

The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

Big Thank You

The Board voted in March to send a Thank You to Mitch Larson and the Sportsman's Warehouse. As you know, the presence of Sportsman's Warehouse has filled a real need in the community for a complete sports shop. What we did not realize was the contribution it made to the many club activities. Also what Mitch Larson has done to support our groups. We all know how some support from organizations has been there but limited. Our members have received contributions for prizes for Rain de Voo, Oregon Trail Days, The Black River Regulators, The Reinhardt Archery event, Boy Scout events at the club and I know I am missing some. Also they have been there when we needed a place to sell Raffle tickets and sign up for the Blue Face League. Bob Jamison said there would not have been enough signed up except The Warehouse did a sign up for us and there are over 16 archers every Friday night flinging arrows at the club. This last week I had the privilege of presenting Mitch a framed letter from Capitol City Rifle and Pistol Club to Mitch Larson and the Sportsman's Warehouse thanking them. Mitch was happy to receive it.

As a sub note The Sportsman's Warehouse has been purchased by United Farmer's of Alberta. It will be renamed at no given time and will continue its contributions to the community. The levels of contributions will be determined later.

Early Spring Hunt

Scouts from Troops 266, 300 and 373 from the Centralia-Chehalis area came to Capitol City Rifle and Pistol Club on April 4th for an early combined Spring Hunt. The “early” part refers to a recent reschedule to avoid the Easter weekend. The “combined” meant that the Spring Hunt coincided with the April Free Trappers Match. Spring Hunt, held by the Puget Sound Free Trappers, offers scouts the opportunity to participate in Muzzle loading rifle shooting, try Archery with 3-d Targets and walk the Tomahawk Trail. The participating Free Trappers had an opportunity to demonstrate their skills with muzzle loading rifles on a mix of paper and gong targets for an aggregate blanket prize.

Twenty two scouts and 11 adults came to the big event to walk the trails and test their skills. There were a number of returnees from previous event so only ten (8 scout and 2 adult) gathered in the WSMA Pilgrim medals for first time shooters. The Washington State Muzzle loaders Association (WSMA) provided a grant which provided shooting components and contributions to the prize blanket along with the pilgrim medals. Recognition medals were presented to the top participants. Rifle awards went to Thayer Lund 1st, Kurt Stephenson, 2nd and Matt Aust, 3rd, Tomahawk throw: Matt Stanfield 1st, Thayer Lund 2nd, and Matt Willoughby 3rd. Archery: Josh Bales 1st, Matt Stanfield 2nd, Matt Aust 3rd. Aggregate for top combined score went to Thayer Lund 1st, Matt Aust 2nd, and Josh Bales, 3rd. Adult awards, presented to the top individual in each category went to Bruce Siperly, Rifle, Scott, Gutschmidt Archery, Steve Aust, Tomahawk, and aggregate Dale Lund Jeff. As Boosway for the Scout event, Julie Walker presented “Segundo” recognition medals to Bruce Sipperly and J.R. Sipperly.

Participants from CCRP who made this event possible were Barbara Rheault, Sherrie Crisp and Bob Jamison, CCB Archery, Tim Sampson for the Tomahawk Trail. Under Steve Andrews direction the Rifle range which involved Jim Robertson, John Vladoff, Ralph Birmingham, Will Ulry, Tony Yaklich, Rowland Zoller, Doug Simpson. Tom Brown, Bo Brown, Tom Witt, Allen Cunniff, Dave Dolliver, Craig Brown and Mike Nesbitt. Additional thanks should go to those who, in addition to helping on the range, at the last minute donated the use of their personal rifles to enable the shoot to occur

The Free Trappers aggregate awards based on 25 and 50 yard buffalo targets and 5 figure targets at 75 yards went to Will Ulry, 1st, Allen Cunniff, 2nd, Tom Witt, 3rd, Mike Nesbitt, 4th, Rowland Zoller 5th, Bob Gietz, 6th, Doug Simpson 7th, Ralph Birmingham 8th, Craig Brown 9th, Bo Brown 10th & John Vladoff 11th.

Beginner/Intermediate Pistol April 2009

The Beginner/Intermediate match drew 17 shooters. The rain mostly held off during the match and eight shooters tried their hand with a second gun. The match included 6 Beginners, 8 Intermediate shooters, and 3 advanced shooters.

The match was 78 rounds shot at bowling pins, paper, and steel. The walk and shoot stage consisted of 6 shots made on the move, 6 shots from behind a barricade from both the left and right side, 3 shots from a prone position, 3 shots with a rifle behind a barricade, and 6 long distance shots at distances up to 40 yards.

The other three stages were all 18 shots each and included steel targets, paper targets, and bowling pins. Beginners shot from 12 yards without any time limit. Intermediates shot from 18 yards with no time limit. Advanced shot from 25 yards with no time limit.

If you know any beginners who want to learn safety rules and basic shooting skills, send them to the Beginner/Intermediate match on 9th. All other pistol shooters are also invited. We recommend that you bring at least 100 rounds to the match. As a reminder, we ask that shooters show up at 8 AM to help set up targets for the match. Also, all shooters who have never shot in this match are asked to attend a 30-40 minute briefing which covers match and range safety procedures and commands.

