

The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

Shoot Your Eye Out BB Gun Shoot

A grand total of 38 shooters attended with 16 as well as 20 others. The shooters were met at the door by Rowland Zoller inspected BB Guns and got the registration started. No one has yet tried to use a modified Daisy. It has happen around the country. John Wicklund and Bob Backman handled the registration and took the bucks. Tony Woore and Rich Montecucco signed up teams and did the scoring. Angie and Jim were invaluable help with recording and filling registration gaps. Everybody got warmed up with a generously donated Electronic Shoot. Tammy and Scott from NW HydroPrint have the shoot. Beside the Electronic Shoot HydroPrint donated 2 camo BB Guns. The kids liked those. Before the Safety Meeting the kids lined up to test their skill. Actually after the shoot started all that were not shooting kept Tammy and Scott busy most of the time. Bob Jamison was on hand again fixing Hot Dogs and Hot Chocolate. Kent Dunn was our Range Officer. He did a fine job with all the shooters. Some of the extras were Ben Woore, Dan Kapowski and John Mickel. We had sufficient RSO's and scorers. We had plenty of new shooters. Our come from far shooter was from Pullman.

Beginner/Intermediate Handgun Match

Saturday January 12th was a cold day for a match. We had 20 shooters show up to test their skills with 31 guns in 27 degree temperature and prove that their handguns did function in the cold.

The first shooters were the Single Action Guys that hit the line at 8:00 AM. The steel targets that were set up on steel stands would freeze to the stands after they had been hit once and taken a dip in the water behind the set ups (after they had broken through the ice). It made for an interesting match. Dick Smith once again led the 72 shot match with a score of 65, followed by Larry Lufkin with a score of 64, and third was Gary Baldwin with a score of 60.

In the regular match the "Advanced" category finished as follows:

Larry Lufkin was first with a score of 69 (with a brand new Smith revolver), Larry Schadt was second with a score of 64, and Gary Baldwin was third with a score of 63.

The "Intermediate" category finished as follows: Linda Hildebrand and Terry Miller tied for 1st with scores of 65, Gerold Trusty shot a 63 for 2nd, and Tom Eardley was 3rd with a score of 61.

The "Beginner" category saw Bill Brush on top with a score of 62, Ron Greaves was second with a score of 54, and Rochelle Bryner was 3rd with a score of 33. We had 3 brand new shooters: Rochelle Bryner, Larry Cohn, and Neil Newell. All 3 of you deserve a big pat on the back for coming out on such a cold day. You are now definitely one of the group, no more hazing necessary.

Even with the cold weather, we all had fun and were able to laugh, joke, and meet some new friends. Not bad for just an otherwise cold day!

Mark your schedule for February 9 for the next Beginner Match and we will see you at the Action Pistol Range. Remember, our matches are usually held the second Saturday of each month.

Shooters should bring a hip holster and a center fire pistol – semi or revolver – of 9 mm or larger caliber, and at least 3 speed loaders or magazines. Four are better. Cross-draw and shoulder holsters are not allowed. We recommend that you bring at least 100 rounds to the match so that you have plenty of ammo for the match and any practice shooting you do. Any shooters who do not have the needed equipment may borrow equipment from Larry or Ron but we ask that they reimburse us for the ammo they use.

If you would like to join us in our training class on the first Saturday of the month please contact me by email to get signed up as I normally cannot take walk ins because of class size.

