The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

Greetings CCRP Members!

At the Annual General Membership Meeting of the Board of Directors on 02 December 2016, the membership present unanimously voted to approve the updated Club By-Laws (rev Dec 2016) which was last updated and accepted in 2004, to reflect mostly minor changes and wording. Two items of note are in Article III, raising the age limit for full club membership to 21 to comply with Washington State law, and the addition of a new article, now Article XI, setting up provisions for an Incident Investigation Committee.

The By-Laws have been signed and are in effect.

The Club Standing Rules have been up dated as well (rev Dec 2016). These only require Board approval, were also voted on and unanimously approved at the 02 December meeting.

As these documents govern the running of the Club, it is highly recommended that you read and understand them, and your rights and responsibility as a member of CCR&P.

Both documents and all Club forms and applications can be found at this link:

Thank you.

Match Director's – Reminder

Please check to see if other matches may be taking place the same day as yours. On December 10, 2016 there was a Indoor Air Rifle Field Target Match. When I arrived at 9:15 a.m. the Main Gate was locked open. I figured another Match Director locked it open. My understanding has been, when the Main Gate is locked open by a Match Director that Director unlocks the Gate when leaving after their match. Unfortunately a non member participant arrived at 10:00 a.m. and found the Gate closed and had to return back home to Bellevue, WA. The Air Rifle Field Target Match started at 11:00 a.m. Please don't close the Main Gate until way after other matches have started to ensure participants can attend.

November 2016 Muzzle Loading Match Report A Turkey Rich Environment

By Bob Gietz

Anywhere and everywhere you looked, down range, on the line, or at the prize table, turkeys abounded! This was the Puget Sound Free Trappers' annual turkey shoot for all comers although the weather might have seemed, at some points, more suitable for ducks or other web-footed creatures. Hot coffee was on hand to mitigate the climate which, though wet, was reasonable. There were some breaks in the downpour which, aptly timed, allowed posting of targets. Flyer targets for trade gun were our last event and, at the end, awarding of prizes plus the cleanup of the range. Ten Free Trappers arrived to enjoy an otherwise salutary shooting day. This match saw shooting with all three typical muzzleloading arms; rifle, pistol & trade gun, and provided challenging turkey styled targets to test the shooters' skills. After a brief shooters' meeting, which noted the absence of Booshways for Rain-dee voo and Tenino, we quickly discussed the new event intended for August when we will co-host with the Seven Rivers crew. Good shooting proceeded with target scoring assistance from Dave Dolliver.

The one luck target for the day, a stylized dart board was won by Mike Nesbitt with a score of 67 points for one shot! Individual skills rewarded with turkey flavored prizes went to: Trade Gun; 1st-Will Ulry, 2nd-Bob DeLisle and 3rd-Mike Nesbitt, then Pistol; 1st-Mike Nesbitt, 2nd-Will Ulry, and 3rd-Clarence Atchison, (Tied pistol scores for 1st & 2nd were decided by the tie-breaker), and Rifle; 1st-Bob DeLisle, 2nd-Clarence Atchison, and 3rd-Kent Dunn. Aggregate placings, rewarded by choice of turkey or ham, were; 1st-Bob DeLisle, 2nd-Clarence Atchison, 3rd-Mike Nesbitt, **4th-Will Ulry, 5th-Kent Dunn, 6th-Dewayne Pritchett**, 7th-Jerry Mayo, 8th-"Blue Jacket" Jeff Ritter, 9th-Ralph Birmingham and 10th-Dave Perry. Placings shown bold with underline were revised after checking scores for the report.

Our next OWCF match will be held on Saturday, November 19th, up on the High Power Range. Our next muzzle-loading match will be the Mystery Brown Bag shoot on Saturday December 3rd, 2016.

December 2016 Muzzle Loading Match Report Soggy Paper Pulp, Anyone?

By Bob Gietz

The shooters were mostly dry while under cover but the exposed targets absorbed enough showery rain to make scoring a very interesting task. Thanks to careful handling and cooperation that task did get completed. This was the finish of preparations which started on Friday afternoon with assistance from Frank Ponceroff and Clarence Atchison. Today's was the Puget Sound Free Trappers' annual mystery brown bag shoot. The weather was bearable with the cover provided and ample supply of hot coffee with cookies donated by Clarence Atchison. (Thanks Clarence!) There were some breaks in the downpour which, appropriately timed, allowed posting of targets. Flying clays for the trade gun match concluded our last event and, at the end, awarding of prizes plus the cleanup of the range. Eleven Free Trappers arrived to enjoy an otherwise salutary shooting day. This match saw shooting with all three typical muzzle loading arms; rifles, pistols, and trade guns, along with challenging targets to test the shooters' skills. After a brief shooters' meeting, Booshway Roy Williams was on hand to recruit more assistance for trail guides for Rain-Dee-Voo. Segundo Will Ulry had no new details about Tenino to offer but he did briefly describe the August event being hosted jointly with the Seven Rivers Mountain Men. Good shooting proceeded with target scoring assistance from Dave Dolliver.

