## May 2016 Muzzle Loading Match Report Sunshine and Shadows

Another fine day on the Black Powder range, where the grass was freshly mowed. After shooting the ten shots on paper targets we moved to the "Rain-de-vo" trail and found out what a wild horticultural spring we've had. Some ferns over 75 inches tall. We used Frank Ponceroff for a measure and he's 6'-3" but couldn't be seen. Ten Free Trappers arrived early that day to enjoy an otherwise salutary shooting match if you don't count bright sunlight on the sights. This match was for rifles only with one paper target (the 50 yard double bull) for ten shots offhand at 50 yards and then we used the first ten rifle targets on the trail walk plus the trail walk tie-breaker. Just for the fun of it, several trappers posted their paper targets reversed and shot at the apparent location of the bullees revealed by the sun coming thru the paper. After a brief shooters' meeting the paper target was shot at. A break was then taken for scoring those paper targets with assistance from Dave DOLLIVER and then the group divided into two parties to shoot on the trail with suitable safety closure of the range proper. The trail was unexpectedly difficult even after the respective targets were located in the new spring foliage and residual target impacts making target visibility questionable. Persistence saved the day and the match moved to conclusion with lots of comments about target detection and sighting issues.

Returning to the black powder range and accumulating the scores determined the day's scores for the prizes which were provided by the club. Aggregate placings were; 1<sup>st</sup> Bob DeLisle, 2<sup>nd</sup> Don Kerr, 3<sup>rd</sup> Adam Sampson, 4<sup>th</sup> Frank Ponceroff, 5<sup>th</sup> Dave Perry, 6<sup>th</sup> DeWayne Pritchett, 7<sup>th</sup> Bob Gietz, 8<sup>th</sup> Tim Sampson, 9<sup>th</sup> Ralph Birmingham and 10<sup>th</sup> Clarence Atchison. This was the concluding Muzzle Loader match until after the summer's rendezvous season, when matches will resume on October 1st. June's activities will be Old West Centerfires on June 4th held on the Black Powder Range. In July we have the Oregon Trail Days in Tenino, July 22nd thru 24<sup>th</sup> with Black Powder shooting in the city park on July 23rd & 24<sup>th</sup>. Work day for Trail Clearing and repair is scheduled for the third Saturday in September, September 17th.

## Volunteers Needed

The CCRP Maintenance Manager, Terry McManus, needs volunteers.

One on-going project is mowing grass. Between now and about mid-July, mowing needs to be done weekly. After about mid-July, mowing needs to be done every other week.

Also, from time to time, Terry needs “handy-man” type of help. Terry would like to know if you can do things like carpentry, painting, electrical, etc. He’d like to make a list of club members that he could call now and then when these type of projects arise.

Please phone Terry at 360 352-0196 if you can volunteer.

Match Directors, Board members, and those in charge of each range are invited to list in the Plinker their upcoming volunteer needs by calling John Wicklund, 360-438-5971. He will compile and update the list each month.
