Chris Moffet, Gary Thorson, Doug Simpson, Will Ulry, John Mulhall, Richard Schneider, Tom Schuettke, Kevin Neubert, Dan Johnson, Terry McManus, Bob Jamison

Guests:

Bob Gietz, Thom Martin

Treasurer's Report – Doug Simpson

Motion to accept Report

Seconded

All AYE

Membership Report – Chris Moffet

Due to deletions and additions. Membership is "about the same"

New member orientation this Wednesday will increase the number

Clubhouse Re-plumbing Project – Chris Moffet

3rd contractor bid for project

One contractor backed out

Will receive bids soon

Firearms Inventory – Chris Moffet

Physical inventory of all firearms in Clubhouse needed, Club owned and Teams

Need to confirm, and put eyes on anything equipment on Club property.

Repair and/or Paving of Roads – Gary Thorsen

4 scenarios received from Gary's Bulldozer, LLC

1) Full repair, grade and paving main road from top of hill to the High Power range (\$3055)

2) Fill potholes, grade and compact (\$1230)

3) Repair and grade High Power Range target road and turnarounds (\$1760)

Training Officer Resigns

John Mulhall has resigned as Training Officer, leaving the Board of Directors

John will still be an RSO trainer as needed

Dan Johnson may have a line on a qualified replacement: Matt Coleman.

Dan will communication with Matt and report back to the Board

Multipurpose Range Updates – Dan Johnson

Dan reports he has request for use of the MP range from Boy Scouts, "Young Life" group, a local gun manufacture needing speed shooting / testing range, and 4H group(s)

Requested from the Board President a "demand to return" letter be sent to prior Board member Larry Lufkin to turn in his MP range authorization card and physical key due to issues having taken place on the MP range.

Chris will negotiate with Larry a different range on site to perform his role as a Hunter Safety Instructor

Clubhouse and Grounds Issues – Terry McManus

Terry reports that the hot water tap in the women's restroom was full-on when he visited the CH recently. It would have been running for 12-15 hours. Doesn't suspect malicious acting, just recommending that "last one out" check the restrooms as well as if all the lights are out when exiting the building.

Range masters, please walk your ranges to clear out large rocks in prep of lawn mowing season.

Water Purifier Concerns – Bob Jamison

Bob brought up concerns over a perceived change in chemicals in reservoir.

Are others filling container? We need to keep track to understand the new system.

Grounds Wood Cutting and Cleanup – Will Ulry

Wants wood cutting party on April or May, utilizing a mobile chipper to reduce labor moving brush to chipper instead of chipper to brush.

-Moss cleaning off of signs

Needs wish list from Range Directors on maintenance issues

Make this a full Club project

Electrical Issues in Clubhouse – Group Discussion

Lights randomly turning off

When new electrical panel was installed, no load balancing was performed.

February Old Soldier Match

It was a blustery day for the February Old Soldier Match. And only the (fool) hardy showed up. We had wind. We had low 40's with wind chill. We had rain. We had sunshine. We had wind, rain and sunshine all at the same time. We had wet targets blowing down. We had umbrellas, jackets, and rain coats. We had a fire in the wood stove. We had good camaraderie. And we had fun.

The Old Soldier Match is for standard issue military rifles, from any country, that are World War 2 vintage, or older. The match is 30 rounds all slow fire from the prone position, at 200 yards, with a possible score of 300 points.

We had an unusual rifle on the line this time. Tom Schuettke used a .30-30 Winchester Model 94 lever action. Yes, believe it or not, the Winchester 94 is an Old Soldier. The Winchester 94 was issued to Washington National Guard and Canadian forces during World War 2 for use while protecting the Sitka Spruce forests of the Pacific Northwest from sabotage. Spruce wood was a critical commodity to the war effort. It is probably a good thing that they didn't have to be put to the test during the war, because if Tom's accuracy at 200 yards is any indication, we might not have done so well. Although most shots in the forest probably would have been well under 200 yards.

1st and 2nd place in the match were separated by **1 point!**

The match winner was Gary Thorson with a score of 284-8X

2nd place was Kevin Neubert with 283-6X

After the main match, we had the gong challenge. And it was quite interesting this time. Gary Baldwin and Rick Baldwin had off days, and could not hit *anything*. Gary was shooting his 03-A3 with open sights, and Rick was shooting an AR-15.