The luck targets for the day: the single mystery card was won by Dave Perry and the gopher head was won by Roy Williams. The gopher-on-a-can target provided the usual comic relief when a couple of low shots sent cans and contents flying. Individual skills rewarded with went to: Trade Gun; 1st-Will Ulry, 2nd - Mike Nesbitt, and 3rd-Frank Ponceroff, the tiebreaker came into play for the top two trade gunners. Then Pistol; 1st-Mike Nesbitt, 2nd-Bob DeLisle and 3rd-Frank Ponceroff. And Rifle; 1st-Bob DeLisle, 2nd- Roy Williams, 3rd- Tim Sampson. The individual skill awards were virtual in nature since the Match director regrettably forgot the meat prizes in the refrigerator. Aggregate placings, rewarded by selection of mystery brown bags, were; 1st-Bob DeLisle, 2nd-Mike Nesbitt, 3rd-Roy Williams, 4th - Clarence Atchison, 5th-Tim Sampson, 6th- Doug Simpson, 7th Frank Ponceroff, 8th-Jerry Mayo, 9th-Ralph Birmingham, 10th-Dave Perry, and 11th-Will Ulry.

Immediate future activity is the Evergreen Muzzleloaders' match next Saturday, December 10th starting at 0930, for rifles and pistols, with blanket prizes needed to participate in the aggregate blanket. Our next muzzle-loading match will be on Saturday, January 7, 2017.

Old West Centerfires

By Bob Gietz

To put an already over worked play on words at the beginning of this shoot report, our Old West Centerfires season for 2017 got started with a real bang, or a very complete series of bangs. We had nine shooters turn out for this first-of-the-season event. Plus, we had two new shooters, at least new to our black powder cartridge matches. One of those new shooters did not compete but he did spot while one of our competitors was shooting for score. Both of those new shooters said they'll be back for more. In addition to the two new shooters, we also enjoyed the return of Mike Moran who hasn't shot with us for a whole year. Additionally, the weather treated us rather kindly by not letting the rain that was in the forecast begin pouring on us, at least until after the shooting was done.

The two new guys brought rifles that deserve to be commented on. Wayne Miller brought an original Winchester Highwall in .38/55, complete with an interesting story. That rifle had been his father's but Dad sold the gun several years ago. It was after Wayne's father had passed on that Wayne located the rifle again and made sure it came home to his own gun rack. This .38/55 Highwall has some special order features such as the light and long #2 barrel and the double set triggers. Wayne didn't shoot in our match because his gorgeous .38/55 was not sighted in. Maybe next time.

The other new shooter, Clarence Atchison, also brought a .38/55. His rifle, however, was an H&R "1871" model, the break-open style built on a single shot shotgun frame. We don't encourage this type of rifle mainly because it is lacking in historical background. Also, Clarence didn't know if his ammunition was loaded with black powder or not. Our policy is to allow the use of smokeless powder loads for a new shooter in their first match with us. We certainly want to draw new shooters into our little corner of the shooting sports and not turn them away. Next time Clarence should have some black powder loads. He was asked what he thought of our black powder cartridge matches and he said he was highly impressed so we should see him coming back. He also took a C. Sharps Arms catalog with him so many the bug has really bitten.

Our top shooter was Allen Cunniff using his C. Sharps Arms sporting rifle in .45/70. He finished with a score only 10 down from a perfect 200 for his 20 shots. Right behind him was Mike Nesbitt shooting his favorite, a heavy .44/90 Sharps with a score of 183-2X. And in third place was Don Kerr shooting his C. Sharps Arms '74 Hartford target model in .45/90. C. Sharps Arms rifles took the top three places this time.

Clarence Atchison place fourth with his .38/55.

In fifth place was Jim Dickerman with his Shiloh .45/70 and we usually see him finish with a much better score. As you can see in the results, for some reason the 100 yard target got the best of Jim but his 200 yard target was in good shape. Also, Jim was sporting a very nice new hat which can be seen in the group picture.

Coming in at sixth place was dandy Jeff Ritter, dressed in his 19th century suit, complete with a derby. Jeff shot his rolling block in .45/90, a do it yourself rifle using a Remington action. Bob DeLisle was right behind Jeff taking seventh place with his Pedersoli .45/70. Bob might have helped Jeff just a bit by missing his long range target one time.

In eighth place came Mike Moran shooting a heavy C. Sharps Arms '74 in .50/70 caliber. Mike shot with us just once last year and he admits to needing more practice. Let's hope he gets that practice because we'd like to see him shooting more. And we always need one shooter to finish at the bottom of the list and this time it was Jerry Mayo. Jerry is using paper patched bullets in his C. Sharps .45/70 and he also needs to get just a bit more used to shooting over X-sticks. But that will come, probably very soon.

