## A Great Opportunity for You!

Good afternoon club members! I hope all of you have had a great year so far and are looking forward to an outstanding finish to 2019. There have been a lot of improvements to the club's facilities with more to come. The High-Power Range shooting shed has been relocated and a new built. The Multi-Purpose Range has been updated, refurbished and is opening to those who complete a new orientation for it. A filtration and treatment system was installed at the club's wellhead. All of this has been with you, the club member and shooter in mind.

All of this work has been pushed forward by volunteers – your fellow club members. And getting these projects created, planned, and scheduled have been primarily the efforts of your board of directors. I want to thank all those members who have put their work into keeping, maintaining, and upgrading our club. We have an excellent place to shoot because of it.

If you like what the club has to offer and what the club is doing, I would like you to consider volunteering. This club needs volunteers to keep it operational and the more volunteers we have, the less of a load on any one person's shoulders. Sure, we can hire out to get things accomplished and, for some things, we must do so. But, hiring out comes with its own set of issues. The first is that it costs money and, sooner or later, that will translate into an increase in costs to the membership. The second is that hired out projects still require volunteers to monitor the work being done. So, you can see how important volunteers are to our club.

If you would like to have greater input into what the club does and its operation – if you want to be part of the leadership – I encourage you to consider a position on the board of directors. The club's general elections are scheduled for the December Board of Directors and General Membership meeting. Positions are set up on an offset, rotating three-year terms so that one-third of the directors are up for election each year. Again, the directors are volunteers who share their time with the club in order that the club is the best place for our membership to practice the shooting sports that we can make it.

Of course, there is a benefit to volunteering and that is your assessment of \$80.00 per year can be worked off at a rate of \$10.00 per hour. That means up to \$80.00 extra per year to spend on MORE AMMO! Interested? Contact a member of the board and let them know. Want to get involved on the board, contact a director and ask them to place your name in nomination for the December election. Got questions? Contact a director! That includes me – Chris Moffet. As president of our club, I'm always open to taking member's questions. You can reach me by going to the club website, then to the Contact Us bullet, then on Directors. You'll see my smiling face there and that's where you complete the email form below my picture and hit Send. Another option is to call me at 360-791-9912. Remember, if I don't pick up, LEAVE A MESSAGE! Finally, you can come to the board and executive committee meetings. They are scheduled for the third Tuesday of each month. I hope to see you there!

Safe shooting!

## Do You Want To Be A Better Shooter?

Do you want to improve your rifle shooting skills? Don't like shooting in the dark and the rain? Can't find anything good to watch on TV? Then come join us every Wednesday night at 6:30 PM on the Indoor Range for rifle practice.

We open the Indoor Range up for CCR&P club members from 6:30 to 8:30 PM every Wednesday night until the end of March. This is a semi-formal shooting session. We always have at least one NRA certified Range Safety Officer present to run the session, and the experienced shooters are always happy to help out new shooters improve their techniques. We organize it into four 10-minute sessions, with plenty of time between sessions to change your targets, warm up by the wood stove and have friendly conversation.

We practice shooting in the prone, sitting, kneeling, and standing positions. Or you can shoot the entire session in one position if you choose. You can use any .22 LR rifle, with scope or open sights. The usual course of fire is 10 shots in 10 minutes, using the NRA A-17 target at a distance of 50 feet. Targets are provided for you.

Come join us. It sure beats watching TV.

### October 2019 Muzzle Loading Match Report **Mild Fall Weather on the Range.**

By Bob Gietz

There were twelve shooters on hand on Saturday, October 5<sup>th</sup>, at the CCRP Black Powder Range. Mild weather, fog- and rain-free with good visibility was observed. We had a good contingent of the "usual suspects" on hand and a familiar returnee in the person of Rich Pogue. The order of fire for this, the first muzzle-loader match of the range season was for rifles firing ten shots on paper at the 50 yard double-bullseye buffalo target, with 5 shots on each bullseye, followed by the trail-walk for the first ten rifle targets and the tie-breaker. Combined scores determined aggregate placing for the prizes on the blanket.

Helping during this event was Tom Brown who scored, checked, and posted the match results. Will Ulry, Rain-dee-vo Booshway, was on hand to bring the results of planning meeting up to date. Recruiting continued with several volunteers coming forward. There is a remaining need for some trail guides and confirmation of cooking capable assistance for the kitchen.

A meeting during Rain-dee-vo will be held to confirm details for Oregon Trail Days. Dates for OTD are set for July 23d to 26<sup>th</sup>. Several other Free Trapper details were discussed. Tom Brown was approved to arrange for 500 "Wooden Nickels" for present and future events. Jerry Mayo was requested to get "Rain-dee-vo" display banners for the road-side signs. Details of upcoming monthly shoots were discussed. By opinion, bonus points for primitive dress were changed to three items for a 5 point bonus per event. See the final paragraph for details of next month's shoot

The Many Rivers Rifle Frolic has been canceled due to lack of interest.

Prizes for the aggregate of trail-walk and range scores were blanket items donated by the participants. The aggregate placements were; 1<sup>st</sup> -Rich Pogue (181), 2<sup>nd</sup> -Bob DeLisle (180X), 3<sup>rd</sup> - Clarence Atchison (132), 4<sup>th</sup> -Tim Sampson (128), 5<sup>th</sup> - DeWayne Pritchett (117), 6<sup>th</sup> -Mike Nesbitt (108), 7<sup>th</sup> -Wes Davis (107 xx), 8<sup>th</sup> -Roy Williams (106X), 9<sup>th</sup> -Will Ulry (103), 10<sup>th</sup> - Jerry Mayo (98), and 11<sup>th</sup> -Ralph Birmingham, (74). Bob Gietz did not compete due to rifle lock and vision problems.

Coming events: Evergreen Muzzleloaders monthly shoot is next Saturday, October 12th, and it is for pistols on both range and trail. The match starts at 09:30, \$5.00 fee. The next Free Trappers event will be the Annual Turkey Shoot on the Black Powder Range on Saturday November 2<sup>nd</sup>. The fee will be \$16.00 and the aggregate blanket will be prized with turkey items by the Free Trappers. Competition will be for rifles, pistols and trade guns including flyers. Primitive clothing will be included for bonus points with 5 points awarded for three items, including but not required primitive footwear. Range setup will be the preceding day, Friday November 1<sup>st</sup> starting at 2:00 PM on the Black Powder Range. And on November 16<sup>th</sup> we'll have the first Old West Centerfires match for the 2020 season, on the High Power Range with 10 shots at 100 yards plus another 10 shots at 200 yards. We can expect to have an after-aggregate match for another 10 shots at gongs. November is a rather busy month.

## Possible Security Issue

As this is a public document, I will be purposely vague in describing this.

**PLEASE BE ON THE LOOKOUT** for any unusual behavior on the CCRP property. If you see something, damage, vandalism, thefts, people acting oddly, ANYTHING, please report it. I would rather get a report that doesn't play out than miss an important one.

If you see people do odd things, record a description of the person(s), a description and plate number of the vehicle (a photo would be even better), and the perceived issue. Date and time are important as well.

Email this to me, Richard Schneider, Security/IT for the CCRP Board. You can reach me through the Board web page here:

Thanks for your vigilance. Enjoy your autumn.
