

The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

Beginner/Intermediate Handgun Match

The February Match started out very good as the temperature was in the 40's, slightly overcast, and no rain. A fond welcome from the 27 degrees we had in January when you had to wear so much clothing you were out of your comfort zone when you were shooting, and o' ya which pocket did I put that extra magazine or my mag holder is under my coat. Good training for those that carry concealed in cold weather zones.

22 Shooters came out to shoot 32 guns and all had a good time, especially around 10:00 AM when the sun got out of bed and showed it's smiley face (if you have ever shot on the Action Pistol Range you know that when the sun comes up it is right in the shooter's eyes).

We had 6 Single Action shooters that started us off at 8:00 AM with a new 50 round course of fire. Gary Baldwin was the leader of the pack with a 46, Paul Glasgow followed with a 44, and Dick Smith placed 3rd with a score of 42.

The Beginner Class (14 shooters) was led by Toni Mitchell with a score of 41 (Glock 40), Rich Ganns (1911 45) followed with a 37, and Robert Jones (Sig 9mm P226) came in 3rd with a score of 36.

The Intermediate Class (4 shooters) was led by Terry Miller (STI Edge 40) who shot his first perfect score, Linda Hildabrand (S&W 357 6 inch) followed with a 49, and Paul Glasgow (1911 45) came in third with a score of 33. It looks to me like Terry Miller and Linda Hildebrand are taking a trip to the Advanced Class. Congratulations!

The Advanced Class (4 shooters) top spot was shared by Gary Baldwin (Ruger 6in.357 GP 100) and Larry Schadt (6in.S&W 357) shooting scores of 46. Dick Smith (6in. S&W 357) took the third spot with a score of 45.

We had 5 new shooters 2 of which came from our Saturday Beginner Training Class. All of the new shooters had a good time and found out where they need to go to work to improve their skills.

Continued on page 2

The Beginner/Intermediate Match will continue as a 50 round match until such time as ammunition and reloading components are available again in ample supply.

The March Match will be on the 9th and it will be a Barbeque Match. The fee is \$20 and you can shoot 2 guns. The Single Action Shooters will start at 8:00 AM and the regular match will start at 9:00 AM and all will eat at 11:30 AM. The menu: Bacon wrapped jalapeño poppers, Ribs, Chicken, Polish sausage, baked beans, a salad and desert. I can guarantee you will be ready for a nap when you're done eating.

Mark your schedule for March 9 for the next Beginner Match and we will see you at the Action Pistol Range. Remember, our matches are usually held the second Saturday of each month.

Shooters should bring a hip holster and a center fire pistol – semi or revolver – of 9 mm or larger caliber, and at least 3 speed loaders or magazines. Four are better. Cross-draw and shoulder holsters are not allowed. We recommend that you bring at least 100 rounds to the match so that you have plenty of ammo for the match and any practice shooting you do. **Any shooters who do not have the needed equipment may borrow equipment from Larry or Ron but we ask that they reimburse us for the ammo they use.**

If you would like to join us in our training class on the first Saturday of the month please contact me by email to get signed up as I normally cannot take walk ins because of class size.

High Power Shooters

Sunday, January 27th was the kickoff of the 2013 CCRP High Power Rifle season. We held the CMP/NRA format Service Rifle Match. We had 8 shooters on the line today, starting off in 35 degree weather, and turning to drizzle. But we didn't let cold hands and stiff joints keep us from having fun. Although by the time we were done with the Service Rifle match, we were damp enough to decide to skip the .22 rimfire silhouette match.

Match winner today was Fran Hunting, shooting 461-10x with his Springfield Armory Super Duper Ultra Fine M1A. Fran, that thing is too pretty. You need to throw it down the driveway and give it some character.

No sunglasses needed for local groundhogs

If Mima Mort or whatever the local counterpart of the legendary Phil poked his head out on his day he'd have agreed that without a shadow (of a doubt) Spring would be here early this year. Our local predictor, Reliable Tony, didn't do as well as he didn't even get up. His delayed appearance plus the match director's "senior moment" of leaving the coffee pot home meant the Free Trappers went fire- and coffee-less on this day. Shooting did proceed, almost as usual, and maybe a little higher scores without any cases of caffeine nerves. Luck Shoot results: Mike Fink target went to Will Ury while Adam Sampson got the Luck card. Individual scores: Trade Gun; 1st - Adam Sampson, 2nd - Mike Nesbitt, 3rd - Don Kerr, Pistol; 1st - Mike Nesbitt, 2nd - Will Ury, 3rd - Don Kerr. Rifle; 1st - Adam Sampson, 2nd - Bob DeLisle, 3rd - Will Ury. Aggregate prizes (mystery Brown Bags furnished by the club) went to; 1st - Will Ury, 2nd - Mike Nesbitt, 3rd - Adam Sampson, 4th - Don Kerr, 5th - Bob DeLisle, 6th - Dave Perry, 7th - Tim Sampson, 8th - Kent Dunn, 9th - BO Brown. At the conclusion of the shoot all hands adjourned to the club house for a Free Trappers meeting by Booshway Tim. All assignments were reviewed and verified. Decision was confirmed to furnish fried (or baked) chicken from caterer Fred Meyer. After the meeting the remaining crew did preparatory cleanup of the club room. Bigfoot Foltz was a non-shooting guests today and he helped by operating the trap during the trade gun shoot.

Reminder to put the Evergreen monthly shoot on your reminder list for next Sunday, February 10th, Shooting starting at about 9:30 AM with a range and trail combination for all types of arms, including five shots on the trail walk plus a tiebreaker to be shot with round ball from trade guns, and an aggregate blanket for shooters caring to donate.

Hi Guys,

The wood shed is all but empty. This is my plan. The week of the 6th of May I have a volunteer and we are going to cold deck some wood logs at the corner of the parking lot like we did a couple of years ago. The 18th of May we will have a work party and cut, split, and place in the wood shed. If we can get a volunteer for the power splitter OK if not we will rent one. It will take about 15 guys. - IDEAS- If someone wishes to take this on earlier OK. I will be back around May first. I am thinking the wood in that is cut now will already be in the shed if not we will get it in shed also.
