# The Plinker

## MISSION STATEMENT

*The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.*

## VOLUNTEERS NEEDED

### WORK PARTIES:

1. Bob Jamison needs 3 people for 8 hours each to clean the club house roof. For info, contact Bob at 360-951-0436 or 360-352-3816.
2. A work party is scheduled for 9 AM Saturday, August 17th, to clean up the Rain Dee Voo shooting trails. Come dressed for work in the woods. The contact person is Tim Sampson, 360-264-4243.

### SPECIAL EVENT VOLUNTEERS NEEDED

The club would like to invite the public to a "Hunter Sight-In" weekend on the High Power Range, and needs a crew to organize and run the event. Previous "Hunter Sight-ins" have been well attended by the public, thanks to the publicity provided to sporting goods stores, gun stores, etc. Several volunteers have been needed for:

1. Publicizing the event, readying targets, the open-bolt indicators, ear and eye protection, etc.
2. Greeting the public, collecting donations, and safety-checking each rifle.
3. A Range Safety Officer
4. Assisting the public at each shooting bench.

Likely weekends for this event are September 28-29 or October 5-6, possibly from 9 to 4 each day. In the past, the High Power range has been closed to routine member shooting during the sight-in hours. If you are interested in helping, contact Will Ulry at 360-701-8105.

### DO-IT-ON-YOUR-OWN-TIME PROJECTS

1. Weed eating needs to be done around the clubhouse to make things more presentable.
2. The area around the wood shed and in back of it needs straightening up.
3. Underneath the blue tarp near the flagpole is firewood for campers' use. There have been complaints about the appearance of the tarp. Perhaps a large box could be built to contain the wood. There are materials on the multi-purpose range that could be used. For access to the locked multi-purpose range gate, contact Will Ulry at 360-701-8105.

Contact Will Ulry at 360-701-8105, or email him at [mcchess@aol.com](mailto:mcchess@aol.com), to find out if someone else has already completed any of these, and also to receive volunteering credit for the hours that you work.

Match Directors, Board members, and those in charge of each range are invited to list in the Plinker their up-coming volunteer needs by calling John Wicklund, 360-438-5971. He will compile and up-date the list each month.

## Beginner / Intermediate Handgun Match

The weather for Saturday July the 13<sup>th</sup> didn't disappoint anyone at our match. This was the third month in a row we were able to shoot without our under water guns. It's kind of nice putting dry ammo in a magazine or speed loader. Even nicer putting a dry magazine into a gun without water running out the bottom of the magazine (it's a man thing you know).

There wasn't a spare moment from 7:30 AM on as paper targets were stood in place, courses of fire and stage numbers were placed appropriately, and training targets were put in place for new shooter training. Sign ups started at 7:40 for the Single Action Shooters and everyone was on a mission to get ready to start the day.

We had 9 Single Action Shooters hit the line at 8:00 AM but didn't get started until 8:05 as we had one late sign in. A score of 50 gave you bragging rights for this month and less than 50 meant you couldn't brag as much! The results are as follows:

Dick Smith, Bob Becker, & Gary Baldwin all shot 47

(I haven't figured out how the bragging is going to turn out here). Larry Lufkin shot a 46 while Frank Bennett and Ken Brocx both shot 42. This match is growing and the shooters are getting much better. Good job guys, let me know how the bragging turns out!

32 shooters turned out to shoot the regular match and shot a total of 48 guns. Larry Lufkin handled the new shooter training which included 9 new shooters. Of the 9, four new shooters went through the training but decided not to shoot the match (first timers with little or no experience). Thanks Larry for a job well done.

After the Safety Meeting, stage walk through, and orientation of who was going where, the match got started about 9:30.

17 Beginning Shooters hit the line with the following results:

Ken Brocx	45
Debbe Chalfant	44
Burt Miller	42

6 Intermediate Shooters had the following results:

Bob Becker	47
Rich Ganns	45
Linda Hildebrand	44

5 Advanced Shooters had the following results:

Dick Smith & Dave Chalfant shot a	47
Larry Lufkin	46
Gary Baldwin	39

Fun was had by all, after all of the alibis were talked out or debunked (you know, I just don't understand why this gun doesn't shoot as good as it did last month, or you know the color of the plating of these bullets keeps them from going as straight as the last ones I used). YEA RIGHT!!!

Everything was put away and all shooters were either gone or on their way by 12:15. All in all A GREAT DAY!

Put the 17<sup>th</sup> of August on your calendar for our next shoot as it is the third Saturday of August. It is the only match of the year that is on the third Saturday as Ron has a yearly commitment on the 2<sup>nd</sup> week end.

See you next month!

**Mark your schedule for August 17th for the next Beginner Match and we will see you at the Action Pistol Range. Remember, our matches are usually held the second Saturday of each month. However the August match is the only match of the year that is held on the third Saturday. Ron has a family commitment on the 2<sup>nd</sup> weekend of August so we move to the 3<sup>rd</sup> weekend for the August match only. Also, put September the 14<sup>th</sup> on your calendar as our last BBQ Match of this year. You don't want to miss that one either.**

Shooters should bring a hip holster and a center fire pistol – semi or revolver – of 9 mm or larger caliber, and at least 3 speed loaders or magazines. Four are better. Cross-draw and shoulder holsters are not allowed. We recommend that you bring at least 100 rounds to the match so that you have plenty of ammo for the match and any practice shooting you do. **Any shooters who do not have the needed equipment may borrow equipment from Larry or Ron but we ask that they reimburse us for the ammo they use.**

If you would like to join us in our training class on the first Saturday of the month please contact Ron by email to get signed up as he normally cannot take walk-ins because of class size. You can contact Ron Lohman at rons1ab2@aol.com.

## High Power Shooters

CONGRATULATIONS to Gary Baldwin on becoming the 4<sup>th</sup> high power shooter to earn the 2013 CCR&P Distinguished Rifleman qualification.

On Sunday, June 23, we had 13 high power rifle shooters turn out for the Old Soldier Match. Eight shooters stayed after for the Carbine Match.

We had nice weather with no rain until after we were all done, then the downpour happened! We also had a nice collection of vintage military rifles, and most of them were American made (buy American). It was interesting to see Harvey's rare Luxemburg Army FN-49. I never even knew Luxemburg had an army; I just figured the police could handle it in a country that small.

As the scores will show, we have a bunch of fine shooters, shooting fine old rifles. The top 5 shooters were separated by 11 points, and all 5 were above 285 out of a possible 300 on the 200 yard targets. Great shooting guys!

The match winner was Fran Huntington with 294-6X. Second was Gary Thorson with 289-5X. Third was Gary Baldwin at 288-9X. Fourth was Bill Stull at 285-4X. And fifth went to Ken Horton at 279-4X. An honorable mention goes to Rod McDonald who shot a not-so-old-soldier M1A for a practice score of 288-6X.

Following the Old Soldier Match, we had 8 shooters stay for the Carbine Match. Fran Hunting was a force to be reckoned with today, also taking 1<sup>st</sup> in the Carbine Match with a score of 359-4X out of a possible 400 on the 100 yard reduced target.

### **Do You Want To Be Notified About Volunteering Opportunities?**

If you are interested in being individually notified by email about “do-it-on-your-own-time” volunteering opportunities at the club, contact John Wicklund, 360-438-5971, or Will Ulry, 360-701-8105. Each time an opportunity becomes available, you will receive an email describing the work needed and giving you a contact name and phone number. The contact person will see to it that you get credit on a "Hours Worked Assessment Card" for the hours that you volunteer.

The projects will not be “work parties” but rather individual jobs that you can do whenever you want to.
