## NOTICE TO ALL HIGH POWER RANGE USERS

Please read and comply with the High Power Range Rules posted on the bulletin board at the High Power Range. In addition, we ask for your cooperation with the following issues that are causing damage to our facilities:

- If you wish to use wooden target stands, please make and bring your own target stands. And take them home with you when you are done shooting.
- You may place your wooden target stands in the target stand bases at the 200 yard line, or make and bring your own target stand base for use at the 50 and 100 yard lines.
- Please **DO NOT** stand the 200 yard target stand bases up on end and staple targets to them or put clay pigeons on them.
- Please **DO NOT** shoot at the 200 yard target stand bases.
- Please **DO NOT** put paper targets or clay pigeons on the gong stand at the 200 yard line. The gong stand is for steel gongs only.
- Please **DO NOT** attach targets to the tires at the 100 yard line, or place targets in front of the tires. The tires are only for hanging your steel gongs at the 100 yard line.

Our High Power Range facilities are maintained by volunteers. When stuff gets shot up or otherwise destroyed, it may be quite a while before it gets repaired.

Thank you,

Gary Thorson & Tom Schuettke  
High Power Range Directors

## Annual Bowling Pin Trophy Match August 19, 2018

The Annual Bowling Pin Match will be on Sunday August 19, 2018. There are three separate categories/matches starting with the .32 calibers then Single Action Revolver and ending with the Last Chance (any gun). Sign up starts at 8:00 a.m. with the matches starting at 9:00 a.m. at the Action Range (past the High Power Range).

The shooter has to knock 6 bowling pin off a 5 x 3 foot table (except in the 32 cal. Match where the pins just have to be knocked over) in thirteen seconds. This is done ten times for a total of 60 pins. There are crystal mug's awards for the top three in the first 2 matches and the top 5 in the last match.

Shooters can have holsters for their guns or a pouch.

The .32 cal gun is restricted to four inch barrels or less and non adjustable sights. The guns can be semi-autos or revolvers. The usual cartridge is the .32 acp and .32 S&W Long. The .32 H&R magnum **is not** eligible.

The Single Action revolver is any caliber. You **can't** use a double action revolver and shoot it single action.

The Last Chance is any caliber, either semi-auto or revolver.

Cost for one match is \$15 and each additional match is \$5. If you shoot all three matches the total is \$25.

Hey Shooters come out and test your skills and have some fun.

## **MUZZLELOADER TRAIL CLEAN-UP**

**June 30, 2018**

The work party for the muzzleloader trail clean-up was a complete success. We had 13 members working on this detail plus two members of the Seven Rivers Muzzleloaders. Most of the work involved cutting the grown-up brush and ferns down so the targets could be seen as well as painting the metal targets and tying new flagging on the supports for visibility. At least two of the targets also needed attention in the way of repairs but now the trail appears to be ready for use, with the exception of the grass in the road which does need mowing.

Special thanks go out to all who participated, and they were; Roy Williams, Frank Ponceroff, John Vladeff, Adam Sampson, Tom Brown, Josh Brown, Mike Nesbitt, Bob DeLisle, Clarence Atchison, Will Ulry, Rowland Zoller, Doug Simpson, Jerry Mayo, and Phil Wiebe. The two members of the Seven Rivers Muzzleloaders who came to help were Dave Martin and Gary Emberley.

With the work done by these members, the muzzleloader trail is now ready for use for the Many Rivers Rifle Frolic that is coming soon. Good doin's!!

## Membership Terminated

Thom Jenrette, CCRP member since 1989, had his membership immediately terminated during the 15 May Board of Directors meeting. Thom violated many Bylaws and Standing Rules in a manner that put the entire club at risk.

The Board decided that Thom's violations were so severe, his membership was immediately terminated, he would turn in all access cards and keys, and leave the property.

Thom was also informed he could not attend "open gate" public events, or in fact ever be on CCRP property again. Doing so would be treated as trespass.

Any member that allows Thom Jenrette access to the CCRP property, opening the gate or bringing him as a guest, puts their membership at risk, and will have to answer to the Board.

This may sound harsh, but the Board made this decision with the Club's, and your, best interest in mind. If you have any questions, please feel free to contact any Board member. Their names are listed later in this newsletter.

Thanks.