Cowboy Action

Howdy Folks:

Hopefully, by the time you read this, we'll be having some nice weather. Most cowpokes probably don't put too much stock in climate change other than they believe in four seasons and like the warmer and dryer ones best. Undoubtedly 43 of them neglected to check the weather guessers report before our shoot on March 28, or they just didn't care. That was the most "weather challenged" shoot I've ever experienced. Snowflakes were so big it looked like somebody blew up a chicken farm!

Aside from not being able to feel your fingers and trying to maintain a secure hold on them slippery wet irons, Diamond Slinger and Red LeFleur managed to shoot clean matches. Congratulations cowpokes!

We had a great turnout for Cabela's Great Spring Outdoor event. Volunteers had a good time jawin with folks. As usual, the gals talked guns and the guys talked about clothes. Lots of people expressed interest.

We're still 2 months away from Little Big Match and, as much as we'd like to, we just can't take any more shooters. We're stretching our maximum to 72 and we have a waiting list. We even had to scout for another trailer in order to run a 2nd shuttle to the range. Okie shut down the registration on the web page to not give people false hope. We could have had over 100 shooters by now. Wow!

The Black River Regulators' new web page (www.blackriverregulators.com), is now where all the cowboy scores are posted. If you haven't checked it out already, please do. Okie Sawbones is doing a great job with it.

If you are interested in shooting Cowboy Action or have any questions, please contact Montana Slim at regulators@zhonka.net.

Smallbore Rifle Competition

After a break more than 20 years, Capitol City Rifle and Pistol Club has returned to the world of smallbore rifle competition in the Puget Sound.

The CCRP "Hotshots" took fourth in the Puget Sound Riflemen's Association (PSRA) winter 4-position league. The 12 week league match pitted CCRP against 10 other teams with almost 70 individual shooters.

Shooters fired in prone, sitting, kneeling and standing positions. The top four weekly scores from each team determined the final outcome of the PSRA match.

The 10-member CCRP team was Eric Boos, Noel Vaughn, Jim Greeves, Robert Mason, Bob Greenman, Gerry Smith, Tom Krugman, Tony Miner, Jeff Young and Harry Rayment. Faye and Rachel Rayment and Clinton Carrico trained with the team with an eye to future competition.

Team captain Noel Vaughn said the benefits of the three-month winter league were numerous.

"It boosted the club's status in Western Washington smallbore rifle competition," said Vaughn. "Our Capitol City Juniors are one of the nation's top teams in their age class and we also support very competitive teams from Tumwater and Black Hills High Schools. This latest effort gives us older folks (over 21) a chance to compete at the adult level."

Vaughn also said there was ample club member talent to field a winning team.

"Eric Boos, our highest scorer, is one of the top offhand rifle shooters in the nation. He's won nationally in Highpower Silhouette and is this state's current champion in both Highpower and Smallbore Silhouette. Guys like Jim Greeves, Bob Mason, Gerry Smith and Bob Greenman would be welcomed on any smallbore team. On the other end of the age scale, teenager Rachel Rayment is rapidly making a name for herself in metallic silhouette."

Several of the Capitol City shooters said the league provided additional benefits. Those primarily shooting silhouette gain three months of additional offhand training (with a roof over their heads) during the winter months. Using .22s to practice shooting positions required in Highpower Rifle gives those shooters the edge when the spring centerfire matches begin. And it also provides coaching, practice and competitive opportunities for novice and intermediate shooters.

This year's smallbore shooters are already looking forward to league shooting next fall and winter. Vaughn said there's a good chance of drawing even more highly competitive shooters from the South Sound. Notices for practice and league dates will start appearing in the Plinker this coming fall.

Range Expansion-As of this time the task force is looking at a DNR forest road permit to begin the work at a cost of \$50.00. The timber cut for the road would help offset some of the cost. If the safety backstops are planted with trees we will not have a change in our land usage taxes.

Cabela's Show Report-The show went well and our new display was a great addition to our booth. A need for more women to attend next time was made as it would be a plus for CCRP membership.

Life Member Awards-A Motion was made by Ray Crisp to award Bob Jamison a life time membership for his services to CCRP. 2nd by Noel Vaughn all members voted in favor. Bob Gietz was awarded his plaque for Life Time Membership.

Eagle Scout Project MP Range Flagpole-A scout that is making the MP Range Flagpole his project needed a signature, Brian Erickson signed the paperwork for him. The scout said he would do a fundraiser for the cost.

Volunteer Opportunities

One thing all gun clubs have in common is that there's always plenty of work to be done in order to maintain and repair facilities, teach safety, instruct new shooters, serve as Range Safety Officers and put on matches.

Each month in the Plinker, we'll try to list opportunities to help keep our club running smoothly and offer members and their families safe and enjoyable shooting programs.

Volunteering, however, is a two-way process. You're not strictly limited to publicized work parties. We'd like to hear about some of the skills that you can offer.

Below is a list of range and match directors. We're hoping that you contact them, asking – or suggesting -- how and when you can help out. The list is neither perfect nor complete. However, it won't take long to discover who could use your help.

More to follow in future Plinkers.