January Muzzleloading Match

Nine participants were on hand greeting the New Year's first monthly shoot at the Black Powder range on Saturday, January 5th. The weather cooperated rather nicely with calm winds and no rain even though the general demeanor and the forecast of the day was a bit on the gray side. Energetic and willing workers all pitched in to set up the target range and have time for a round of Tony's coffee prior to the shooter's meeting. The results of last week's work party in setting up new loading facilities were greatly welcomed and self-congratulations were highly in order because most of the shooters present had also been members of that work party. A full match was shot on this day with results as follows: Luck shoots: Single Card-Mike Nesbitt, and the Mike Fink Cup-Adam Sampson. Individual events for Trade gun: 1st-Adam Sampson, 2nd-Mike Nesbitt, & 3rd-Will Ulry. Pistol: 1st-Mike Nesbitt, 2nd-Don Kerr, & 3rd-Adam Sampson. Rifle: 1st-Don Kerr, 2nd-Mike Nesbitt, & 3rd-Adam Sampson. Aggregate prizes, with brown-bag prizes furnished by the Free Trappers, went to: 1st-Don Kerr, 2nd-Mike Nesbitt, 3rd-Adam Sampson, 4th-Bob DeLisle, 5th-Rowland Zoller, 6th-Will Ulry, 7th-Frank Ponceroff, 8th-Kent Dunn, and 9th-BO Brown. Appreciation for the day's event is extended to Reliable Tony for the hot coffee as well as to Kent Dunn and Rowland Zoller for running and scoring the Trade Gun Flying Clays shoot. It was a full morning of shooting and we also give very hearty thanks to Bob Gietz for running this excellent match.

A brief Free Trappers' meeting, without the absent Booshway, emphasized the need for volunteers for selling raffle tickets on Jan 19th, 26th and February 2nd, (contact Will Ulry at mcchess@aol.com if you can help) and the main effort for Trailwalk and Target Cleanup on Saturday Jan. 26th (just show up with a machete if you can help). Clean up work on the Trailwalk will start at 0900 with possibly a smaller party breaking off to work on the Knife & Hawk trail at the same time. At the conclusion of this brief Free Trappers' meeting two small work parties took on the challenge of moving four excess shooting benches which were donated to the High Power side Bay and assisted Frank Ponceroff in harvesting target blocks for the Knife & Hawk trail.

Coming events: next Sunday (Jan.13th) will be the Evergreen Muzzleloaders' monthly shoot followed in close order by the Annual WSMA Silhouette Championships at Evergreen Sportsman's Club over the 17th, 18th, and 19th of this month. (Free coffee and hot dogs!) The next monthly match for the Puget Sound Free Trappers is being held on February 2nd, with targets appropriate to the date and Aggregate blanket prizes provided by the Club. Shooting can start at 9:30.

New Look

The last Saturday of Dec The Puget Sound Freetrappers change the appearance of the Black Powder Range. We now have new shooting benches. The old benches were put in storage. We have 32' of useable benches with a lower shelf or more stuff that you can use in one shooting session. Sometimes during our monthly shoots this additional stuff shelf will be handy. Our "Peg Log" was moved up to accommodate things that hang. It turned out right fine. We added a 3x3 table for Bob's stat stuff also. If this weren't enough to do we mobilized a Santa can. This ain't a Santa Clause Can. Jim "Sheep Herder" Robertson had a generous gift give in his name. We purchased a small trailer and mounted one of the better Santa cans on it. Now the "Club" has a mobile Santa can. The Puget Sound Freetrappers has to move cans every year for Rain de Voo. This will help. We ain't above letting you all use it for yer events. It would be nice to check in with Bob for the use. In case you didn't know Bob Gietz officially takes care of all the clubs "Blue Lagoons". He checks them, has them numbered so our pumper guys know which to clean. Tom Witt helps too. All cans are not automatically "Done". Bob keeps track so extra bucks aren't spent just cause. Thanks Bob. We had Bob Geitz, Frank Ponceroff, Tony Yaklick, Kent Dunn, Bo Brown and me do all the work. Dave Doliver stopped by to see what's up. Tom Witt came in time to go to lunch at the Farm Boy. Enjoy the benches!!

Season's "High Powered" Greetings

Now we know who can't stand last minute holiday shopping and mall crowds and would rather go shooting! Wise choice, guys!

We had 6 shooters turn out Sunday morning for the season finale Old Soldier's high power rifle match. Then Kris Brophy showed up for the carbine match. The December weather was great this morning. Just as soon as we finished up, it started raining. Which is why I am spending a rainy Sunday afternoon doing match paperwork.

