Cowboy Action

Howdy Folks:

It was a full weekend for the Black River Regulators. We had 44 shooters posse up on Saturday for the monthly match. We also had the distinct privilege of sponsoring the very first Cowboy Action Shooting event for the Washington State Senior Games. We had 27 shooters signed up for that. With a little advertising and Cowboys sharing information, we hope to double that next year.

A warm welcome goes to Painless James for shooting his first match with us. He shot his very first stage clean and with a very respectable time to boot. I heard it was a good thing he had some misses on the second stage because some of the veterans were threatening to not let him come back if he kept doing so good.

Paso Tom showed up on the range to say hello while recuperating from his accident. Nobody recognized him at first without his usual "B Western" flair. After they found out who he was, he was welcomed back with a round of applause and lots of hand shakes and hugs.

For the first time in my memory, we had 7 shooters with clean matches. I do believe that's a record. Congratulations to Diamond Slinger, Ole #4, Territorial Ryder, Shinbone Shooter, Cedar County Sheriff, Montana Slim, and special recognition to Lilly Bell James, shooting what I believe was her first clean match. What a sweet lady.

While conducting the safety briefing, Wil Sackett said Hell-n-Wait designed the stages for the day. If you liked em, thank you; if you didn't, go to Hell-n-Wait.

Thanks to Okie Sawbones and Calamity Carole for taking over the scorekeeping and registration for us. It's an important job and they've stepped up to the plate quite admirably.

Since the senior games fell on Sunday, we had a small circle of wagons on the range. We had a wonderful time and enjoyed the company.

The Senior Games were a hoot. We shot 6 stages but the categories were age based starting at 50.

Rick O'Shea and Nelly shot clean matches which was pretty good considering how much fun and conversation was going on between all us old codgers.

In the end, we gathered in 17 gold medals, 5 silver and 2 bronze. I can't wait to do this again next year.

The scores for both matches are posted on the scores page and there's a few pretty good pictures on the pictures page if you want to check them out.

Boody Bob Bowling Pin Blast

Our annual Bowling Pin shoot was another blast thanks to Gary Baldwin. Gary did a lot of work to manage and run the match. I know Tom Martin helped him set it up and Jim Dotterer was the cook. He also did a fine job. The match was as good as normal. We have to thank the last work party guys for their cleanup. We are missing our Barbeque and a cover for the 100 yard range now. Gary brought his new barby from home so we had some pretty classy cooking. Admittedly I didn't keep all the results. Gary gave some real nice Beer Mugs out for the first three places in each category. I kept track of the names for the plaque so there are some names missing. This was the last year for the Bob Searl Memorial Trophy. Next year Gary says there will be changes. For one thing we are running out of Bowling Pins. Anybody know where to get them?

Call to Service

What's the most frequent complaint by today's shooters? Although anti-gun policies remain at the top of our list, the rising price of gas and ammo is now running a close second.

How about adding an extra \$80 to your shooting budget while helping CCRP remain the best club of its kind in western Washington? The answer is simple: putting in your time as a CCRP volunteer now makes more sense than ever.

There may be more options than you think. Although many of us have cleared trails, strung wire, done roofing and pushed a paint brush, other skills and opportunities exist --especially for our more "seasoned" members and those with physical limitations.

In the past few months almost 10 of our members have worked off their assessments by manning an information table at the Centralia Gun Show.

By discussing the facilities and wide range of practice, competitive and training programs at our club to fellow shooters, we can save money individually and benefit our club as a whole by increasing public awareness and bringing in new members.

Our match and training directors are also looking for "a few good men" – and women – to act as Range Safety Officers, help set of matches, score targets and keep the ranges in shape.

It's an opportunity in the classic sense of the word. You can wait for one to appear. Or, you can step up to offer strong arms, a desire to promote shooting, and a way to help yourself and your club through challenging times.

Those interested in working gun shows are encouraged to contact Jeff Young @ jefyou1@gmail.com or match and program directors listed in the Plinker.