Gary Thorson and Tom Schuettke, on the other hand, tied with 9 hits each out of 10 shots. Gary was shooting an AR-10 in .308 Winchester, and Tom was using his AR-15 Service Rifle. Gary and Tom settled the tie with 1 shot standing, supported against the roof post, at a 6-inch gong at 200 yards. Gary Thorson made the hit for the win.

We rounded out the day's fun with the .22 Rapid Fire Silhouette Match. The winner was Tom Schuettke with the fastest time of 59 seconds to knock down all 25 targets. Good shooting, Tom.

RAIN TO JUSTIFY THE NAME

By Bob Gietz

This year our main muzzle-loading annual event lived up to its name, possibly to the detriment of overall attendance. For their first muzzle-loading event of the year, the Puget Sound Free Trappers of the Capitol City Rifle and Pistol Club hosted the annual "Rain-De-Voo" on the rendezvous trail just south of Littlerock. These "revels" got started at 1:00 o'clock, early Friday afternoon on February 14th when Booshway Will Ulry opened the gate to the trail walk. Event registrants amounted to only 30 individuals and the shooters were composed of 27 men, 1 woman, 1 junior, and one under 12. Seven campers endured in their tin-tepees and only 6 primitives took their damp canvas home to dry. Eleven traders welcomed the patrons including a number of visitors from the local community. We were joined Friday night through Sunday by two new Scout Troops 1920 and 9317, making this their first buckskin experience. For the 4 adults and 12 scouts they seemed to have good time and joined in the Short Hunter activity and the Candy cannon.

The competitors had a range of typical events: Rifle, Trade Gun, Pistol, Knife & 'hawk and Archery trails. Mike Nesbitt headed the shooting trails while Scott Isom ran the Knife & Hawk event and Rowland Zoller carried on as Trade Chief. Capable helpers were: Registrar/Clerk Tom Brown, assisted by Josh Brown and Bob Wright,, trail guides Mike Nesbitt, Bob DeLisle, Roy Williams, and Jerry Mayo, with visitors Tommy Hay and Scott Young along with WSMA president Mike Moran also pitching in to keep the trail in working order. Clarence Atchison filled in as 'a man for all seasons' filling two tours of duty as a trail guide. He also filled in as a Trade chief, handling early trader registrations and making safety checks of all trader guns, as per our club rules. Finally, in cahoots with Dana, Clarence saw to cleaning the floors after traders had moved out. Aggregate scores could combine either Archery or Knife & 'hawk with the Rifle trail. The Capitol City Bowmen headed by Dale Soost ran the Archery event while Will Ulry oversaw for the Under 12 events. Compliments certainly go to that fine staff.

Off the trail, in the shelter of the clubhouse, we had the Trader's Row. The kitchen was again being operated by the Capitol City Bowmen and the chow was really good. Extra credit goes to the kitchen crew: head cook Bob Jamison with a crew comprised of Golda & Wayne Rankin along with "Steve" and "Peggy" whose last name missed the record. On Saturday evening the clubhouse welcomed all comers to the Potluck, which had catered fried chicken provided by the Free Trappers to compliment the tasty results of the Dutch oven competition.

Our friends in the Washington State Muzzleloaders Association held their annual meeting in the clubhouse late Saturday afternoon.

The Dutch Oven competition stepped up a bit this year through the efforts of the Northwest Dutch Oven Society. This group came in at noon Saturday and set up a demonstration kitchen and display table offering insight into early day's use of the "black kettles." They produced some items for the potluck buffet and judged the competition for the Free Trappers. Awards went to: Main Dish, JoJo McWhinney 1st and Paul Nelson 2nd, Dessert, 1st to Leeann Nelson & Kerry Sotelo and 2nd went to a fine Dutch oven cook whose name escaped the record. The Society also raffled off two instructional books won by Golda Rankin and Dana Atchison. We hope the folks from the Northwest Dutch Oven Society come back again.

Will Ulry and Rowland Zoller were in charge of the evenings' events. Our Trader's Auction filled out the evening's agenda followed by the Poker tournament. Lots of folks pitched in to get the "dirty details" taken care of which included some of the "guests" as well as the hard-working Free Trappers. Poker tournament winner was Tugboat Bromberg.

Our shooting was concluded with the novelty events which began at noon Sunday. Those were run by Will Ulry and Roy Williams. The novelty matches included two novelty targets and a Squirrel Gun match.

