## MISSION STATEMENT

*The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.*

## Where were all the Free Trappers?

Only five devoted muzzle-stuffers appeared for this month's match on May 5th. The excuses for absence as related were as varied as the shooters but that didn't put any more guns on the line. Reliable Tony was on hand to keep the coffee pot steaming and to assist in target scoring and verification. With a simplified match and proficient shooters on such an excellent shooting day, the five 'skinners made short work of the competition. As you'll see, this was perhaps a new series; "the Mike, Bob & Doug show!"

Mike Nesbitt took the gopher-head match and Doug Simpson triumphed over the dart board luck match (with a double 50 pointer in target dead center). Individual matches echoed the "Mike, Bob & Doug names when the winners were called. Trade gun; Bob DeLisle-1st, Mike Nesbitt-2nd, Doug Simpson-3rd. Pistol; Mike Nesbitt-1st, Bob DeLisle-2nd, and Doug Simpson-3rd. Rifle; Mike Nesbitt-1st, Doug Simpson-2nd, and Bob DeLisle-3rd. Aggregate; Mike Nesbitt-1st, Bob DeLisle-2nd, Doug Simpson-3rd, Kent Dunn-4th. and Rowland Zoller-5th.

At the brief Free Trappers meeting, after some discussion it was OK'd to proceed with purchase of a new barrel to create the 2013 One Shot Hunt rifle from a donated rifle on hand. Other accessories will be added and a call is sent out for a gunsmith aspirant to tackle the task of making a period simulated rifle for this prize. Tim Sampson's request for volunteers was relayed, Mike Nesbitt agreed to take on the Trail Boss responsibility and has a couple of volunteer guides ready to commit to the schedule. Reminder to all about the Trail Repair work day for the third Saturday in August, the 18th. Expect that after our wet winter the undergrowth will be lush so lots of clearing is easily anticipated.

Coming event reminders: Evergreen Muzzleloaders next Sunday, May 13th. Mike says they will complete with pistols only on the upper trail. In June the BP monthly match at Capitol will be a rerun of the Old Time Centerfire cartridge. Rules in brief; black powder loads in traditional hyphenated cartridges (such as .44-40, .45-70). Single shots or tubular magazine repeaters from cross-sticks or body support, ten shots each at 50 & 100 yards. Shooter's fee \$10.00 plus additional \$5.00 for each added gun. First relay should start at 10:00 AM. If interested or for more details contact the Match Director Bob Gietz 360-273-7862 (duckfreak@q.com).

## Greetings High Power Shooters

Yesterday we had 8 high power shooters turn out for the M1 Garand Match. If you missed it.... Well, you missed out on all the fun!

It was warm, clear sky, and sunny. Some shooters had some difficulty with eye sight and rifle sight settings with that big bright thing in the sky. We must not be used to that around here. Tony brought his friend Kevin Summers out for the match. Welcome, Kevin. We hope you had fun, and come back soon.

We started off with a Minor Conspiracy during the pre-match sight in period. Someone (to remain nameless) arranged to have everyone put their first sight in shot on Target #3 (Tony's). When Tony took his first sight in shot, and looked in his spotting scope, there were 4 holes in the black, and another 2 or 3 in the white. With all the giggling that ensued, shooters had a hard time holding steady on target.

Here are the results of the M1 Garand Match:

Gary Thorson 1st; Fran Huntington 2nd; Tony Minard 3rd; Rod McDonald 4th; Gary Baldwin 5th; Bill Skull 6th; Bill England 7th; and Kevin Summers 8th.

We had 5 shooters stay for the Lever Action / Single Shot Match. We shot the "5V" targets at 50 and 100 yards, with 10 shots at each distance. However, we had to divide the group up into the Legitimate Class and the Illegitimate Class. Gary Baldwin won the Lever Action match shooting a Ruger .44 Magnum Lever gun. Gary Thorson couldn't hit the broad side of a barn with his lever action, so he substituted his M1 Garand. Gary learned the hard way not to shoot Rainier Ballistics bullets in a .44 magnum carbine. The barrel leaded up so bad it looked like a smoothbore musket. Rod McDonald didn't bring a lever gun, but shot an AR-15 carbine. These two guys shot in the Illegitimate Class single load, single shot.

## Beginning/Intermediate Action Pistol Match

### May 2012

The Beginning/Intermediate Action Pistol Match for May saw 27 participants shooting 43 guns and enjoying a great match in near perfect weather. Ron Lohman won the Advanced Category, Terry Miller the Intermediate Category, and a new comer, Mike Wood, took honors in the Beginner Category. We also enjoyed another Single Action Match which turned out in a tie between Tom Eardley and Ron Lohman. Finally, someone is giving Ron a run for the honor.

Special mention needs to go the folks who help out EVERY month, including the "Up-Down Crew" which is a bunch of regular helpers who set up the match, designed by Ron Lohman. The "Crew" consists of Tom Eardley, Frank Bennet, Paul Glasgow, Dick Smith, Burt Miller, and Brian Keay, often with assists from Larry Schadt, Ken Horton, Terry Miller. And Ron helps out every step of the way. Thanks, all.

On Match day, the record-keeping assistance of Barb Rheault and Ida Eardley is greatly appreciated. And Larry Lufkin teaches new shooters every month to enable them to safely shoot the match.

This match is an excellent way to bring your hand gun skills up to speed – especially during the delightful weather we're sure to be enjoying the next few months. SO, JOIN US on the second Saturday of the month, at 8:30AM. Bring a center-fire handgun of 9mm or greater caliber, 100 rounds of ammunition, a holster (one that follows the line of the leg, not canted back for safety; no cross draw or shoulder rigs), eye and hearing protection (but don't despair – if you don't have any of these, we may be able to help you out). See you next month! Brian Keay.
