## **Beginner/Intermediate Match**

Our January Beginner/Intermediate match was held in honor of Pat Connell who died last fall in an auto accident. Shooters were asked to donate to a fund for Pat's grand kids and one of the stages featured Irish shamrocks. Nineteen shooters showed up to try their luck. Several shooters couldn't handle the humiliation with just one gun and tried their luck with two guns. It didn't help.

The day began with steady rain but wound up being a decent day for shooting targets. The first three stages all required shooters to shoot targets with the strong hand, followed by the weak hand, then with the weak hand supported. Stage one featured 18 shots at shamrocks of varying sizes while stage three featured 18 shots at paper plates of varying sizes. Stage two included 18 shots at bowling pins that required a high degree of precision shooting. Stage four required long distance shooting at steel plates at about 30 yards.

The bowling pin stage was by far the hardest because it required one pin to fall with each shot in each of three sets. If any shot knocked down two or more pins, that portion of the pin stage did not count. The luckiest shot of the day, by far, was made by Ron Lohman. Ron missed the pin he was shooting at and hit another totally by accident. Just by luck, Ron's missed shot hit the pin exactly right and it fell by itself leaving him easy shots on the rest of that set. There were lots of zeros on the pin stage.

As you might imagine, scores were much lower at this match. The average score for all 19 shooters was only 34 out of 72. The high score for the day was Ron Lohman with a 49. Ron was followed by Mike Turner with a 45, Dennis Boos with a 39, Gary Baldwin with a 38, and Gerald Trusty with a 34. There were lots of scores in the low 30s and high 20s. Because this was a special match, we did not score the shooters by classes.

See you at the February match.

## Olympia Migration

It's the annual migration of the legislators to Olympia. The session began on January 14<sup>th</sup> this year. There are numerous bills that affect gun owners. I urge you to take the time to read the "GOAL" notices available on the club's website. Those notices contain a wealth of information to keep you informed. You can view what the legislature is up to at [www.leg.wa.gov](http://www.leg.wa.gov). You can use a "search" function to find bills related to guns, hunting, and other things of interest to you. Having recently participated (for the first time) in the public comment process, I highly recommend you get involved. Yes, you can affect what the legislators do. To contact your Representative or Senator call the legislative hotline at 1-800-562-6000.