The end result of all efforts and activities came into recognition in the aggregate blanket prizes and awards. WSMA's youth grant to this event provided special awards for Junior and Under 12 shooters, and WSMA "Pilgrim" medals went to those participating in a black powder event for the first time. The muzzle-loading rifle, part of the Grant from WSMA, for the one-shot buffalo hunt prize was won by Nicholas Schubert. The primitive Camp of Mike Moran was judged as the most authentic and recognized with a certificate and a period correct leather wallet from Panther Primitives.

Merchandise awards for individual skills were provided by the Puget Sound Free Trappers with a grant from Schuetzen Powder.

Youth Rifle (one shot Buffalo Hunt), Nicholas Schubert included a complete equipment chest and accouterments.

Ugly Mountain Man: Scott Young

Primitive Camp: Mike Moran

Low scoring shooter (box award from Bugler) Jackie Schubert

Adding to the Trapper's raffle Hawken replica Trade Rifle were a Mike Nesbitt-made shooting bag (donated by Clarence Atchison) and Steve Skillman donated a traditional Powder horn, plus a gun cover by Ralph Birmingham. Winner of that raffle was Paul Nelson.

The Puget Sound Free Trappers thank all of those who came and enjoyed this black powder shooting event. Next year we'll have our Rain-De-Voo again, on Presidents' Day weekend in 2021 (February 13 -15). Our next booshway is Tom Brown, he and the (hopefully dry) crew welcome you to come again.

Cool, Calm & Collected

By Bob Gietz

For this second OWC match of our 2020 shooting season (January's 50/70 show was a special additive) and we had nine shooters. A little threat of rain drifted away to leave a calm, shadow-and-glare-free environment which provided some good shooting conditions. Gradual drifting smoke slightly delayed aiming for some of the looking-for-perfect-condition shooters but that was only momentary. Targets were posted for a single relay trusting that conditions would stay nice, which they did. Shooters started with their range of choice and fired continuously with sight adjustments made as needed.

Scores reflected the optimum shooting conditions with seven of 9 at 100 yards above 80 and with five of 9 at 200 yards above 90. The perfect score of 100 on one target proved elusive although Allen Cunniff did that in the first match which was fired last November. And Allen came close this time, turning in a 98-XX on his 200 yard target.

A rundown of the scores must begin with the best score for the day by Allen Cunniff, a 181-XX required recourse to 200 yards as the highest score to break the tie with Loco Jeff. Allen registered a 100-yard 83 to go with a 98-XX for the total. Loco Jeff Ritter compiled an identical score with an 85-X at 100 yards plus a 96-X at 200. Allen prevailed by virtue of having the higher score at the greater distance but Jeff's rolling block Remington barreled for .45/90 certainly served him very well today. Close behind with a total score of 179-XX was Mike Nesbitt with his familiar heavy C. Sharps Arms '74 in .44/77 taking third place. In fourth place was Don Kerr, continuing his comeback to the world of good health and good Sharps shooting, using his C. Sharps Arms '74 Hartford Target Rifle in .45/90 to shoot an 84-XX at 100 yards plus a 94-3X at 200 yards for a total score of 178-5X. Fifth place went to Kent Dunn, with his Pedersoli Sharps 1874 on .45/70 scoring 78-X at 100 and 95-X at 200, combined to 173-XX. Sixth place saw Bob DeLisle, shooting his paper patched bullets for a total of 165 with an 88 at 100 yards and a 77 at 200. Bob's 88 at 100 yards was the high scoring target at that range. Seventh place went to Wes Davis shooting a C. Sharps Arms 1874 in .45/70, getting an 80-X at 100 combined with an 81 at 200 for a total of 161-X. Eighth place went to Jerry Mayo, posting a 74 at 100 plus an 84-X at 200, combined to 158-X with his C. Sharps Arms 1874 in .45/70. Ninth went to Jeff R. (Doc) Ritter, shooting a new 1874 by C. Sharps Arms in .45/70 getting a score at 100 yards of 80, and a 74 at 200 yards, totaling 154.

The after-aggregate gong match, with the "buffalo" at 200 yards and the "bucket" at 100, provided some competition for the four who ponied up one more dollar to participate. Mike Nesbitt, Bob DeLisle, and Jerry Mayo posted identical scores of five hits based on four hits at 200 yards from X-sticks and one hit at 100 yards fired offhand. A side by side shootoff between Mike & Jerry followed with Bob bowing out because he was out of ammunition. Jerry shot first but did not make a hit. Then Mike shot his heavy Sharps and won the small pot with a dandy hit.

