Indoor .22 cal Winter Pistol League Starts in January

Hey Pistol Shooters,

On Monday January 4, 2016 the .22 cal Winter Indoor Bullseye Pistol League will start. The shooting is from 50 feet, one handed with a semi-auto or revolver in .22 cal. LR with open sights or optics, no lasers. The League is on Monday nights and runs eleven weeks with shooters submitting 10 scores to complete the league. Each score consists of firing 60 shots. Twenty shots each in slow fire, timed fire and rapid fire. There are relays at 6:30 and 7:30 p.m. Shooters can submit one or two scores each night.

Shooters can also pay the fee and shoot for fun, one or two handed.

The Winter league cost is \$45. Come on out and give it a try. If you have any question contact: Harvey Gertson, phone number 360-352-7669 or email at rabbit65@comcast.net

Beginner / Intermediate Pistol Match December

First of all, many thanks to Frank Bennett and all of the setup crew for setting up the match on the 11th as I was cooking for a company Christmas Party. Setup was cold and wet and promised to be all of that the following day for the match. The weatherman didn't let us down on the 12th as it was 44 degrees and raining. Santa didn't care as he brought his big red bag of gifts (if you shot well enough to get one). Even Santa was cold while he was waiting for the match to finish so he could give out the gifts. We had 14 brave souls that came out to brave the weather and the course of fire, which was all steel.

First on the list of things to do after the Safety Meeting was to pick the teams for the 4x4 shoot. Bennett Logging, Trusty Logging, and Lohman Logging all were able to get a crew together to see who was going to have bragging rights for the end of the year.

For those that of you that don't know what this is about, we stood three 4x4 posts in stands far enough apart that we could put three 4 person teams side by side at a 25 foot firing line. If you were shooting a semi-auto you could put the largest capacity magazine you could get in the gun and have as many backups as needed. Revolver shooters needed to be fast reloaders.

We started loaded and holstered in the surrender position. When the command fire was given, shooters drew, commenced firing, and continued to fire until one team cut their post off and it hit the ground.

Bennett Logging definitely had their saws sharp as they made short work of the task while Trusty Logging was so close that 1 more shot would have dropped their post.

I think Lohman Logging had their chains on backwards because it seemed like all they did was polish the wood. It was great fun as it always is and even more fun when you win as Bennett Logging members each took home a pumpkin pie. The regular match was 50 shots in 5 stages of 10 shots each. There were some ties but no shoot offs because of the weather and we all wanted to go home.

Single Action finished as follows:

Frank Bennett	47
Larry Lufkin	43
Gary Baldwin	38
Theresa Clifton	38
Damian Longmire	38

Beginners as follows:

Tim Weston	40
Theresa Clifton	34

Intermediate as follows:

Burt Miller	36
Larry Cohn	25

Advanced as follows:

Frank Bennett	47
Larry Lufkin	47
Gary Baldwin	46
Dave Chalfant	43

After Santa emptied his bag of gifts we all said goodbye to each other and this year as the next match will start 2016.

2015 was a year of many surprises. My wife passed away suddenly the 4th of January and my health went in the toilet in February. Frank Bennett and Dick Smith stepped up to take over the match for me for the following 5 months. My one day range cleanup project turned into a month and I really have to thank all of the folks that stuck by me to help cleanup the mess we left after the first day. Great job guys the range has not looked this good for 10 years.

We met some wonderful new members this year (that were not pistol shooters) that came out for our range cleanup and worked hard all day.

I have to apologize for not doing the Plinker articles this year as I had a lot on my plate for much of the year however I'm back on board and again running the matches (with everyone's help of course). To each and every one of you I pray that God Blesses you and each member of your family this Christmas Season.

December ML Match Report

Or

The Monsoon That Wasn't

The Puget Sound Free Trappers prepared for a full-fledged rain deluge for their December Match at the Black Powder Range on Saturday, [December 5th](#). An eager group of shooters including; Mike Nesbitt, Don Kerr, Scott Isom and Frank Ponceroff had collaborated on the previous day to make everything in ready and avoided setting up targets in the predicted heavy rain. Match day was chilly on the trigger-finger bones with scattered showers and some brisk breezes, enough to make the eventual pot of hot coffee most welcome. Thanks to Dave Dolliver for scoring and posting assistance. Special acknowledge goes to visitors Jeff Ritter, Tim Sampson, and Dave Perry.

Now for the match results. Luck targets: Don Kerr made the best turkey head over the soda pop can shot and Rowland Zoller made the best deer kill as determined by his match tie-breaker. Individual matches, Trade Gun; 1st Adam Sampson, 2nd Mike Nesbitt, and 3rd Don Kerr. Pistol; 1st Don Kerr, 2nd Mike Nesbitt and 3rd Adam Sampson. Rifle; 1st Adam Sampson, 2nd Don Kerr, and 3rd Steve Andrews. These were all rewarded with a variety of holiday treat and high calorie protein items. The aggregate prizes given for the combined rifle and pistol scores were mystery brown-bag items provided by the Free Trappers. They went to; 1st Adam Sampson, 2nd Don Kerr, 3rd Steve Andrews, 4th Bob DeLisle, 5th Frank Ponceroff, 6th Mike Nesbitt, 7th Rowland Zoller, 8th Dewayne Pritchett, 9th Will Ulry, 10th Ralph Birmingham, and 11th Roy Williams.

A brief Free Trappers meeting just touched on the need for more trail guides to sign up and that raffle tickets are available. OTD Booshway was present but had no details to discuss. Coming events: [next Sunday, December 13th](#) Evergreen ML Shoot in the AM followed by "Shoot Your Eye Out" BB gun event at 2PM here at CCRP. Next Muzzle-loader event there at CCRP on Saturday, [January 2nd](#) with range set up the preceding day at 2 PM.

Current RSO list

Last month I updated RSO List in the Plinker. If you wish to add your name, let me know. The RSO program the club enacted several years ago is a critical safety measure for the club. Having card carrying NRA RSO's is needed. When RSO's are requested this list is important. Members that have taken the class are not on my list. Only the ones that have sent a card to me are on the list. If we need your participation. Thank You
