## December Old Soldier Match

Sunday, December 23 was pouring down rain! On the way to the range I was wondering how many Old Soldier shooters don't know enough to come in out of the rain. Turns out there are 6 of us. When I pulled into the parking lot, I asked Damien "Are you sure you want to do this?". Damien replied "But I need 2 more points to make Distinguished!". And then, miraculously, it quit raining. Damien Longmire then proceeded to take 2nd place, and earn 5 more points, to become the final shooter to qualify as a CCR&P Distinguished Rifleman for the 2018 season. CONGRATULATIONS, Damien!

First place in the match went to Gary Thorson shooting a U.S. Model 03A3 Remington for a score of 293-9X out of a possible 300 points.

Second was Damien Longmire, U.S. Rifle Cal. .30 M1 Garand (.308) with a score of 288-5X

Third was Gary Baldwin with an Enfield No. 4 Mk 2 with a score of 274-2X

4th was Rick Baldwin shooting a Swiss K31 for a score of 269-2X

5th is Davis Flowers, Enfield No. 4 Mk 1, 265-5X

6th is Kevin Neubert, U.S. Rifle Cal. .30 M1, 256-3X

These are some pretty nice scores for those old rifles. Just because you are old doesn't mean you can't shoot!

Following the Old Soldier Match, we had our usual gong challenge. We use a 6-inch and an 8-inch gong at 200 yards, and two 8-inch gongs at 100 yards. Each shooter shoots one at a time, taking 2 shots at the gongs. We go through the line 3 times in prone position at 200 yards, then once through the line kneeling at 100 yards, then once through the line standing at 100 yards, for a total of 10 shots. The most hits wins.

Gary Thorson took the pot with a clean sweep of 10 hits out of 10 shots with an AR-10 in .308 Winchester

Rick Baldwin scored 8 hits with his AR-15 carbine

Kevin Neubert scored 4 hits with his AR-15 service rifle

And Gary Baldwin had 3 hits with a scoped M1A in .308 Winchester

About this time, it started sprinkling again. We decided to skip the .22 silhouette match for the day. One less rifle to clean. And just as everyone was leaving, it started pouring down rain again.

## 2018 High Power Rifle Champions

Each year we schedule 18 high power rifle matches; 6 Old Soldier matches, 6 NRA / CMP format Service Rifle matches, and 6 M1 Garand matches. Shooters must compete in 5 of the 6 matches to qualify for the season championships. This year, we missed one Old Soldier match due to snow, and we missed one Service Rifle match due to a schedule conflict on the range. So, for the season championships, we took the best 5 M1 Garand scores, and the best 4 Old Soldier and Service Rifle scores to determine the season champions. Each season champion will receive an engraved medal. Here are your 2018 CCR&P High Power Rifle Champions:

### 2018 CCR&P Distinguished Rifleman Awards

Each year, points are awarded to those competitors who place in your high power rifle matches. The number of points awarded will vary depending on the number of participants in each match. For example, if there are 10+ participants in a match, the top 5 places will earn points; 5 points for 1st place, 4 for 2nd, 3 for 3rd, 2 for 4th, and 1 for 5th. If there are three or less competitors, only the 1st place shooter will earn 1 point. In addition, the top score in each "stage" of a match will earn 1 additional point. When a competitor earns 20 or more points in a calendar year, they are awarded a certificate designating them a CCR&P Distinguished Rifleman for the year.

### The 2018 CCR&P Distinguished Riflemen are:

Tom Schuettke, Distinguished on 5/27/2018

**January 2019 Old West Centerfires 50-70 Match Report**  
**Special weather for a special match**

By Bob Gietz

Nine shooters were present for this special Old West Centerfires match. Special in that it was set up as an extra match featuring rifles shooting the .50/70 cartridges. Other calibers were also invited and present but preference in final prize awarding was given to the 5070 shooters. As this was almost a mid-winter day, our weather was actually forecast with the of hope of springtime-like temperatures near 50 degrees with calm conditions and just a little rain. At some points the lack of breeze and accumulated black powder smoke made 100-yard targets a very hard to see. The crowd of familiar faces was here which now includes Wesley Davis, Jeff Ritter, Clarence Atchison, and Lynn Willeckie

This match was held on Capitol's black powder Range by event application modification of the permitted firearms rule due to the High Power Range being closed for re-construction. Our course of fire included 20 shots on paper targets with 10 shots on the 100-Yard bullseye, and 10 more shots on the double bullseye buffalo target posted at 50 yards. All shots at paper targets were fired from the sitting position while resting the rifle barrels over cross-sticks. Following the 'paper shooting,' we fired an additional 5 shots at the "bucket" silhouette target which is a reduced-size replica of the "bucket" at the Quigley match in Montana. Like the "bucket" at Quigley, we shot at it from the offhand position with the smaller bucket positioned at 100 yards. One relay, five shots, was fired at "bucket" with the shots fired in sequence as called by the Match director. All nine shooters participated in this event which was won by Bob DeLisle with is .50/70 Hunter's Rifle/Carbine and his paper patched loads with 4 good solid hits, the better score with all others being three hits or less.

Match prizes were awarded for the paper target scores from a selection of club-provided holiday celebration prizes plus merchandise items from C. Sharps Arms and SPG Sales. In recognition of the .50/70 category the top three scores went to those shooting this designated caliber. Mike Nesbitt was first with a score of 180-6X, Lynn Willecke was second with his .50/70 shooting a 160-3X and Bob DeLisle, who was our only shooter using open sights, was third with a 157-3X. From that point on the aggregate awards reverted to "any caliber." So fourth went to Jerry Mayo (who actually had the 2<sup>nd</sup> highest score) with a 172X, 5<sup>th</sup> to Clarence Atchison shooting a 138, 6<sup>th</sup> to Will Ulry with a 102, seventh to Wes Davis with 98X, eighth to Jeff R. Ritter scoring 88 and 9<sup>th</sup> to Phil Wiebe with 86-3X.