February 2020 Leap Day Muzzle Loading Match Report

Where Are the hunters?

By Bob Gietz

Almost repeating our ground hog day 2/1 turnout, there were only five shooters on hand on Saturday, February 29th, for the Puget Sound Free Trappers' Leap Day Match at the CCRP Black Powder Range. This was a schedule aberration since our usual day (March 7, this year) was preempted by the "Monroe Show" which was on an unusual date due to interpretations of "second weekend." Had we persisted on using March 7th our show-up might have possibly been even lighter.

The order of fire for this, our third muzzle-loader match of the New Year, was modified by common consent to have only paper and gong targets in use, deleting the flyers for trade gun and increasing the trade gun schedule to 5 shots on paper at 25 yards and 5 gongs. Targets were all gophers' figures. With a combination of paper and reactive targets, rifles, pistols, and trade guns were recognized with meat prizes for first, second, and third places. The combined rifle and pistol scores were added up to determine aggregate placement for the good prizes on the blanket.

Helping during this event was Tom Brown who scored, checked, and posted the match results. Set up the previous day was assisted by Mike Nesbitt and Scott Isom. Will Ulry, Oregon Trail Days Segundo, was on hand to bring the results of planning meeting up to date and provided details of the Tenino raffle this year featuring a custom made suit of buckskins. The new "Tenino" flyer was reviewed and approved for printing. Tom Brown, 2021 Rain-de-voov Booshway, discussed some ideas for workdays to get the Trail in better shape. After discussion it was decided to start with a combined Range and Trail workday for April 10th in the afternoon with efforts divided between Range preparation for Spring Hunt and the Trail to ensure that it is in shape for Buffalo Camp which is coming in May. DeWayne Pritchett agreed to be Segundo for Tom and with this determination the 2021 Rain-de-voov flyer was approved for reproduction. Trail guide sign up was available but those present had already signed up.

The soda can luck shoot had a gopher head as the designated target and the luck shoot award went to Tom Witt. Awards for the individual rifle and pistol matches were comprised high protein "sausage" items. Awards: For rifle; 1st - Will Ulry, 2nd - Tom Witt, and 3rd - Mike Nesbitt. For pistol; 1st - Mike Nesbitt, 2nd - Will Ulry, and 3rd - Jerry Mayo. Trade Gun: 1st - Will Ulry, 2nd - DeWayne Pritchett, 3rd - Mike Nesbitt. Aggregate prizes were either donated by the shooters or chosen from brown Bag mystery prizes for those who chose to pay \$5. The aggregate placements were; 1st - Mike Nesbitt (183), 2nd - Will Ulry (146), 3rd - Tom Witt (119), 4th - Jerry Mayo, and 5th - DeWayne Pritchett

Coming events: Evergreen Muzzleloaders monthly shoot is 2nd Saturday in March, the 14th, and it is for Trade guns on both range and trail. The match starts at 09:30, shooting fee \$10.00. March 28th will be the Old Time .22 Match on the Black Powder range. Then on April 4th we have another Old West Centerfires match starting at 9:30 on the High Power range.

Shoot your Eye Out Meeting To be Rescheduled

This year our shoot was a success to all who attended. It was not a monetary success or a help success. You will see the list of people that assisted at the shoot and donations. The club agrees this is a shoot we want to continue. Its gone 12 years now. BUT I want help. I believe some new ideas, more advertisement and things I just ain't or don't do need more. If there are enough kind soles to revitalize and work to keep the BB Gun shoot it will continue. Otherwise all have attended the last "You'll Shoot Your Eye Out" BB Gun shoot.

Wood Cutting and Other Needs

Bob Jamison and the archers are piling up the logs for a wood cutting party. We had a meeting last night and discussed a April or May time to do it. There are some other house cleaning items also. Pretty much every CCR&P sign needs cleaning. It is being requested of all Range Officers to compile a wish list of items they would like. The whole property needs some TLC. This will be an opportunity to get some or all of your assessment time. John Wickland can take your name if you wish to be on the Assessment List for items to be done. As the list comes out there maybe work items that don't have to wait for the work party date.
