Scouts out to the "Beaver Streams:" Spring Hunt 2016

The Boy Scouts and their leaders at the 2016 Spring Hunt (Puget Sound Free Trappers' doin's) certainly had their share of April's best weather. No rainy skies for this event. Held on Saturday, April 9th, at the Capital City Rifle and Pistol Club, near Littlerock, WA treated this doin's with local weather at its assorted best, even had a few sun-breaks thrown in. The 30 Boy Scouts from Troops 141, 300, 319, 419, & 9093 of the Timberline District, Pacific Harbors Council of BSA were not only ready and prepared to participate for the event but one troop came a day early and camped overnight to be 'rarin' to go' at the day's start on Saturday morning. Spring Hunts during the Rocky Mountain Fur Trade saw the return of the mountain men to the beaver streams early in the year to harvest the heavier prime pelts to be taken to the summer rendezvous. There were no beaver to be trapped at this doin's but the Boy Scouts did have the chance to compete in some of the traditional trappers' skills. The Puget Sound Free Trappers combined with the Capitol City Bowmen hosted the competition of the skills involved with Archery, Tomahawk Throwing and Muzzle-Loading Rifle shooting. Attendance at Spring Hunt 2016 was comprised of four scouts from Troop 141, 17 scouts from Troop 300, two boys from Troop 319, four from Troop 419 and two scouts from Troop 9093.

Three groups of boys were organized to stage thru the separate events; The Washington State Muzzleloaders Association provided medals for the top three in each category as well as a grant for shooting components and prizes and cast round balls for the shooting were donated by "Loco Jeff" Ritter.

Event winners were:

Aggregate 1st Daniel Hoel - T 300, 2nd Drew Aldrich - T 419, and 3rd Bryan Bach - T 300.

Archery: 1st Ben Corwin - T 300, 2nd Daniel Hoel - T 300, and 3rd Drew Aldrich - T 419

Tomahawk Throwing: 1st Bryan Bach - T 300, 2nd Daniel Hoel - T 300, and 3rd Giovanni Mino - T 141.

Rifle: 1st Daniel Hoel - T 300, 2nd Drew Aldrich - T 419, and 3rd Gabriel Lewis - T 300.

WSMA Pilgrim awards for first time shooters at a Black Powder event went to fourteen of the Boy Scouts. Each shooting group also received individual prizes for selection by each of the competitors

Support and conduct of the event would not have been possible without the work of the Puget Sound Free Trappers and Capitol City Bowmen. Early birds on Friday afternoon: Tom Witt, BO Brown, Clarence Atchison, Frank Ponceroff, and Scott Isom ensured that targets and facilities were ready in ship shape.

Key people responsible for the activities were Tom Witt, Black Powder Range Director for CCRP who coordinated Scout signup and scheduling and served as Range Master, Tim Sampson, in charge of the Tomahawk Throw and Bob Jamison headed up the Archery instruction and competition, assisted by Sherrie Crisp, Barbara Rheault, and Mike Nesbitt. Archery equipment came from the Washington State Archery Association National "Archery in Schools" program. Don Kerr, in full traditional attire, demonstrated flintlock rifle shooting for each shooting relay. Additional workers assisting for Tomahawk; Scott Isom, and Adam Sampson. The Free Trappers brigade manning the rifle range was, Loaders; John Vladeff, Don Freelove, Nelson Freelove, Frank Ponceroff, Roy Williams, Clarence Atchison, and BO Brown, and Line Coaches; Derek Sotelo, Rowland Zoller, Tom Brown, Jeff Ritter, Ralph Birmingham Tony Woore and Kent Dunn. Rifles for the shooting competition were provided as the personal equipment of the Free Trappers.

The staff of Free Trappers and the Bowmen deserve a tremendous thank you for the generosity of their time required to put on this day-long event. Also, the WSMA receives our thank you for the medals and the youth grant which provided prizes and awards. We look forward to putting this Spring Hunt on again next year.

April 2016 Old West Centerfires

This was our third match for the 2016 Centerfire season and we had seven participants on the firing line at the CCRP High Power Range. Weather was very spring-like, warm, and the range-master's hot coffee was quite welcome. Our course of fire included a total of 20 rounds, 10 shots each at 100 and 200 yard ranges. The 100 yard target was the standard 100-yard Muzzle-loading rifle target and at 200 yards we used a modified military 200 yard bullseye. These are the same targets we have used previously for these black powder centerfire matches. Dave Dolliver scored and assisted in posting scores and also spotted for Mike Nesbitt while the range was hot. Don Kerr used his truck to haul and post targets on the 100 yard line. Participants, equipment and scores, in order are:

Jim Dickerman 2x	189 6x	1874 Shiloh Sharps .45/70	94 4x	95
Bob DeLisle 2x	184 4x*	1874 Pedersoli Sharps .45/70	89 2x	95
Mike Nesbitt x	184 4x*	1874 C Sharps Arms .44/90	89 3x	95
Allen Cunniff 2x	181 3x	1874 C Sharps Arms .45/70	87 x	94
Sam Snelson 2x	179 3x	1874 C Sharps Arms 45/100	87 x	92
Jeff Ritter 45/70		1874 Shiloh Sharps 90 87 177		
Don Kerr 2x	159 2x	1874 C Sharps Arms Hartford .45/90	80	79

*Note the tie was broken by the better score (more x's) at the longer range

This match used the format of having Spotters assist the shooters if desired. About half of the shooters used this option and it was noted that progress seemed about normal with no detriment in added time occurring. Prizes, in the form of C. Sharps Arms donated merchandise was provided through Mike Nesbitt plus additional meat prizes from the club allowed all shooters to receive a prize. Next OWCF at CCRP will be on June 4th 2016, back on the Black Powder range again and reminders will be sent. Targets for the next match will be the double bullseye buffalo at 50 yards and the 100 yard ML bullseye at 100 yards.

Lost and Found

I just got a call from a gentleman who found a rifle in the middle of the road not far from the range. It may have fallen off of your vehicle. This is a Henry .22 cal. The gentleman who found it thinks he remembers seeing the owner at the range with the rifle. If you think this is yours, please contact Pat McAferey, 360-789-1494 and be able to positively identify the firearm, preferably with the firearm's serial number.

Volunteers Needed

The CCRP Maintenance Manager, Terry McManus, needs volunteers.

One on-going project is mowing grass. Between now and about mid-July, mowing needs to be done weekly. After about mid-July, mowing needs to be done every other week.

Also, from time to time, Terry needs “handy-man” type of help. Terry would like to know if you can do things like carpentry, painting, electrical, etc. He’d like to make a list of club members that he could call now and then when these type of projects arise.

Please phone Terry at 360 352-0196 if you can volunteer.

Match Directors, Board members, and those in charge of each range are invited to list in the Plinker their upcoming volunteer needs by calling John Wicklund, 360-438-5971. He will compile and update the list each month.
