automatic, two magazines and 600 rds of ammunition will get you started. The league is NRA approved and you can earn your classification. If you would like more information, give me a call at 360-357-4058. See you at the indoor range, Monday January 7 at 6:30pm.

## Cowboy Action

After filling their bellies with turkey and trimmings on Thursday and getting their Christmas shopping done on Black Friday, 25 shooters heightened their weekend by shooting a great match on Saturday.

In spite of the cold and dampness sending shivers throughout their bodies, clean matches were shot by Diamond Slinger, Slick, Relic and Adah Isaacs Menken. Congratulations pard!

Monthly match scores are posted on the web page in Scores. Be sure and post any great pictures on the Picture page.

If you are interested in joining Cowboy Action or have any questions, please contact Montana Slim at [regulators@zhonka.net](mailto:regulators@zhonka.net).

## Indoor Air Rifle

Saturday December 15th saw the first match of the 50' indoor air rifle bench season. Thirteen intrepid shooters came our to give the game a try.

Attendees ranged from former BRV shooters to newcomers. All had a rousing good time, hypothermia not withstanding.

We shot with two classes, spring powered and precharged pneumatic. The high pcp score was Dave Zinski with a 1000/51X. The high spring gun score was Ron Price with a 980/19X. Interestingly, Ron's dad Val Price, a returning BRV shooter, shot a 997/41X for second in pcp class. Val is 91! It is nice to know that we have the potential for a lot of good shooting years left.

In this game we shoot four targets which each have 25 ten point bulls eyes for a total of 1000 points. Shooters get 20 minutes to shoot each target.

The fee for this match is \$8.00. The next match will be Saturday, January 19. Sign in and sighters at 10:00am, match at 11:00am.

Any questions, call Noel at 360-357-4058.

## JOIN THE TEAM

Initial contact with prospective new members is a challenging and rewarding job. This activity offers one more opportunity to be of service to the club and de-obligate at least a part of the annual work commitment. The New Member Class is held about 8 times a year and needs the services of a lead instructor (Training Officer) and a support individual to assist with the computer data input. The instruction uses an established training outline with prepared support materials and needs confidence to conduct a small group instruction, administer, score and critique the new member examination. The computer entry needs basic computer skills and familiarity with MS Excel. This group also interfaces with the membership director and Club Treasurer to complete the member enrollment and support the recruiting effort at the local gun shows. There is opportunity to work in this important area and move to Board Membership as well as inputting personal experience and communication skills. The next New Membership Class will proceed on Wednesday, October 10th and would be an opportunity to observe the system at close-up and even take on a bit of the task. Interested parties should contact either of the following:

Bob Gietz, Training Officer 360-273-7862

Rich Montecucco, Membership director
