February 2019 Muzzle Loading Match Report

Rodents Everywhere

By Bob Gietz

Nine trusty shooters made their way to the Black Powder Range to see what the ground hog had to predict regarding the coming of spring. Filtering sunlight through the fog and black powder smoke seemed to provide a blurry shadow meaning maybe there's only 6 more weeks of winter. Thinking about what has been reported back east, it's hard to call what we have had as winter. (Maybe we're getting our winter right now.) Anyway, for our match there was heat from the woodstove and coffee for those so inclined. We were glad to welcome two familiar faces back after absence for a while; Tim Sampson back from a sojourn down New Mexico way, and Don Kerr working his way back from medical situations.

Helpers for this match were Frank Ponceroff and Scott Isom who aided in set up Friday and Tom Brown who helped score, check and post the results on Saturday. A quick pre-Rain-de-voo meeting, held just before the shooters' meeting, gave a review of key positions for the coming Rain-Dee-Voo and coming schedules. Will Ulry asked that we announce an Oregon Trail Days organization meeting for Tuesday, February 5th at 5pm being held at the Office Tavern up on the west side near SSPC to discuss OTD for this year.

Our course of fire for this day was for rifles and trade guns on the range with no pistol activity. Targets were a combination of paper targets together with reactive gongs.

The Club provided prizes for the individual events. Prizes for placement with the individual firearm in the form of Super Bowl Watching Snacks. For Trade Gun; 1st- Tim Sampson, 2nd- DeWayne Pritchett and 3rd- Bob DeLisle. Proficient riflemen were; 1st- Mike Nesbitt, 2nd-Clarence Atchison, and 3rd-Roy Williams. Aggregate prizes were donated by the participants. Combining rifle and trade gun scores, the aggregate placements were; 1st-Dewayne Pritchett, 2nd-Tim Sampson, 3rd-Mike Nesbitt, 4th-Bob DeLisle, 5th-Clarence Atchison, 6th- Frank Ponceroff, 7th-Roy Williams, 8th-Don Kerr, and 9th-Jerry Mayo.

Luck shoot prizes went to Roy Wiliams for the gopher head and to Mike Nesbitt for the best tie breaker..

Coming events: Evergreen Muzzleloaders will shoot next Saturday, February 9th, starting at 09:30 for rifles 20 shots at with 10 shots on paper and 10 more shots on the trail, \$5 shooters' fee with prizes donated by the participants for the blanket. Rain-Dee-Voo will occupy the Range and Trail here at CCRP from February 15th through 17th. Old West centerfires will shoot on Saturday February 23rd and progress looks like we will be able to use the High Power range. Next Free Trappers monthly shoot will be on March 2nd.

Oregon Trail Days

There will be a change in our Oregon Trail Days Rondevious this year. Numbers are steadily declining in our favorite sport more importantly the guys who have been putting it on are declining also. We need help!!! Generally we are doing the aggregate shooting Sunday and the novelty shoots Saturday. One of the best things we do is the Public Shoot. This has been expanding. So we need committed shooters to assist the public. We load the gun, answer questions and help the big people as well as the many smaller ones to shoot a 25 yard target. They love it. Because we are doing the aggregate shooting our recourse of a computer to manipulate the scoring order is going away. We need you and a lap top to fill this bill. Our main scorerer will be in Wyoming. Registration is also another weak area. Besides signing the folks up we sell raffle tickets to support the shoot. We need 2 dedicated ronde lovers to man the registration Saturday and Sunday. Now this ain't an all day thing you have time to eat, and do other things but we need the commitment. This is a pretty general description of the changes. Your assessment hours will be filled also for this time. There are plenty of you folks that shoot front stuffers. You don't need to show up in ronde gear to assist the Tenino-ites shooting. You will be there stretching it 3 hours. If you have mind to help call, text, e mail we'd appreciate it .

CCR&P HIGH POWER RANGE CLOSURE

The CCR&P High Power Rifle Range and the adjacent Pistol Bay remain **CLOSED** for construction.

We expect the range to open again by the 1st of March.

UPDATE

Your editor heard a rumor In late February that construction has moved along rapidly. The heavy construction has been completed. There are still several items, such as gutters and paint, that need to be finished. There will be a final inspection before the range is opened. I suggest you watch the website for timely updates.

Thank you for your patience as we make improvements to your High Power Range.
