

# The Plinker

## *MISSION STATEMENT*

*The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.*

## High Power Shooters

The October Old Soldier Match demonstrated who the truly Meritoriously Outstanding participants in our sport are. We had 9 shooters show up to participate in the match - WHILE THERE WAS A SEAHAWKS GAME GOING ON! Fran Huntington had to depart early claiming eye problems. I think he just wanted to watch football. That left 8 of us. In between the rain squalls, we had a good time. And posted some good scores with the Old Soldier rifles.

The Americans came out on top with 1st and 2nd places being shot with U.S. Model 03-A3 rifles. Gary Thorson took 1st with 296-8X, and Bruce Fockler took 2nd with 286-5X.

We had 5 shooters participate in the Sniper Challenge, with Gary Thorson taking the pot. It seems the challenge got a little tougher when we moved the kneeling and standing positions to 100 yards with an 8-inch gong. What's up guys? It should be easier when you make the target closer and bigger.

Gary Thorson - 3 hits  
Rod McDonald - 2 hits  
Ken Horton - 2 hits  
Gary Baldwin - 1 hit  
Gentry Taylor - 1 hit

Gentry Taylor posted the fastest time in the .22 Silhouette match with 1:20

## OLD WEST CENTERFIRES 2015's SEASON BEGINS

Start of the new Centerfire season saw half a dozen participants at the CCRP High Power Range. Course of fire was total 20 rounds, 10 each at 100 and 200 yard ranges. 100 yards used a 200 yard M.L bulls eye, 200 yards used 200 yard military bulls eye. In addition to the participants and the match director, scoring assistance was rendered by Dave Dolliver with Reliable Toney tending the coffee pot. Use of Will ULry's pickup was appreciated to transport equipment and target frames Participants, equipment and scores, in order are:

### Match Results:

Name	Rifle / Cartridge	100 yds	200 yds	Total
1 <sup>st</sup> Allen Cunniff	1875 C. Sharps Arms 45/70	98-4x	100- 4x	198-8x
2 <sup>nd</sup> Will Ulry	1874 Shiloh Sharps 45/70	94-2x	95	189-2x
3 <sup>rd</sup> Don Kerr	1874 C. Sharps Arms 45/90	96-3x	90	186-3x
4 <sup>th</sup> Mike Nesbitt	1874 C. Sharps Arms 50/70	92x	91x	183-2x
5 <sup>th</sup> Bob DeLisle	1875 Pedersoli sharps 45/70	92x	85	177x
6 <sup>th</sup> Jeff Ritter	1875 Shiloh Sharps 45/70	95x	0	95x

Jeff, as a first timer at one of our shoots, had not had the opportunity to get a sight setting for the 200 yard range. So despite his attempts to find a setting while shooting at the 200 yard gong, his efforts were for naught. His shooting, however, is rather good as his 100 yard target easily shows. Prizes, in the form of C. Sharps Arms merchandise, were provided by Mike Nesbitt. All participants who chose to select one had a memento to take home. The next OWCF shoot at CCRP will be on February 21, 2015, on the High Power Range again, and reminders will be sent. Bob Gietz 360-273-7862

### You meet the nicest people

I had some white space so thought I would share a short story with the Plinker community. My wife and I enjoy riding our Honda Gold Wing. We also enjoy the company of our two son-in-laws. They also enjoy motorcycles but have been sharing my 1981 vintage Yamaha. Well, we noticed an ad for a motorcycle in The Olympian this summer and arranged to see it that day. We met William at his home in Tumwater. The bike was in great condition and William entertained us with stories from his life. Somewhere in that sharing I learned that he was a member of CCRP! That was pretty cool-no wonder he was such a nice guy. We purchased his motorcycle that afternoon. William, if you are reading this know that the bike found a good home and those boys added over 2,000 miles in two months of good weather.

