

The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

You'll Shoot Your Eye Out 2015

A grand time was had by all. A record 45 shooters manned their copper plated BB throwing machines. All categories were represented. Phil Jaramillo used his culinary expertise in the kitchen with Bob Jamison and Barb Rheault. The archery guys had their Christmas party this year during our shoot but all worked well. Phil warned me he liked hot dogs so maybe some of the 80 dogs warmed his belly. Hot Chocolate flowed also. Rowland Zoller after his normal BB gun inspection duty manned the movie "The Christmas Story". Rowland got a good buy on Daisy Red Ryders. Many of next year's are bought. Thanks Rowland. Cloyd Lamberson did the RSO duties Shirley Rheault assisted. We were short on RSO's this year. Two more would have been nice. John Crossman seemed to enjoy himself. He displayed some of the Air Guns he used to tackle some of his National Championships. He even had 4 or so young men try their hand with the sophisticated tools of the trade. They were impressed. Ray Simonson had a table full of goodies for sale. He was one of our good donators. He purchased one of the 6 guns we gave away as well as some fine cutlery he makes. His wife added some of her jewelry to the prize blanket also. Jerry Rheault and Tim Bartley scored targets. This was another shorthanded job. Three usually do the scoring. There are 22 ways to win. They kept track of it all. It was good to see Jerry. At the end of the shoot I asked the boys if they were shooting. The tables had already been removed. Tim responded by shooting an impressive 100- 9x. Of course he won. It was some real spontaneous shooting. John Wicklund did our stat work assisted by Bob Backman. Santa was on hand to see the kids. Santa should get paid by the photo. I even caught up with the grand kids at Santa's chair for a photo. I didn't break the camera either. Leg Lamps and BB guns went to all the winners. Other donators were Harvey Gertson, Ray Hansen, Scott Isom and N.W. Hydro Print -Scott and Tammy Melton for putting cameo on two Red Ryders. One was pink cameo. I always get concerned about a young man having to take a pink gun. This year we had 2 girl winners and the first one did not want pink but #2 did. It just worked out. A special thanks goes to Michelle Thomas. She came in with large tray of Leg Lamp cookies. They tasted good and were very well done. Michelle mentioned she actually found a cookie cutter for Leg Lamp cookies. Thanks Michelle. We gave out 15 candy bars for the best Fly, Bowling Pin and Balloon and candy bars for every Tic Tac Toe made. The aggregate winners and Leg lamps and Red Ryder BB Guns are as follows:

January ML Match Report

Or
A Baker's dozen for the New Year

The Puget Sound Free Trappers gathered in a lucky 13 group for the January Match at the Black Powder Range on Saturday, January 2nd. A diligent group of shooters: Mike Nesbitt, Don Kerr, Scott Isom, Roy Williams and Frank Ponceroff had collected the previous day to make all targets in ready and to avoid early morning frost and dim light. Match day was very chilly on the finger bones with reported lows in the teens which made the eventual pot of coffee most welcome together with a well stoked warm stove. Thanks to Reliable Tony and Segundo Roy for their efforts. Tony and Dave Perry also lent a hand for scoring and posting. Kim Hatfield was a guest, accompanying Andy McCoy. Andy was joined by Lew Gaiser in trying out their trigger fingers and shooting eye for a trial with Trade Guns.

Now for the match results. Luck targets: newcomer Andy McCoy made his presence known by winning both the mystery card (with a King) and Mike Fink cup (with a near perfect 10x shot). Individual matches: Trade Gun; 1st. Adam Sampson, 2nd. Bob DeLisle, and 3rd Mike Nesbitt, Pistol; 1st Adam Sampson, 2nd Mike Nesbitt, and 3rd Bob DeLisle, Rifle; 1st Adam Sampson, 2nd Mike Nesbitt, and 3rd Andy McCoy. These were all rewarded with a variety of holiday treats. The aggregate prizes given for the combined rifle and pistol scores were donation items from the participants. They went to; 1st. Adam Sampson, 2nd Mike Nesbitt, 3rd Bob DeLisle, 4th Don Kerr, 5th Frank Ponceroff, 6th Dwayne Pritchett, 7th Tim Sampson, 8th Andy McCoy, 9th Roy Williams, 10th Ralph Birmingham, 11th Dave Perry, and 12th Scott Isom.

Brief Free Trappers meeting just touched on the need for more trail guides to sign up. Also, the range and trail work day is set for January 30th. The OTD Booshway was present and we had no details to discuss. Don and Mike also announced that the Spring Thaw Rendezvous at Evergreen has been staffed and will happen third weekend of March. Coming events: next Sunday January 10th Evergreen ML shoot, the next muzzle-loader event here at CCRP is on Saturday, February 6th with range set up the preceding day at 2 PM.

Washington: 2016 Legislative Session Convenes With Misguided Anti-Gun Leg- islation Introduced

On Monday, January 11, the Washington state Legislature began its 2016 legislative session. The 2016 session commences with legislation carried over from 2015 as well as newly introduced anti-gun legislation aimed at attacking your Second Amendment rights!

Here are the most pressing issues as the 2016 session opens:

House Bill 2354, sponsored by state Representative Jim Moeller (D), would ban the possession, purchase, sale, transfer and manufacture of many semi-automatic rifles, pistols and shotguns, defined as “assault weapons” based solely on their cosmetic features. The bill would also prohibit arbitrarily-defined “large capacity” ammunition magazines. This misguided piece of legislation would only affect law-abiding gun owners in Washington by criminalizing individuals for simply exercising their constitutional right to Keep and Bear Arms.

House Bill 1857, carry over legislation sponsored by state Representative Laurie Jinkins, would allow a family, “household member” or police officer to petition a court to take away a person’s firearms without consideration of due process.

Another bill from 2015, House Bill 1747, sponsored by Representative Ruth Kagi, would create criminal penalties for “child endangerment due to unsafe storage of a firearm” if a “child” (defined as up to age 17) causes personal injury or death with a firearm.

Please call the legislative hotline at (800) 562-6000 and urge your legislators to oppose these bills! Also, call Representative Moeller’s Olympia office at (360) 786-7872 and tell him that banning your lawfully owned semiautomatic firearms will have NO impact on criminal activity as proven by the failed Clinton Gun Ban of 1994! On Thursday, January 21, the anticipated date for gun control hearings, be prepared to attend and make your voices heard!

It’s vital that gun owners and sportsmen across the Evergreen State stay actively involved to avert anti-gun legislation from moving through the legislature this year.

Your NRA will keep you updated on the status of important legislation in addition to providing a simple and convenient way to contact elected officials. To help assure success in 2016, please continue to check www.NRAILA.org and your email inbox for alerts on the latest action items.

Security Update

Around the beginning of January, the club's security system PC gave up the electronic ghost and couldn't be revived. This meant we lost access both to the entire member card database and operation of the gate and clubhouse door card readers.

After a week of collaborative kludging and cooperative problem solving, here's the resolution:

--The security computer has been replaced.

--The security software and member card database were migrated to it from backup copies.

--The restored security system was tested over a period of days and appears to be operating normally.

--Contacts were made to ensure that those running events could have access (such as the high school teams' coaches).

My apologies to anyone who was inconvenienced during the 48-hour window when the gate was acting erratically.

I'm glad to report once again that things are back to normal, and all is well. But as always, please report any issues you experience to me as soon as they come up, take notes on what you're experiencing, and be patient if I ask you a bunch of diagnostic questions. I will respond as quickly as I can within my volunteer commitment to our club.

Here's to a secure and functional New Year.
