

# The Plinker

## MISSION STATEMENT

*The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.*

## Special Volunteer Opportunity

Based on recent observations on the Black Powder Range, it is apparent that a previously unrealized opportunity for volunteer service exists. Exact time and place of the service would be negotiable with the interested party. Basic required proficiency is teaching basic reading skills for the English language on request at the Black Powder Range and possibly other facilities of CCRP as required. Chief function would be to provide on-the-spot instructions to those club member and guests who can not read and interpret the range instructions. The conclusion that at least some club members can't read is based on decent observations of apparently willful failure to follow clearly posted range instructions. Center fire rifle cases not attributable to Hunter safety were found on the range. Extensive damage to target support posts is noted indicating they are being used either directly as targets or as support for targets rather than the designated support mesh. Reactive (Gong) targets show indications of hits from high powered bullets. Unfortunately this message will be delayed in reaching the membership and as a result the range facilities may continue in less than desirable condition until repairs are completed. If abuse persists, the target support system may be removed including reactive targets and leave the requirement for furnishing both targets and support system as shooter responsibility.

## October Free Trappers Match

Monthly matches resumed on Saturday October 4th on the Black Powder Range. Eight shooters present and worked around the "Storm Breaks" to try their skill at rain-drop harvesting. Turn out was a bit light, probably due to diversion to the hunting field. Results were: Pistol Mike Nesbitt, 1st; Doug Simpson, 2nd; Bob DeLisle, 3rd. Rifle: Mike Nesbitt, 1st, Tom Witt, 2nd, Allen Cuniff, 3rd. Trade Gun: Mike Nesbitt 1st; Allen Cuniff, 2nd; Tom Witt, 3rd. Aggregate prizes, based on combined Rifle & Pistol scores and rewarded with club-provided blanket items went to: 1st, Mike Nesbitt, 2nd, Tom Witt, 3rd, Doug Simpson, 4th Bob DeLisle, 5th, Jim Robertson, 6th, Ralph Birmingham, 7th, Allen Cuniff, 8th Tony Yaklich. Luck shoot winners were: Allen Cuniff took the poker cards event with a Queen high Straight Flush. Bob DeLisle won the Dart board pistol match. Thanks to early arrivals: Tony Yaklich, Jim Robertson for assistance in range set up. Ticket sales on the Rain Dee Voo Raffle Rifle started and will be available at shoot until the event in February.

Next Match will be the Turkey shoot on Saturday November 1st. Range Fee will be \$15.00 and Turkey and meat items for the aggregate blanket will be provided.

## Cowboy Action Shoot

Mother Nature was in all of her glory for the Black River Regulators Cowboy Action Shoot on Saturday, September 27. Sunny skies and warm fall temperatures set the stage for an excellent match.

Despite the Northwest Regionals occurring at the same time, we had 30 cowboys and cowgirls show up to enjoy the day. Flint McCloud was visiting from Oregon and took time out to shoot with the club, as did Montana Slick, who is in the middle of moving from South Dakota to Spokane.

Thanks goes out to Montana Slim for designing the fun stages, which included the Texas Star and lots of shotgun targets.

Congratulations to Irish McCarty and Slide Creek Dave for shooting clean matches, which is quite an accomplishment.

If you are interested in joining the rapidly growing sport of Cowboy Action Shooting or have any questions, please contact the match director, Montana Slim at [regulators@zhonka.net](mailto:regulators@zhonka.net).

Yer Pard,

Okie Sawbones sitting in for Short Schatz

## At the Show

CCRP volunteers continue to spread the word about our club at the monthly Centralia Gun Show. They do it the "old fashioned" way: face-to-face conversations with fellow shooters.

Both the club and its volunteers gain from manning the information table.

Benefits include:

Attracting new members. New members bring us the three ingredients required for the future vitality of our club – money, volunteers and the younger members who will continue our traditions and successes.

Learning from other clubs and the shooting public. Firsthand information about the challenges and successes of other gun clubs helps us avoid mistakes and capitalize on new ideas.

Staying Relevant. Our natural tendency to over-focus on our own shooting discipline, may blind us to what other shooters are interested in. Listening to other shooters helps us develop (or re-vamp) shooting programs that will appeal to longtime members and prospective new ones.

Member services. A number of guns show visitors are former CCRP members who dropped out for various reasons. Although it's impossible to please everyone, it is possible to learn from them. Feedback – positive and negative – helps our Board of Directors make effective decisions about what members need and want,

Financial incentive. Volunteering for gun shows is a legitimate (and much appreciated) way to work off your assessment. That \$80 you save may not buy a new deer rifle, but it will lighten your load for transportation to the range, a jug of Hoppe's Number 9 and maybe a few boxes of shells for the grandkids.

## Planning the 2009 Calendar

For everyone desiring to hold an event in 2009, it would be appreciated if you could have your event applications completed and turned in to the Safety Officer by November 19, 2008. This does include those events and matches that are held every year, year in and year out. This will help in getting the 2009 calendar completed in a timely manner so that it will be ready for publication in the Plinker in January 2009 and posted on our website.

The Event, Match, and Range Directors 2009 Calendar meeting is scheduled for December 04, 2009 from 1900 to 2100 hours in our Clubhouse. Any events or matches not scheduled by that meeting will have to be scheduled around anything already on the calendar.

Thank you for your help on this.
