MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

“You’ll Shoot Your Eye Out” BB Gun Tournament

Aye and it was a grand time at the club. 58 YOUNG people showed up from 3 to 70 years of age. It was a bit cool but the wood fires were burning to take the chill off. Hot Dogs, hot chocolate and a warm meeting room warmed the insides. Remember 3 of the rules. Red Ryder BB Guns only. Their accuracy is limited. BB's shall be copper plated only. This ammo has a flat spot. So even the best shot will inherently get a periodic flyer. The 3rd rule observed by all without reminder “If you aren't having fun you maybe asked to leave.” Just after the movie “Christmas Story” and just before the prizes were awarded the infamous Candy Cannon was shot off. It had snowed an inch and the late afternoon had turned dark. Then out sodium light went off and it was dark outside. So we threw open the garage door for light. All this time the kids undaunted by trivial nature things chanted “Candy, Candy”. A blast of blackpowder and all the kids were happy collecting candy as fast as possible. They were happy again. First places in 6 and younger, 7&8, 9&10, 11 Thru 16 and the team (adult and kid) won BB Guns with a CCR&P medallion. First thru 5th got place certificates and a pick of prizes. The over all Match winner got a Leg Lamp. As explained by John Mickel at the Safety meeting the shoot was patterned after the movie. The natural grand prize would be a leg Lamp. The furthest traveler to the shoot was from Bellevue.

There were 3 shoot offs due to ties. Craig and Bradley Brown shot it off for 1st on the Fly target. Dad beat Bradley in the second shoot off. In the heat of competition Craig and Bradley were also tied in the team shoot with Gary Baldwin and his grandson Dylan Baldwin. Gary and Dylan prevailed this time. It was only a given that the Match winner was to be decide by a shoot off also. Both J D Dodge and Tim Bartley shot 95's on the Turkey target. In 5 shot shoot off on the Turkey target Tim won with a 48 over JD's 45. You will note that there are multiple winners for the Fly, Card and Dart targets. For each group of 10 a prize was given. This allowed more winners. Remember this was a fun match. Due to the generous contributions of CCR&P, Cabela's, Wholesale Sports, Dels Farm Supply, Papa Murphy's, Will Ulry, John Mickel, Harvey Gertson, Doug Simpson, Chandler Gillis, Mike Turner, Jim Woods, Mike Hadley, Glen Sutt, Remi Hansen, Larry Balstra, Jim Benson, no one walked away without a prize. A big thank you needs to go out to all those who helped. A special thanks to the Hunters Education and Blayde Fry. We could not of done the shoot without all the safety glasses we borrowed. Also Bob Greenman did a lot of cleanup for us. Elaine Ulry, Rae Cooley and Bob Jamison were our kitchen people who prepared the Hot Dogs, hot chocolate needed. The stat people were Tim Bartley, Angie May, Phil Lowe, Andy Weidman, Noel Vaughn, Tom Krugman. Our added RSO's Larry Balstra, Brian Erickson, Bob Greenman, John Crossman, Bob Gietz and I know I missed others. I guess you noticed all our faithful Bob's were tallied. Several of these folks helped set up also. Will Ulry

Tim Sampson Saves the Free Trappers

(How the Tenino Fire Starting Champ warmed our hearts, fingers & toes, too!!)

Tim Sampson, the undisputed Champion of the Tenino Oregon Trail Days Fire Starting event took the initiative to create a welcome warming fire for the Free Trappers December shoot. And the smoke level certainly kept the mosquitoes down for at least three weeks, we estimate. That says a bit about the chill in the air for those who 'layered' and turned out for the event. Ten shooters were on hand and the range environment was quite smoky from several causes. The customary events were staged with a variety of challenging targets and the 75 yard metal figures, while ample in size, took close observation to evaluate hits with the .40 calibers in the hands of some competitors. Appreciation is recognized for Doug Simpson's assistance in set up and "Reliable Tony" for general assistance and Range Management.

When the proceedings ended winners were:

Luck Shoots: Turkey Head BO Brown with a perfect dead center hit
Gambler shoot, staged by Will Ulry; Mike Nesbitt

Individual Matches: Trade Gun: 1st: Don Kerr; 2nd Mike Nesbitt, 3rd Allen Cuniff
Rifle: 1st Mike Nesbitt, 2nd Allen Cuniff, 3rd Bob DeLisle
Pistol :1st Bob DeLisle, 2nd Mike Nesbitt, 3rd Rowland Zoller

Aggregate winners, selecting their Mystery Brown Bag prizes from the blanket were: 1st Mike Nesbitt, 2nd Bob DeLisle, 3rd Allen Cuniff, 4th Don Kerr, 5th Rowland Zoller, 6th Will Ulry, 7th Dave Perry, 8th Doug Simpson, 9th Tim Sampson, 10th BO Brown.

