Beginner/Intermediate Pistol May 2009

The Beginner/Intermediate match drew 21 shooters. We had a beautiful day for shooting although wind did come up at times and blow the tarps around. Eight shooters tried their hand with a second gun. The match included 10 Beginners, 8 Intermediate shooters, and 3 advanced shooters.

The match was 78 rounds shot at bowling pins, paper, and steel. The walk and shoot stage consisted of 6 shots made from a chair and behind a table. Then, the shooter reloaded, shot 3 shots through a barrel from a sitting position, moved to a set of stairs and shot one more target. At the next stage, the shooter shot 3 shots from a rifle then moved to a barrel and shot 3 more shots from the prone position. Finally, shooters picked up a rifle, shot 5 targets a close range, then moved to the final position and shot 3 targets at 40 yards distance. All targets were positioned behind clumps of grass and tree branches so that they were hard to see clearly.

The other three stages were all 18 shots each and included steel targets, paper targets, and bowling pins. Beginners shot from 12 yards without any time limit. Intermediates shot from 18 yards with no time limit. Advanced shot from 25 yards with no time limit.

If you know any beginners who want to learn safety rules and basic shooting skills, send them to the Beginner/Intermediate match on 9th. All other pistol shooters are also invited. We recommend that you bring at least 100 rounds to the match. As a reminder, we ask that shooters show up at 8 AM to help set up targets for the match and stay and help tear down the targets after the match has been completed. Also, all shooters who have never shot in this match are asked to attend a 30-40 minute briefing which covers match and range safety procedures and commands.

"MAY I, SHOOT?"

Not actually May 1st, but pretty close as Eight Free Trappers early-birded their way to the Range for the last shoot until October. And we had soggy targets again. Mike Nesbitt's 'gopher' wilted in the rain and he requested relief. With a fresh upright figure he proceeded to make a dead center shot which was his ticket to the Luck shoot win. He walked away with the poker card shoot as well. Don't know what Mike's astrologic sign is, but the stars were certainly in his favor as you'll see in the rest of the results. Individual matches were prized with Lottery scratch tickets and if there was a big winner, it's sure being kept quiet. Trade Gun: Dave Perry 1st, Allen Cuniff 2nd, Bob DeLisle 3rd. Pistol Bob DeLisle 1st, Mike Nesbitt 2nd, Rowland Zoller third; Rifle Mike Nesbitt 1st, Rowland Zoller 2nd, Allen Cuniff 3rd. Aggregate winners, from a club provided blanket, were Mike Nesbitt 1st, Bob DeLisle 2nd, Rowland Zoller 3rd, Allen Cuniff 4th, Tim Sampson 5th, Doug Simpson 6th, Dave Perry 7th and Ralph Birmingham 8th.

We had two very interested observers who we expect to see on hand in October. Tony Yaklich and J K Johnson were not shooting but their assistance in set up and scoring got things under way. The brief Free Trappers meeting discussed the imminent range expansion work. An option for discussion is the move of the Range Cleanup to the Club and Range Cleanup day the first weekend in August. This will be the next weekend after Oregon Trail Days which will also need Free Trapper assistance. Will Ulry, OTD Booshway was not present to provide advance information but plans are the same as year's past, so expect to hear a few reminders as the time draws near.

Volunteer Opportunities

One thing all gun clubs have in common is that there's always plenty of work to be done in order to maintain and repair facilities, teach safety, instruct new shooters, serve as Range Safety Officers and put on matches.

Each month in the Plinker, we'll try to list opportunities to help keep our club running smoothly and offer members and their families safe and enjoyable shooting programs.

Volunteering, however, is a two-way process. You're not strictly limited to publicized work parties. We'd like to hear about some of the skills that you can offer.

Below is a list of range and match directors. We're hoping that you contact them, asking – or suggesting -- how and when you can help out. The list is neither perfect nor complete. However, it won't take long to discover who could use your help.

More to follow in future Plinkers.
