

The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

BB Gun Tournament

It's that time of the year to sight in that Daisey Red Ryder. The 13th of December club house will be full of kids and parents anticipating the first shot. This is a well attended event with hot dogs and "The Christmas Story" movie. This year again we will have a best Cowgirl and Cowboy contest as well as shooting prizes for everyone. Going along with this is the need for additional help. I like to have about 6 RSO's. Although it isn't a busy day for RSO's their assistance with the kids is a big help. We want a fun time and this help is important. We also serve hot dogs, show the movie, score targets, stat work and Saturday before the shoot Sunday we set up the range. These are all activities you can enjoy while getting assessment time, so help is needed. Give me a call or E Mail to let me know what you would like to help with. Thanks

Hunter Sight In

Our Hunters Sight In folks had some fun this year in more ways than one. Our September bunch weren't really bored but most of the shooting was theirs. At one time there were 4 AR 15's in the line. They had plenty of time to shoot a small completion. Our Saturday match was 5 targets. Ray Hansen won this match. The Sunday match was a 5 shot group of 1 ¼" shot by Cliff Reichel. Only 2 shooters showed this weekend. The October guys were a bit busier. They barely got the targets up and the parking lot was full. That Saturday at 4:30 not the planned 3:00 was the quitting time. Thirty eight shooters kept these guys for the weekend. A total of \$245 was put in club funds. I do not recall a bigger weekend for Hunters Sight In. I would like to thank the following for their help:

Ray Hansen	Bill Wiley	Mike Berman	Dennis Boos
Cliff Reichel	Paul Paluskas	Cloyd Lamberson	Steve Parkinson
Phil Jaramillo	Rich Montecucco	Paul Richardson	Ian Parkinson
Bill Pritchert	Hank Thietje

Current RSO list

Last month I printed a RSO List in the Plinker and gave everyone a chance to update their status. A small amount of Past RSO's did that. This now is my current and active list. I will and do add your name when I am updated. The RSO program the club enacted several years ago is a critical safety measure for the club. Having card carrying NRA RSO's is needed. When RSO's are requested this list is important. Members that have taken the class are not on my list. Only the ones that have sent a card to me are on the list. I/we need your participation. Thank You

When the tough go hunting the Free Trappers shoot the trail

October 2015 Monthly

A small contingent of the Free Trappers, only five of us, came to the range for our regular October Monthly Match. With some discussion, range privileges were extended to a visiting shooter from the centerfire venue. All of this was in the interest of taking advantage of the fine sunny morning to have a reasonable match. Such a fine sunny morning may have been a good meteorological description but for those of us attempting to locate our rifle sights and/or targets the description was definitely different. Our guest shooter, Sam Snelson, was included in the match because we felt that having to shoot his big 1874 Sharps .45-100 offhand was a sufficient handicap to make the completion fairly even. A short shooters meeting was held prior to the match and no Free Trappers Meeting was held in the absence of both the Rain-Dee-Voo Booshway and Segundo.

Course of fire was ten shots on the double-bull buffalo target at the 50 yard range followed by ten shots plus tie breaker on the Rendezvous trail. In essaying this combination, visitor Sam expressed some concern over unknown ranges making his precisely adjustable sights more of a hindrance than a help. That proved to be an unwarranted concern when the final results were determined. Interestingly raw rifle scores for the three top shooters were identical, 67's for the buffalo target. Aggregate results were determined for the combination of Target, range and primitive points allowance. Aggregate prizes were provided in brown bag fashion by the Free Trappers. Results in order were: 1st Don Kerr, 2nd Sam Snelson, 3rd Mike Nesbitt, 4th Ralph Birmingham and 5th Bob Gietz.

A word of reminder: the November match on Saturday, November 7th, will be the annual Free Trappers turkey shoot with all three arms (rifle, pistol and trade gun) in play. Match fee basic will be \$16.00 with optional additional novelty targets: turkey head, mystery card and Mulligan's squash for a possible additional chance for a scoring shot. Turkey-form prizes for all matches and the aggregate awards will be furnished by the Free Trappers.

Planning the 2016 Calendar

For everyone desiring to hold an event in 2016, it would be appreciated if you could have your event applications completed and turned in to the Safety Officer by November 15, 2015. This does include those events and matches that are held every year, year in and year out. This will help in getting the 2016 calendar completed in a timely manner so that it will be ready for publication in the Plinker in January 2016 and posted on our website.

The Event, Match, and Range Directors 2016 Calendar meeting is scheduled for November 20, 2015 from 1900 to 2100 hours in our Clubhouse. Any events or matches not scheduled by that meeting will have to be scheduled around anything already on the calendar.

This meeting is to insure I have everything entered correctly and there are no conflicts. So please be there and check the calendars carefully.

Thank you for your help on this.
