The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

Who shot (at) the Easter Bunny?

A valiant few joined up on the 3rd of April to try their marksmanship on some Easter theme targets. In addition to rabbits and squirrels, there seemed to be plenty of "goose eggs" particularly associated with that darned skinny fox at 50 yards down range. First recognition should go the ever-reliable assistants; "Reliable Tony" & J.K., who were there to lend a hand even though they were not shooting. A new luck shoot featured 'moving' (sliding) mini-clay pigeons glued to the tiebreakers which provided a lesson in quality control. After close comparison, Glen Sutt won that prize. Don Kerr's full house took home the poker luck prize. Individual matches went to: Trade Gun: 1st Don Kerr, 2nd Mike Nesbitt and 3rd to new shooter Dr. Marcus. Rifle: 1st Mike Nesbitt, 2nd Jim Robertson, 3rd Don Kerr, Pistol: 1st Don Kerr, 2nd Mike Nesbitt, 3rd Glen Sutt. Aggregate awards went to 1st Mike Nesbitt, 2nd Don Kerr, 3rd Glen Sutt, 4th Jim Robertson, 5th Frank Poncerof, 6th Steve Andrews, & 7th Dr. Marcus. A short Free Trappers meeting recruited Don Kerr agreeing to be Trade Chief of the 2011 Rain-dee-voov. Oregon Trail Days needed Scorers and statisticians as Bob won't be in attendance, so Jim Robertson and Mike Nesbitt volunteered to team-up for such doin's. With the weather threatening but not delivering, all present pitched in to grade out the area for the concrete work. Much credit goes to Jim Robertson with the loader backhoe taking care of the heavy work and Tony and Frank checking and finishing the grade. Weather permitting, the extension should be complete in a couple of weeks.

Reminders: Next Free Trappers shoot May 1st, blanket prizes will be provided. Last shoot at CCRP Black Powder until October 2010.

Beginner/Intermediate Pistol

April 2010

The Beginner/Intermediate match drew 20 shooters for the January match of which five were first-time shooters. It was nice but a little windy and we had a beautiful day for the match. The match was 72 rounds shot at bowling pins, paper, and steel. .

Tracey and Zack Leavell were the class of the beginner class with a 62 and 61 respectively. In the intermediate class, Steve Bell was first with a 60 while Tom Eardley was second with a 47. Ron Lohman was first in the advanced class with a 68.

All pistol shooters are invited to the Beginner/Intermediate match and you can really hone your accuracy skills with this match. If you know any beginners who want to learn safety rules and basic shooting skills, send them to our match. The next match will be held Saturday, February 13.

Shooters should bring a hip holster and a center fire pistol – semi or revolver – of 9MM or larger caliber, and 3 speed loaders or magazines. Cross-draw and shoulder holsters are not allowed. We recommend that you bring at least 100 rounds to the match. New shooters who do not have the needed equipment may borrow equipment from Larry or Ron but we ask that the shooters pay for the ammo they shoot. We ask that shooters show up at 8 AM to help set up targets for the match and stay and help tear down the targets after the match has been completed. Matches are usually completed by 1 PM.

Bullet Casters

I am looking for a bullet-casting mentor. I have read a little bit about it, but would like to save some experimentation to learn from someone that has already “been there, done that.” I am interested in handgun bullets for plinking. Nothing fancy at this time. If you have some time to show me the ropes, I am an eager student.

Thanks,

Robert Moody, 360-491-4092

Calling all Writers

This is your chance for fame and fortune.

Following last month's Plinker, which I heard was pretty darn good, I am at a loss for articles this month. That is where you come in. This is your opportunity to share your shooting experience. Are you one of the new shooters in the Beginner's Match? Tell us your story. Are you a reloader with a knack for making any rifle shine in the accuracy department? We want to hear from you too. Perhaps you are new to firearms and want to learn more. Ask us your questions. We want to hear from you.

Do I sound desperate for stories? You bet! Send me articles by email at plinkereditor@comcast.net or call me with your idea, I will help you write it.

Let's see if we can get back to a full 8 pages of information for all the members.
