The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

BB Gun Tournament

It's that time of the year to sight in that Daisey Red Ryder. The 13th of December club house will be full of kids and parents anticipating the first shot. This is a well attended event with hot dogs and "The Christmas Story" movie. This year again we will have a best Cowgirl and Cowboy contest as well as shooting prizes for everyone. Going along with this is the need for additional help. I like to have about 6 RSO's. Although it isn't a busy day for RSO's their assistance with the kids is a big help. We want a fun time and this help is important. We also serve hot dogs, show the movie, score targets, stat work and Saturday before the shoot Sunday we set up the range. These are all activities you can enjoy while getting assessment time, so help is needed. Give me a call or E Mail to let me know what you would like to help with. Thanks

Indoor Rifle League

This coming winter, several smallbore shooters from CCR&P will again be participating in the Vermont Winter Postal League. This league is a .22 Long Rifle indoor rifle league, and we will be shooting on the 50 foot indoor range at the clubhouse. Each week, the scores are emailed in to the league director. Last year, we competed against 19 other teams, mostly from the east coast. The course of fire is 4 Positions, in 4 stages - prone, sitting, kneeling, and standing. Each stage is 10 rounds in 10 minutes, except for standing which is 10 rounds in 15 minutes. All shooting is done single load - load 1 round at a time. You can use any .22 LR rifle, open sights or scope - but it is easier with a bolt action rifle. The league will start in January and will run for approximately 12 weeks. You need 10 scores for the league, but we add in a couple of weeks for people who may miss a night or two. We will be registering the shooters in November. The league costs \$6.00, and you only need 40 rounds of .22 LR ammo for each week. That's Six Dollars for the whole 12 week league! If you are interested in joining us in the league, come out to the Indoor Range any Wednesday night at 7:00 PM and we'll show you what it's all about. We shoot on the Indoor Range every Wednesday night, so you have plenty of time to practice. The Range Safety Officers running the Wednesday night shooting are Jeff Young and Gary Thorson.

November ML Match Report

OR

The Turkeys that went to Dinner

The Puget Sound Free Trappers entertained a freezer full of turkeys at their Annual Turkey Shoot match at the CCRP Black Powder Range on Saturday, November 7th. & shooters braved the weather to participate which brings the thought to mind: If we'd held it a week later on the 14th, would we have had 14 shooters? Probably not, but there were sufficient turkeys and turkey related items on hand to have accommodated a double number of shooters. After range set up on the preceding day by Bob Gietz and Don Kerr, the woods were sure full of turkeys for the shooting even through the periodic rain storms which didn't make the targets too soggy but may have challenged some of the dedicated flint lock shooters and the Trade-Gunners. A couple of personal interest items; Newcomer Sam Snelson came back to try with his percussion plains rifle with a few operational glitches, but most remarkable were the mighty blasts of his .54 plains rifle. We don't think Goex has put on an extra shift yet, but Sam sure make the range echo. And Jeff Ritter staged a fine demonstration of hydraulic blast effect when he opened his still sealed soda pop can with a rifle ball instead of the pull tab. Good special effects demonstration but no turkey head for you today, Jeff.

Now for the match results; Luck targets: Mike Nesbitt made the best turkey head can shot and Roy Williams took the luck money for his high mystery card, a 10. Individual matches; Trade Gun 1st Mike Nesbitt, 2nd Don Kerr, and 3rd Ralph Birmingham. Pistol; 1st Don Kerr, 2nd Mike Nesbitt and 3rd Roy Williams, Rifle; 1st Don Kerr, 2nd Mike Nesbitt and 3rd Frank Ponceroff. These were all rewarded with a variety of table ready turkey protein items. The aggregate prizes given for the combined rifle and pistol scores were a variety of turkey and ham morsels possibly headed for the Thanksgiving dinner table. They went to; 1st Don Kerr, 2nd Mike Nesbitt, 3rd Frank Ponceroff, 4th Roy Williams, 5th Jeff Ritter, 6th Ralph Birmingham, and 7th Sam Snelson.

A brief Free Trappers meeting just touched on the need for more trail guides to sign up. No OTD discussion was held in the absence of the OTD booshway. Coming events: Next muzzle-loading match on the Black powder Range will be Saturday December 5th and it will be the annual brown Bag aggregate with prizes furnished by the club. Range set up will be the preceding day, Friday December 4th starting at 2:00 PM.

November OWCF Match Results

Our first match of our 2016 Centerfire season saw seven participants at the CCRP High Power Range. Weather was clear and cool and hot coffee was quite welcome. A newcomer Mike Moran, joined the regulars while using Mike Nesbitt's .44/77 Sharps rifle. Course of fire was total 20 rounds, 10 rounds each for ranges at 100 and 200 yards. Our 100 yard range used the 200 yard Muzzle loading rifle target and for 200 yards we used the military modified 200 yard target. These are the same targets which have been used previously on for this match. Dave Doliver scored targets and assisted in posting scores. Bob DeLisle used his truck to assist in hauling target stands to the 100 yard range. Participants, equipment and scores, in order are:

<u>Name</u>	<u>Rifle & Cartridge</u>	<u>100 yards</u>	<u>200 yards</u>	<u>Total score</u>
1st Allen Cunniff	1874 C Sharps Arms .45/70	100 3X	93 2X	193 5X
2nd Jim Dickerman	1874 Shiloh Sharps .45/70	85 3X	97	182 3X
3rd Jeff Ritter	1874 Shiloh Sharps .45/70	95 3X	82	177 3X
4th Mike Nesbitt	Remington Rolling Block .44/77	93 2X	75 X	168 3X
5th Mike Moran	1874 C Sharps Arms .44/77	92 2X	75	167 2X
6th Bob DeLisle	1874 Pedersoli Sharps .45/70	95 X	71	166 X
7th Don Kerr	1874 C Sharps Arms .45/90	81 X	79 X	160 2X

This match used the format of Spotters assisting shooters if desired. About half of our shooters used this option and it was noted that progress seemed about normal and no detriment or added time for relays occurred. Prizes, in the form of C. Sharps Arms merchandise brought by Mike Nesbitt plus additional meat prizes from the club provided all shooters with a prize. Our next OWCF match at CCRP will be on February 20th 2016, down on the Black Powder range again with targets at 50 and 100 yards, and reminders will be sent. Targets for that coming match will be the double bull buffalo at 50 yards and the standard 100 yard ML Bull at 100 yards.

Current RSO list

Last month I printed an updated RSO List in the Plinker. If you wish to add your name, let me know. The RSO program the club enacted several years ago is a critical safety measure for the club. Having card carrying NRA RSO's is needed. When RSO's are requested this list is important. Members that have taken the class are not on my list. Only the ones that have sent a card to me are on the list. I/we need your participation. Thank You

LOST RANGE BAG

Today I was shooting at the pistol range and the two guys next to me accidentally took my range bag. They left at around 11:15 today (Sunday Oct 25). One guy was named Jay and he had been a member, he also was a sponsored shooter and he worked at Olympic Arms. I do not know his friends name but he was an African American gentleman that looked to be a current member. I am 100% sure that they took the bag by mistake but I would like to get it back. It had two CZ hard pistol cases with magazines inside and one soft Glock case with mags inside. I can be reached at 360-701-2747.

Thank you for your help.