## "You will Shoot Your Eye Out BB Gun Tournament"

It is getting that time when we all dust off our Daisy Red Ryders and get ready for the shoot of the year. This is a one of a kind shoot with fun for all. This is a unique family experience. Once in a while we fail to give out the 6 and under prize BB Gun prize, so bring shorty. They can win too. It is also time to start gathering the needed help. We need RSO's, cooks, scorekeepers, prizes, BB Gun prizes. Your donations make this shoot fun for all. This year we are adding a new category. We are having a "Best Dressed Cowboy/Cowgirl" prize one for adults and one for 16 and under. So saddle up your Daisy, sight it in, find your Hat and Boots and join in. The shoot is 2:00 to 6:00 on the 14th of December. The day before on the 13th 9 to noon will be the work party setting up the range. Give me a call with your questions and donations . 360-701-8105 mcchess@aol.com

## Turkeys at Large (and small)

Saturday, November 1<sup>st</sup> wherever you looked on the Black Powder Range, you saw turkeys! That was the theme for our monthly Black Powder Muzzleloader shoot. It did take a bit of imagination to create feathers on the shotgun targets but as "pigeons," even of the clay variety, they too were birds, (sort of). Ten shooters were present, assisted by Reliable Tony's coffee to steady their aim and with scoring and range monitoring by Dave Dolliver. We had a first time shooter in the person of Jeff Ritter to join our group. The match was held on the range proper and followed our usual order of fire.

The luck match shooters for the day were Mike Nesbitt who was lucky enough to get the high card by virtue of his good tiebreaker. Jeff Ritter also had a king but the tiebreaker was in favor of Mike. Bob DeLisle nearly centered the Gopher head with a 10X to win the cash although Don Kerr claimed honorable mention for having opened his can without taking it off the support. Individual awards went to: Trade Gun, 1<sup>st</sup>- Mike Nesbitt, 2<sup>nd</sup>-Don Kerr, and 3<sup>rd</sup>-Tim Sampson. Rifle; 1<sup>st</sup>-Mike Nesbitt, 2<sup>nd</sup>-Don Kerr and 3<sup>rd</sup>-Roy Williams. Pistol; 1<sup>st</sup>-Don Kerr, 2<sup>nd</sup>-Steve Andrews and 3<sup>rd</sup>-Bob DeLisle. Aggregate blanket awards, a variety of turkey dinner items provided by the club, for combined rifle and pistol scores went to; 1<sup>st</sup>- Don Kerr, 2<sup>nd</sup>-Mike Nesbitt, 3<sup>rd</sup>-Bob DeLisle, 4<sup>th</sup>-Steve Andrews, 5<sup>th</sup>-Dewayne Pritchett, 6<sup>th</sup>-Tim Sampson, 7<sup>th</sup>-Roy Williams, 8<sup>th</sup>-Doug Simpson, 9<sup>th</sup>-Jeff Ritter and 10<sup>th</sup>-Ralph Birmingham.

Upcoming events: Next Monthly match at CCRP December 6<sup>th</sup> which will be the Christmas Brown Bag shoot with Aggregate prizes by the club.

Oops!!

I have been advertising the BB Gun Shoot for the 14th of December. The Plinker has it as the 7th. I do recall changing it. With the gracious permission of Jeff Young we are keeping it the 14th. So everything is a go for the work party the 13th at 2:00 and the shoot the 14th at 2:00.

Thanks

Will

(Editor's Note: sorry for the confusion.)

## Lost and Found

I found this at the High Power Range about 175 yards down range. It is a small tool about 2" long. It has a very small screw driver at one end and 2 prongs at the other. There are 2 different nut sized holes in it. It is in new condition. It probably is a tool that came with a gun in the box and is hard to replace. Give me a call 360-352-4224

## Bozo Reward

The club is offering a \$100 reward for knowledge of the member or members that are shooting up the ranges. Specifically, our new baffles of the Multi Purpose Range. Larry Balestra counted 52 holes in the baffles. If we can find these guys you can be \$100 richer.
