The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

Life Member Awards

If you spend much time at the Club you've surely seen at least one of the three following people there diligently working on something. Whether it be running a match, mowing, cleaning, training, roofing, cutting wood, trimming trees, cooking or serving food, helping someone set up a match, spraying, digging, planning, and the list goes on, these three men really represent what's best about our Club. Their dedication is something to be admired and respected.

In recognition of their years of service to this organization, they have been nominated, and by vote of the Board of Directors, been presented with the "Life Member Award". So, next time you run into one of them at the range, please congratulate and thank them for their contributions. The three awards have been presented to Bob Gietz, Bob Jamison and Bob Greenman. Thank you gentlemen!

Now, if any of the rest of you have interest in earning this award in the future, please realize that the first requirement is that your name is BOB!

Cowboy Action “LITTLE BIG MATCH”

Howdy Folks:

Little Big Match 2009 will now go down in history as our best one yet. We had 68 cowpokes and 24 campers under the stars and the weather was perfect. This is one of the smallest annual cowboy shoots in the region and has rapidly become one of the most popular.

We had 12 stages to shoot over the weekend. That sums up to around 20,000 rounds down range. That's not counting the long range event or the cowboy shoot off. (Some of you may want to put in a good word with the man up yonder to start makin some primers available.) The stage designers did a great job coming up with a variety of challenging scenarios. By far the most popular was the stage by Chucho El Roto where we gave Jess Ducky a fittin sendoff at his funeral and avenging his untimely demise by gettin the dirty low down varmints who caused it. Unknown to the shooter, the guns were staged at random in a series of coffins. The shooter then had to open the coffins of choice and engage the appropriate targets with whatever guns were in the selected coffin. That was a real hoot! Mattie Down the Well was another favorite, written by Sheriff McBride and based on “True Grit”. Poor Mattie was just about worn to a frazzle after being rescued out of that well so many times with that broken arm.

After 12 fun main match stages, we had a man-on-man shoot off for bragging rights. It took a while, and several cowpokes went to the wire for the title. Our man on top ended up being Diamond Slinger. Congratulations Diamond. He needs no bragging rights. This guy is awesome!

Our long range side match was again planned for Saturday afternoon. We had 34 shooters signed up for the long range, of which most shot 3 guns. In an effort to reduce the lines, we allowed the campers and range hands to shoot on Friday afternoon after setup. It turns out most of the shooters lined up on Friday. In the long range event we had categories and winners as follows:

Lever action pistol caliber	100 yds.	10/10 in 0.1775	Slippery Slopes
Lever action rifle caliber	200 yds.	9/10 in 0.53	Sheriff McBride
Single shot (scoped)	200 yds.	10/10 in 2.56	Tippy Canoe
Single shot	200 yds.	10/10 in 1.2481	Short Schatz

We circled the wagons Friday night and joined in the fun of our cowboy jam session with the musical talents of anyone who chose to participate. Wil Sackett came up with a series of cowboy trivia questions that challenged the minds of some of our best cowpokes. That turned out to be a great way to celebrate the birthday of our hero John Wayne. As a side note, Paso Tom and Cedar County Sheriff had to be disqualified because we had to give other cowpokes a chance to participate. They knew all the answers. And, of course, we had a little cowboy poetry. Chucho will never get away without reciting his famous poem about performing mouth-to-mouth resuscitation on a cow!

For those of you who don't know, all SASS shooters have an alias. Sometimes we never learn what people's real names are. We don't know what they do or where they come from. Sometimes you don't even recognize them if you run into them on the street because they don't have their hats and other gear on. At our Saturday night campfire, we took turns explaining to the others how we came up with our alias. Those were some of the most interesting stories I've ever heard. Some were quite funny too!

So, you see, it's not just about shooting. It's about camaraderie, a way of life, and enjoying the common values of people who very rapidly become part of the cowboy family. We all had a great time going back and living, if only for a short time, in the days of the past.

Volunteer Opportunities

One thing all gun clubs have in common is that there's always plenty of work to be done in order to maintain and repair facilities, teach safety, instruct new shooters, serve as Range Safety Officers and put on matches.

Each month in the Plinker, we'll try to list opportunities to help keep our club running smoothly and offer members and their families safe and enjoyable shooting programs.

Volunteering, however, is a two-way process. You're not strictly limited to publicized work parties. We'd like to hear about some of the skills that you can offer.

Below is a list of range and match directors. We're hoping that you contact them, asking – or suggesting -- how and when you can help out. The list is neither perfect nor complete. However, it won't take long to discover who could use your help.

More to follow in future Plinkers.