We had some really great shooting this morning. 1st and 2nd place decided on "X" count! 3rd and 4th place decided on "X" count! You can't get much better than that!!! Here are today's scores:

1st Gary Baldwin British No. 1 Mk III

2nd Gary Thorson U.S. Model 03-A3

3rd Harvey Gertson Austrian 1895 Steyr

4th Fran Huntington U.S. Model 03-A3

5th Ken Horton Swiss K-31

6th Bill Englund U.S. Model of 1917

Today was the final Old Soldiers Match of the season. Fran will be tallying up the season scores and present the season Old Soldier league awards at the CMP match in January.

Today was also the final high power match of the 2012 season, and the final opportunity to earn CCR&P Distinguished Rifleman points for this year. Check out the attachment to see the final points totals for Distinguished Riflemen. Starting in January, we will "clear the books", and everyone will start over for the 2013 Distinguished Riflemen qualifications.

Following the Old Soldier Match, we held our Carbine match with seven shooters. Since we had a limited number of target stands, we had a "Team Match". We chose up two teams, appropriately names "Left Team" and "Right Team". We ran our standard 5 rounds standing, 5 rounds kneeling at 50 yards, and 10 rounds prone at 100 yards, and ran through the course twice for a total of 40 rounds. Left Team shot on the left targets, Right Team shot on the right targets. (Somebody, please, think up something different for the Carbine Match! I'm running out of ideas.) We had a variety of "carbines", so we didn't have a time limit - just try to shoot rapid fire. It was really fun watching Fran Huntington manipulate his Soviet Mosin Nagant Model 38 Carbine, belching flames 2 feet out of the muzzle. I think they call that a hand held artillery piece. And now I know why the Soviets has so many casualties during the war... Anyway, the Right Team won the carbine match, scoring 143 to 132. Because they were Right, right?

OK, Gentlemen, this wraps up 2012. We start again on the 4th Sunday in January with the CMP Match. Invite your friends and let's have another fun High Powered year. Here's the format for our 2013 High Power Matches: (all high power matches shot at 200 yards)

CMP/NRA Service Rifle Match - Odd numbered months beginning the 4th Sunday in January: (Google NRA Service Rifle rules)

- * 20 rounds slow fire from the prone position in 20 minutes
- * 10 rounds rapid fire from the prone position in 70 seconds - with a magazine change
- * 10 rounds rapid fire from the sitting position in 60 seconds - with a magazine change
- * 10 rounds slow fire from the standing position in 10 minutes
- * 50 rounds total, maximum of 500 points

Old Soldiers Match - Even numbered months beginning the 4th Sunday in February: World War 2 vintage or older standard issue military rifles, from any country.

- * Two strings of 15 rounds, slow fire prone, in 15 minutes each. 30 rounds total, maximum of 300 points

M1 Garand Match - 2nd Sunday April through September

- * Course of fire the same as the CMP/NRA Service Rifle Match - but only M1 Garands.

The club has M1 Garand loaner rifles that can be used, free of charge, for any high power rifle match. You just need to purchase and use club ammunition at \$6.00 per box of 20.

See you in January.

VOLUNTEERS NEEDED

There will be Rain de Voo work stuff to be done. We usually need 2 guys to help put up and take down the Blacksmith. Volunteers need to talk to Tim Sampson at 360-264-4243 about that. There is firewood outside the wood shed that needs to be put in the clubhouse and stacked.

Match Directors, Board members, and those in charge of each range are invited to list in the Plinker their up-coming volunteer needs by calling John Wicklund, 360-438-5971. He will compile and update the list each month.

Safety

At the last meeting it was reported that some Bozo actually shot a steel support at the side bay with a shotgun. Where are your brains? We are considering now to have cameras on the ranges to monitor the Dumb Dumbs. Recently a member was kicked out of the club for not using range safety rules. We are serious about the safety rules. If you are not you can find another shooting home. Your gate cards tells us who and when you access the range. If you are serious about the rules and/or change of the rule there is a way to change it. Your participation is welcome at meetings. Let's be safe out there and enjoy our shooting facility.
