The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

In Remembrance

CCRP in general and the Black Powder and Cowboy Action groups in particular have experienced a very great loss with the sudden passing of Jim "Shepherd" Robertson on the evening of Sunday, January 9, 2011. Jim's battle with cancer simply came to an end and he died at home. His wife Connie relates of Jim's affection and love for our shooting club and his engineering expertise will certainly be missed. No memorial services are planned, as was Jim's wish. Jim asked for his ashes to be returned to Montana and distributed at a lake where he enjoyed fishing as a young man. In order to help carry on the fellowship that Jim lived by, please keep his spirit alive in your memories and include him as well as his family in your prayers.

It's Showtime

CCR&P again has been asked to have a display at the Outdoor show at Cabelas on March 19th and 20th. Here is your opportunity to put in some of your work hours by talking to people about the club and shooting in general. What a deal and you will get a 30% off on Cabelas products the day you work at the club display.

How do I get in on this program? Contact Jim Dotterer – dotejl@comcast.net or 412-8229 and first come, first served on time and day.

Beginner/Intermediate Pistol Match January 2011

The Beginner/Intermediate match drew 17 shooters for the January match. It was a bit cold for shooting but the rain held off for the entire match. There were lots of cold fingers at this match. Three shooters brought a second gun and two brought a 3rd gun.

The match was 72 shots with 6 stages. All 6 stages were shot on bay 2 and Ron decided not to set up a walk and shoot this month. Instead, as a make up for previous extra hard matches, all six stages were shot from the 15 yard line and all shooters were allowed as much time as they needed to complete each stage. One difficulty factor for the match was that paper plate sizes that varied from 12 inches down to 4 inches. Also, on stage two, shooters were not allowed to shoot the two 12 inch plates until all of the Texas Star plates were on the ground.

Because this match was so much easier, scores were significantly higher than in several prior matches. Ron Lohman was best in the advanced class with a 71, while Gary Baldwin shot a 67 in the intermediate class. Brian Keay and Frank Bennett tied for best in beginner class with a score of 57.

Mark your schedule for February 12 for the next Beginner Match and we will see you at the Action Pistol Range. Remember, our matches are usually held the second Saturday of each month. Ron announced that the February match will include a 4X4 shoot so bring your big bore guns along in February. Go to the CCRP website at <http://ccrpclub.org/members/> and click on "calendars", and then click on "All Calendars" to find the list of monthly event calendars for the Club. Select the month you want to view in order to verify the date of our beginner match that month.

All pistol shooters are invited to the Beginner/Intermediate match and you can really hone your accuracy skills at this match. If you know any beginners who want to learn safety rules and basic shooting skills, send them to our match. Ron has put the first Saturday of each month on the calendar for beginner training at the Action Pistol Range. Shooters who want to attend this training need to show up at a beginner match and sign up for the training. Ron will provide additional comments about each training class when you sign up.

For each match, shooters should bring a hip holster and a center fire pistol – semi or revolver – of 9MM or larger caliber, and at least 3 speed loaders or magazines. Four are better. Cross-draw and shoulder holsters are not allowed. We recommend that you bring at least 100 rounds to the match so that you have plenty of ammo for the match and practice shooting. Any shooters who do not have the needed equipment may borrow equipment from Larry or Ron but we ask that they reimburse us for the ammo they use.

We ask that shooters show up at 8 AM to help set up targets for the match and stay and help tear down the targets after the match has been completed. Matches are usually completed around 1 PM.

Larry Lufkin, Co-Director

Fog, Sun & Black Powder Smoke

The targets were large and round, the air free of rain but the low sun angle combined with local ground mist and smoke from eleven front stuffers of various calibers to make visibility a real challenge and the match very interesting for the participants. Had the cards dealt in the Poker Luck Shoot been on a casino table, Don Kerr, who won with FIVE KINGS, would have had a lot of explaining to do. As it was he pocketed the pot with good conscience. Steve Andrews won the Turkey head luck shoot.

Individual matches, rewarded by game-watching goodies went to:

Trade Gun: 1st- Don Kerr, 2nd- Adam Sampson, 3rd- Will Ulry

Pistol: 1st- Glen Sutt, 2nd- Mike Nesbitt, 3rd- Tod Fossetta

Rifle: 1st- Bob DeLisle, 2nd- Glenn Sutt, 3rd- Mike Nesbitt

Aggregate awards with prizes donated by the shooters: 1st- Glenn Sutt, 2nd- Bob DeLisle, 3rd- Mike Nesbitt, 4th- Adam Sampson, 5th- Tod Fossetta, 6th- Don Kerr, 7th- Will Ulry, 8th- Frank Poncerof, 9th- Ralph Birmingham, 10th- Steve Andrews, 11th- John Barberi. Range operations benefited substantially from the assistance of Doug Simpson and Tony Yaklich in set up and operation.

In the absence of both the Boosway and Segundo, the Free Trapper's meeting for Rain-de-voov was quite brief. Volunteers were recruited to work with Will Ulry for a couple of Raffle Ticket sales at Wholesale Sports. Any others interested should contact Will to arrange participation. The Trail cleanup day will be Saturday January 29th for work on the range, restoring the Black Powder Range sign (Tom Brown's project) and setting up the Knife and Hawk trail. Kitchen cleanup will happen after the February match (scheduled for February 5th).

Mark your schedule for the next events of the Evergreen Muzzleloaders: the Silhouette Shoot January 13th (noon), 14th and 15th, and their coming monthly shoot on Sunday, February 13th. Down the line a new event has been set up for the area which could merit a change in dates for the April Free Trappers' shoot to the second weekend in April. The Horner's convention has been set for April 1st and 2nd in Vancouver and the range calendar is clear for the alternate dates. If there are any who would have a conflict with the change to April 9th please respond.
