## Annual Bowling Pin Trophy Match – August 21, 2011

The Match had up to 17 shooters who came to test their skills at 25 feet against the elusive Bowling Pin. The match has 4 separate categories where the shooter has to knock 6 bowling pin off a 5 x 3 foot table (except in the 32 cal. Match where the pins just have to be knocked over) in thirteen seconds. This is done twelve times for a total of 72 pins. There were crystal mug's awards for the top three in the first 3 matches and the top 5 in the last match. The temperature ranged from the 60's at the start to the low 80's at the end.

The prestigious .32 caliber match was first with Tom Martin winning with a 71. Second went to Jim Due with a 68 score. Third was Gary Thorson with a 62.

Next up was the Single Action (SA) match with Gary Thorson winning with a 71 and close on his heels was Jim Due with a 70. Third was Tom Martin with a 69.

Third match of the day was the Revolver Match. Gary Thorson copied his win in SA and won with a score of 72 out of 72. Well done Gary. Second was Jim Due with a 71 and Third was Gary Gates with a 68.

The final match of the day was the Last Chance. Tom Martin came through with a 72 to win with Jim Due ever so close with a 71 for Second place. Great shooting. Third place had a tie between Gary Baldwin and Gary Thorson with scores of 69. Gary Baldwin won the shoot off to take Third and Gary Thorson got Fourth place. Gary Gates was not far behind with a 68 score for Fifth. "What's Up" with all the Gary's.

There was one unusual gun in the Last Chance match where Harvey Gertson used a Rossi "Ranch Hand". This is a .357 mag. lever action rifle with a 12 inch barrel and short stock. Remember the old TV series "Wanted Dead or Alive" with Steve McQueen. Harvey did have trouble loading and shooting fast enough.

Scores are on Page 2.

## September 11th M1 Garand Match Results

We had a small turnout for Sunday's match with just 4 of us showing up. There was even a smaller number of Garands that came up to the line. Nobody got the word out to Tony, but the rest of us brought bolt guns for this last match of the season. Didn't really matter though, Tony trounced us. He won or tied for each stage of the match, shooting a 198 8 in the prone stage.

Individual Match Scores;

Gary Baldwin	412 2	4th
Gary Thorson	421 3	3rd
Tony Miner	459 10	1st
Fran Huntington	439 8	2nd

This was the last match for the season. There appears to be just enough interest to try the match again next year. I'm thinking of scheduling 6 matches in 2012. To broaden the interest, we may even put together a lever-gun and single-shot match to follow the Garand Match next year. It seems many of us have these old lever guns or single shots of one caliber or another taking up space in the closet or gun safe that don't ever get out. Anyway, it'd be nice to bring these little used rifles out for some action.

If you have any ideas or comments, please contact Fran Huntington at: [franhuntington@comcast.net](mailto:franhuntington@comcast.net). Hope to see you next year...

## Old Soldier Match – October 23, 2011

Hey shooters, come on out to the October Old Soldier Match. Shooters use an issued military rifle for this 200 yard, 30 shots from the prone position. The rifles have been from the 19<sup>th</sup> and 20<sup>th</sup> Century (Springfield Trapdoors, 30-40 Krag, M1 Garand, Mauser's of various countries and calibers, Swiss K31 and Italian rifles but not AR 15). Dig that old military rifle out of storage and come on out and have some fun.

## Old Soldier Match – August 28, 2011

There were 10 shooters who came out in good weather to shoot at 200 yards from the prone position. It started out overcast and then cleared up with the temperature going from the low 60's to high 70's with sunshine and very little wind. The military type "dog tag" award went to the top three places.

We had a tie score for first place with a score of 290 between Gary Thorson and Gary Baldwin. The "x" count broke the tie with Gary Thorson taking 1<sup>st</sup> with a 290-6x and Gary Baldwin with a 290-4x for 2<sup>nd</sup> place. Tony Miner was knocked off the 1<sup>st</sup> place podium for the first time this year but he did take Third place in another tied score with Ken Horton at 283 but Tony won with 12-x's to Ken's 6-x's. Ken took Fourth place. X's do count. There were only 7 points between 1<sup>st</sup> and 4<sup>th</sup> place. Good shooting guys.

Between the first and second string of fifteen shots there was a "Bayonet Charge" at a silhouette target around 40 yards down range. The command "Fix Bayonets" was given and then the "Charge" command. Seven shooters jumped from the trenches and charged the enemy and were victorious. No one was injured. Ken Horton did take the head off his target with his Wilkinson sword British bayonet. Ken may even shave with this sharp blade.

After the Old Solder Match there were 6 shooters for the Carbine match. The course of fire was different this time. Since the bayoneted silhouette targets were available they were used. A target with an 11.75 inch bullseye was placed on the back of the silhouette target. Shooting took place at 50 yards. Forty shots in four stages of 10 shots each all rapid fire with time of thirty seconds each. First stage was prone shooting at the silhouette head, one point for each hit. The other three stages of sitting, kneeling and standing were shot at center of mass on the silhouette target using the bullseye on the back for scoring. The highest score out of a possible 310 points wins. First went to Gary Thorson with a 264 using a M1 Carbine. Second went to Walt Schumacher with a score of 246-1x using an S&W .22 cal AR 15 clone. Fran Huntington was Third with a 232-2x using an AR-15, M4 Carbine.

Scores are on Page 4.

## Multipurpose Range Closed

The Multi Purpose Range has been closed because of unsafe shooting practices by numerous people. It is available to scheduled events that are approved and NRA RSO ran. Current NRA RSOs may also shoot on the range, if the posted range rules are strictly followed. The range needs to have major safety work done in order to allow open shooting There will be work parties and information available September 10 and 11 on the range. Get your 8 hours club work for your dues discount in and get informed. If you intend to be there, e mail [balestrap@comcast.net](mailto:balestrap@comcast.net) or call me 360 943-8057

## Planning the 2012 Calendar

For everyone desiring to hold an event in 2012, it would be appreciated if you could have your event applications completed and turned in to the Safety Officer by November 15, 2012. This does include those events and matches that are held every year, year in and year out. This will help in getting the 2012 calendar completed in a timely manner so that it will be ready for publication in the Plinker in January 2012 and posted on our website.

The Event, Match, and Range Directors 2012 Calendar meeting is scheduled for December 09, 2011 from 1900 to 2100 hours in our Clubhouse. Any events or matches not scheduled by that meeting will have to be scheduled around anything already on the calendar.

Thank you for your help on this.