We had a very good first match of our 2017 season and if this is any indication, we'll have a very good year with our Old West Centerfires matches. The next OWC match, to be shot at 50 & 100 yards, will be in February.

MEMBERSHIP DUES RATES
Dues and Renewal policies

Members will receive a statement 45 days before their membership expires. (Your renewal month is found on your mailing label.) The dues renewal date is the last day of the month in which members' "annual date" falls. Members' gate card will automatically "lock out" on their renewal date if they have not renewed, and their membership will be considered "inactive" for 30-days, during which time they may still pay their dues. After 30-days on "inactive" status the membership will be terminated. Should they wish to rejoin CCR&P past the 30-days "inactive" status, they must reapply as a new member and attend the Orientation class. **Membership fees (taxes are additional)**, collected at the time of the orientation classes are:

Annual dues **\$70.00** for the first member of each household and **\$35.00** for each additional eligible member of the household.

Initiation fee (one time) **\$80.00** for each household and a refundable gate card deposit fee of **\$10.00** for each member.

In addition, each member is expected to devote 8 hours of volunteer service annually or recruit two new members or pay an assessment of **\$80.00**.

NRA membership (required)

Orientation class (required)

(GUESTS: Members may bring their spouses and children under the age of 18 years old **as guests** as often as they'd like. Non-immediate family member guests are limited to two visits annually. Members **MUST** accompany their guests at all times, including spouses and children, and are responsible for the conduct of their guests.)

"You'll Shoot Your Eye Out"

It was a grand time in the old club house again as 57 Daisy Red Ryders stepped to the firing line to test their skills. Hot Dogs and Hot Chocolate were served and the "Christmas Story" movie was shown. That was just to get everybody in the mode to compete for the Grand Prize Leg Lamp. We had some needed help this year from the Small bore High School Teams. John Crossman came with 2 of his shooters as well as 2 of Kent Dunn team. The completion overwhelmed a few of them as they attached themselves to one of the Ryders for loan and joined in. So they were actually double help. Cloyd Lamberson, Murphy Morefield, Bob Backman, Lyle Lancosty, John Wicklund, Tim Barclay, Rowland Zoller, Angie, Sorry Angie don't remember your last name and our hot dog cooker Dan Konopatzke all were volunteers. These guys made everything work. All shooters won prizes. We try to give out as many things as possible. This year our list of donors included: Cabelas, Glenn Sutt's Papa Murphys, Clarence Atchinson, Ray Hansen, Barry Wachter, Olympia Collision, Tractor Supply Company, Limbsaver, Tumwater Automotive, Montesano Farm and Home, Bob Backman, Hydro Print, Olympia branch Harvey Gertson. Without the donations from these people and businesses this shoot would not be possible. We received cash, Red Ryders, Leg Lamp, Auto Detail and whole variety of needed items. This goes along with the advertisement we got from the Daily Olympian and the Chronicle.

The top shooters are as follows;

Tim Bartley Aggregate winner- Leg Lamp- Red Ryder- Certificate

Laura Lee More - 16 and under - Small leg lamp- Red Ryder- Certificate

Team - Laura Lee and Eric Moore - Red Ryder- Certificate- Plate of Cookies

Card Shoot winners: Page Hanson, Ryan Andrews, Eric Moore, Phil Tomas, Rick Michal,

Fly Shoot winners: George Nigro, Tim Bartley, Mike Norris, Alaron Hunter, Natalie Andrews,

Fred Bartley, Kyle Anderws

Dart Board winners Tim Bartley, Paige Hanson, Mike Norris, Jacob Hernandez Sr., Klayden Shawe

Tic Tack Toe had alot of winners. You won candy as long as you made a Tic Tack Toe .

200 yard gong Solution

I have mentioned the problem with the 200 yard gong on the High Power Range. Between Mark, Me and the Board here is what we came up with. We have already installed a new stand at 200 yards. The club now has on sale 200 yards gongs. You may purchase one through yours truly. You can then use it at your leisure and blast away at your hearts content. They are hard steel with chain. Right now they are at my house. I may move them later. The price is \$40. I am around during the week a lot.

Katie Bar the Door

Here is a real happening. The board has changed the meeting night. From now till next time the Gun Club meetings will be the 3rd Tuesday of the month at 7:00 at the same old club meeting room. We had a grand conversation about this during the discussions of the By Laws with no decision. But at the December meeting I made a motion and it was changed. Fridays were always a bugger for me being a Tumwater football fan. This date is still not set in stone but just maybe a few of you folks can make a meeting now and again. They are open to all. Your input is important to us.
