

The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

Club Expansion Plan

Your Board of Directors has been evaluating and developing elements of the Long Term Development Plan which was created by the membership and approved by the Board of Directors at the October 5, 2007 BOD meeting.

In evaluating these different elements and the necessary work for accomplishment, it was decided to create a Task Force devoted to the range expansion elements that roll together under the permitting process involving excavation. Range Directors are members of the Task Force.

The Task Force held its first meeting on December 10 and a determination was made that we need to inform the membership of our existence and outline our intent. To date, the following items are involved:

- AP Range – add 3 new bays, extend and raise bay 3 berms, raise roadway and install culvert, and create an overflow parking lot.
- HP Range – expand the pistol bay (and turn to a right angle) and include further excavation for potential rifle use.
- MP Range – fill in the pit and add safety barrier (eco-block "fence") on right side of range
- BP Range – create more parking and raise the existing safety berm
- Clubhouse – create a circular driveway
- Roadway – re-grading, to include turnouts, to accommodate 2-way traffic upon expansion. Also investigate potential for temporary haul road.

If you have questions or comments, please contact your Range Director so they may be directed to the Task Force. Thank you.

Olympic Firearms Instruction

DEFENSIVE HANDGUN

OFI is pleased to announce, in conjunction with Cabela's and Capitol City Rifle & Pistol Club, instruction on the use of the defensive handgun.

Instruction is provided by Bill Mayne. Bill is a licensed instructor through the Smith & Wesson Academy, a certified NRA pistol instructor and is certified through the Lethal Force Institute on the use of firearms for defensive purposes.

For a list of topics covered and required equipment needed for this class please go to www.olyfi.com and click on Defensive Handgun.

Instruction the first day will be held at the Cabela's location in Lacey, WA followed by live fire training the second day at the Capitol City Rifle & Pistol Club's Action Pistol range, in Littlerock, WA.

Frosty New Year for Free Trappers

Third day of the New Year and it's already too much "White Christmas" delayed. A dozen buck skinners slipped, slid and 4-wheeled their way to the Black Powder Range for the Monthly match. After Tony, Allen & Will cleared the down timber and special visibility was added to the gong targets the event proceeded. The Free Trappers meeting preceding the shoot led by Booshway BO Brown. Medallions have arrived and were available on sale. The new dosing is unique and collectible. BO's started on the 2010 Flyer which must mean that he's interested in doing this job for another year! Arrangements and reminders for the work days on January 31 for the range and Feb. 7th for the clubhouse kitchen stressed the amount of work to do. It looks like there will be a lot of range clearance and need to move the firewood from the parking area so all help will be appreciated. Will Ulry reviewed the range expansion plans for the range which seemed agreeable for all.

Upcoming events: Gunmaker's Guild here January 9th-11th, Evergreen Trade Gun shoot, next Sunday, Jan 11th, Evergreen M.L. Silhouette Jan. 16th & 17th

Shooting results were as follows: Luck Shoot: Gopher: won by Dave Perry; Darts Target: Steve Andrews. Pistol: 1st Will Ulry; 2nd Bob DeLisle; 3rd Ralph Birmingham. Volunteer Opportunities

One thing all gun clubs have in common is that there's always plenty of work to be done in order to maintain and repair facilities, teach safety, instruct new shooters, serve as Range Safety Officers and put on matches.

Each month in the Plinker, we'll try to list opportunities to help keep our club running smoothly and offer members and their families safe and enjoyable shooting programs.

Volunteering, however, is a two-way process. You're not strictly limited to publicized work parties. We'd like to hear about some of the skills that you can offer.

Below is a list of range and match directors. We're hoping that you contact them, asking – or suggesting -- how and when you can help out. The list is neither perfect nor complete. However, it won't take long to discover who could use your help.

More to follow in future Plinkers.

Short Notice: Work Party! January 31, 2009

The Puget Sound Free Trappers have a scheduled range work day on January 31, 2009 to prepare for the Rain Dee Voo starting on February 13, 2009. Come one, come all, to start getting your hours in for 2009.

Don Kerr is the Trail Chief for the Rain Dee Voo and he is looking for volunteers to assist on the trail. Please contact Don Kerr at (360) 789-1380 so he can schedule you in for an hour or two. This can help with your hours for 2009. We will also need help with setting up the Blacksmith.

On February 7, 2009, after the Free Trappers monthly shoot, there will be a field day of the kitchen area and a cleanup/set up of the hawk and knife trail.

Chuck Miller Passes

Another one of the good old guys dies. Chuck was a member when I joined the club in 1970. He made all the meetings, shot with Conard Bernhardt and supported the club in lots of ways. His obituary was in the Olympian on January 16th. Chuck enjoyed the club and shooting enough to go the Camp Perry a couple of times. He will be missed. I know Chris brought Chuck to the range a lot until the last couple of years. Chris said Chuck wasn't a blackpowder shooter originally. Chris was converting him. Our condolences go to Chris and his family.
