## Range Safety Officer Training Opportunity

There will be an opportunity to gain qualification as a Range Safety Officer on March 25th. Conditional on sufficient interest in the form of advance enrollment, John Mickel will conduct this training from 0900 till 1600 in the Clubhouse on that day. Those interested in the class should contact John at 360-491-0714 and arrange to obtain the advance course materials on or before March 15th. Cost of the training materials is \$20 payable in advance.

## Big Buck and Bull

It appears the club as a whole slept thru hunting season. Of course they could be the world's worst shots too. In any case it was very lightly attended. The barbeque was manned, the scorers were in place and food was there for the enjoyment. Dale Rankin submitted the Big Buck. It scored in the 127 bracket. It was a big bodied guy shot in his bed after becoming quite tired for what bucks do during the rut. He almost had legal double eye guards. He never knew what hit him as he lay down quicker than he got up. He was a 3x4. He was shot in Montana about a mile from where I shot my 5x5. It scored in the neighborhood of 122. I submitted a Pronghorn Antelope for the Big Antlers. This was my first Pronghorn. He was shot in Wyoming. It scored 66. Low book for Pronghorn is 80. I was happy with him. They sure ain't big. I skinned him and put him in my cooler. I carried him for a ways under one arm. I hope you couch sitters can go hunting next fall and remember your gun and ammo. My daughter can give you lessons on hunting if it comes to that. Will Ulry

Please take a look at the web site. There are some new features. On the Documents page you will find the By Laws, Standing Rules, The Goal Post and Goal Alert. The Goal Post and Goal Alert are notices of legislative action affecting our guns.

On the Photos page I post photos that you send me. Currently there are several photos of a record moose that was taken in Russia.

On the Plinker page you can read or print the Plinker issues from January 2004 to the present. There is a link on the Plinker page that sends me your E mail address for the purpose of notifying you when a new Plinker is available on the web site.

We are aiming for 100% electronic distribution of the Plinker by the end of this year. I know that there are a few people that still do not have internet access. For those few we will be able to print a copy from the club computer. Some people prefer a paper copy to read. The easy answer is print one out.

The reason we are going electronic with the Plinker is to save the club \$5000.00 a year in printing and mailing expense. Please use the link on the web site on the Plinker page to be sure that we have your E mail address.

After 30-days on "inactive" status the membership will be terminated. Should they wish to rejoin CCR&P past the 30-days "inactive" status, they must reapply as a new member and attend the Orientation class. **Membership fees**, collected at the time of the orientation classes are:

Annual dues **\$70.00** for the first member of each household and **\$35.00** for each additional eligible member of the household.

**CAPITOL CITY RIFLE AND PISTOL CLUB****BOARD OF DIRECTORS MEETING****February 3, 2006**

The meeting was called to order at 7:00 PM

Flag Salute: Ray Crisp led the flag salute

Attendance: All directors were present except Dotterer, Montecucco, Ulry and Morton were excused and Greenman and Greeves absent.

Treasurer's Report: Darrell Gehlsen reported the following balances; Homestreet \$58,351.75, Certificates of Deposit \$40,201.13 and checking \$2,972.58.

Membership Report: Darrell reported that the club has 397 members at the present time. Shirley R. noted that working at the gun shows is an easy and fun way to work off your assessment and that we should be making more people aware of that option. Bob Gietz noted that we would be better served to only do one day at the shows and to concentrate on the Centralia show more than the WAC shows in Puyallup. It was suggested that an insert be put into the Plinker to see if we could get better participation from our members.

Old Business

Holladay Trial: Hearing will be held on Feb. 7. Bill Wright and Rich Montecucco will represent the club at the hearing. Any available monies will be split with B/P Construction at a 76 / 24 ratio. CCRP would get 24%.

Budget: The proposed budget for fiscal year 2006 was submitted by Darrell at last months meeting. There was some discussion as to how we could better identify income/expense by range so as to have a better idea of where we should be targeting our efforts. It was determined that the information is available and accessible. Motion to accept the budget was made by Bob Gietz, seconded by Ray Crisp. Motion carried.

Bookkeeper Compensation: Darrell reminded the Board that a few months back the issue of bookkeeper compensation was addressed. At that time it was suggested that payment be made at the rate of \$8.00 / member. Ray C. questioned whether a Board member could function as bookkeeper under our 501( c ) classification. Shirley R will investigate that issue. Bob Gietz made a motion to increase the compensation to \$8.00, Ray C. seconded. Motion carried.

Gun Shot First Aid Kits: An ad was run in last months Plinker to advertise the kits. No response was noted. Bill W. will order the 10 kits that were approved at the January meeting. Bob Gietz noted that originally the Black Power Range had agreed to pay the cost, but now that we had an approved budget each range should be responsible to purchase their own kits. All agreed.

Archery Mega Shoot: Ray C. reported that a contract had been signed. Ray has also developed a project outline. The first meeting will be on Feb. 22, with a follow-up in March. Ray also turned in a year end report for CCB and \$600+ for Woolley Booger.

Insurance Numbers: We still do not have numbers from all of the Range Directors for our insurance policy.

Danger Trees: Bob G. reported that several trees have been taken down. Ray C. and others have been doing some of the most troublesome trees. With high winds predicted for the weekend, nature may take care of several others. Chris M. noted that a couple of members with equipment and experience have volunteered to help. Any help is welcome and will count towards your yearly assessment. Contact Chris if you want to help with cleaning up our tree problem.

Release of Liability: Bob P submitted the revised form and asked for comments. A motion was made to accept the new form. Discussion followed asking for more time to review. Following discussion, the motion was voted on. The new form was accepted.

Salvage: Pickup of salvage metal will be on Feb. 10. Please tag anything you want taken.

### New Business

High Power Range Improvements: Rick B. is looking at the feasibility of adding a 600 yd. range at CCRP. There are only three of these ranges in Western Washington. He presented a map of the proposed area and suggested that timber revenue could be used to offset financing of the project. He noted that CCRP had a permit to build this range at one time and he will investigate as to whether the permit is still valid. Rick will report to the Board as more information becomes available.

Hank McCleary: Hank sent his thanks for the honorary lifetime membership

WA. State Muzzle Loaders Assn: Bob Gietz reported that WSMA wanted to hold their annual meeting at the club at 4:00 PM on Feb. 18. This is during Rain-De-Vous.

Boy Scouts: Rick B. reported that 5 scouts would be qualifying for their merit badges on Feb. 12. Thank you Rick for the work you do with these young men and future members.

Gun News: The Washington Arms Collectors Newsletter had a wonderful article on CCRP. Thanks to Shirley and Bob Gietz for their help in pulling together information for the article.

Motion to Adjourn: Ray C. made a motion to adjourn at 8:35 PM. Everyone seconded. Motion carried.