The brief Free Trappers meeting filled in a couple more key positions with Mike Nesbitt volunteering to act as Trail Boss and Rowland Zoller agreeing to be certified Food Handler. Some scoring and operational schedules were also re-evaluated. Decision was to have "Trapper-prepared" roast turkey for the Pot Luck with turkeys furnished by the Free Trappers. Important dates were identified as January 30th for final trail cleanup and February 6th, following the Monthly match for Kitchen Cleanup.

Next monthly match will be Saturday, January 2nd, with blanket donations requested for the aggregate blanket participation.

The Evergreen Muzzleloaders shoot this month on Sunday, December 13th will focus on clay pigeon targets and their attraction to Trade Gun pellets. All muzzle loaders are welcome and invited.

Beginner/Intermediate Pistol December 2009

The Beginner/Intermediate match drew 15 shooters for the December match. It was bitterly cold and a bit icy with temperatures just above 20 degrees F when the match started. But it was clear and we had a beautiful day for the match. A couple of propane heaters helped keep the crew warm. Only one shooter, Ken Horton, had the moxie to shoot a second gun.

The match was 72 rounds shot at bowling pins, paper, and steel. The walk and shoot stage started with the shooter sitting in a chair with gun on a table. The shooter stood up, walked to a second table and picked up ammo from a safe. After closing the safe, shooters moved to the first stage where we shot one paper steel target through a barrel. The shooter moved to a second barrel and shot through it at one more paper target. At the next stage, the shooter shot 2 steel targets to the right, then another steel target to the left. Shooters then moved to the 4th station where they shot a single steel popper around the right side of a barrel. Shooters then hid behind the barrel while they re-loaded, then shot a second popper around the left side of the barrel. At the final stage, shooters moved to the first mat and shot at two steel plates after which they moved to the second mat and shot 3 small poppers. Shooters were given 100 seconds to complete the entire stage.

The other five stages were all 12 shots each and included steel targets, paper targets, and bowling pins. Stage 1 included the plate rack and assorted bowling pins, shot in any order. Stage 2 included a dueling tree along with assorted steel plates and pins. Shooters had to remember to shoot
(Continued on page 4)

the yellow plate first or none of the other targets counted. Stage 3 had small, medium, and large pie plates. The stage was shot in any order but shooters had to put 4 rounds in each plate. Stage 4 included the Texas tree along with assorted bowling pins and plates. Shooters had to shoot all five plates off the tree, then the 3 pins in front of the tree, followed by the four side pins. Stage 5 was all bowling pins set up close together in small groups. Shooters had to knock down the pins one at a time or none of them counted. This stage was made more difficult because the pins sometimes exploded because they were so cold.

Beginners shot from the 12-yard line and could use any grip. Intermediate shooters shot from the 20-yard line and also were allowed to use any grip. Advanced shooters shot 4 shots from the beginner line, using either a strong hand, weak hand, or two handed grip – their choice. They then moved to the intermediate line and shot 4 more shots with one of the other two grips. Shooters had to reload during this second 4-shot stage. Finally, advanced shooters, using the last of their three grip choices, shot the last four shots. Advanced shooters went through this same routine at each of the five stages.

Ron brought prizes for the December match. The top prizes were won by Terry Torres, Theresa Dec, and Ron Lohman. Second place winners were Ken Horton, Gary Baldwin, and Gary Thorson. Ron donated his prize and held a shoot-off to determine the winner. Ida Eardley beat Larry Lufkin and Casey Carlson for the win.

All pistol shooters are invited to the Beginner/Intermediate match and you can really hone your accuracy skills with this match. The next match will be held Saturday, January 9. If you know any beginners who want to learn safety rules and basic shooting skills, send them to our match.

Shooters should bring a hip holster and a center fire pistol – semi or revolver – of 9MM or larger caliber, and 3 speed loaders or magazines. Cross-draw and shoulder holsters are not allowed. We recommend that you bring at least 100 rounds to the match. Any shooters who do not have the needed equipment may borrow equipment from Larry or Ron. We ask that shooters show up at 8 AM to help set up targets for the match and stay and help tear down the targets after the match has been completed. Matches are usually completed by 1 PM.
