

# The Plinker

## MISSION STATEMENT

*The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.*

## Air Pollution Alert

Talk about the air turning blue! Saturday morning saw the combining of low but very bright sun angle, residual mist, stagnant air, and the smoke from 15 various front-loaders. That all made visibility down range down right problematical. It was more challenging than most shooters had bargained for and there were times when a shut down of the range to change targets was most welcome. The day progressed, the air cleared and the shooting results were finally determined. Obliging the ground hog and gopher targets stayed out of their holes throughout. Both of the luck shoots (poker cards and gopher head) went to Adam Sampson. Special recognition (the weenie can type) went to Gary Young for his "I know I didn't-yes you did": dryball. In observance of ground hog day, meat prizes of the sausage variety went to the individual match winners. Trade Gun; After Frank Ponceroff took the weenie can, 1st place went to Adam Sampson, 2nd to Tom Witt and 3rd to Will Ulry. Rifle; (Kent Dunn;the 'weener') Don Kerr-1st (with a fine looking new Jaeger styled rifle by the way), Tom Witt-2nd, and Mike Nesbitt-3rd. Pistol; Tom Witt, won the low score recognition, 1st-Mike Nesbitt, 2nd-Adam Sampson, and 3rd-Doug Simpson. Those who chose to donate and participate in the Aggregate; Don Kerr-1st, Mike Nesbitt-2nd, Doug Simpson-3rd, Frank Ponceroff-4th, Tom Witt-5th, BO Brown-6th, Will Ulry-7th, Rowland Zoller-8th, John Vladeff-9th and Kent Dunn-10th.

During the subsequent Free Trappers Meeting, Mike Nesbitt presented some of the awards to winners from the WSMA Silhouette match of two weeks ago. Rain-Dee-Voo Booshway Rowland Zoller went over task assignments along with recruiting for range monitors. Preparations are well in hand although there was disappointment over the announcement the blacksmith Ray Baker will be absent. Will Ulry recapped preparations for Oregon Trail Days and has several ideas for encouraging new youth and adult shooters for an open shoot event at the conclusion of the Saturday matches. Timing is improved this year since the PLR rendezvous at Sequim will be held the week before our Oregon Trail Days at Tenino.

This was a busy day both before and after. A large and helpful crew appeared on schedule Friday and prior to the Saturday shoot a segment of time was involved in further clearance of storm debris from the trails Tim Sampson, Allen Cunniff, Dave Perry and Adam Sampson put in extra effort to get the knife & hawk trail in shape. Following the shoot and meeting, burgers and soup were available at the CCB outdoor kitchen and the kitchen area at the clubhouse was mopped, scrubbed and de-cobwebbed. All of this took needed extra effort from the Free Trappers and thanks is extended. Coming events: Next week at Evergreen the Sunday shoot will also involve a trail walk work party.

Bob Gietz 360-273-7862

## High Power Rifle Match Introduction

As we begin a new year of High Power Rifle matches at CCRP, we thought now would be a good time to let you know what's happening. Long time High Power Range Director Rick Baldwin has stepped down from the position. Thank you Rick for all your hard work over the years! We have a team-of-three who have taken over Rick's duties. They are:

Tony Minard – CMP Match Director

Fran Huntington – M1 Garand Match Director

Gary Thorson – Old Soldier Match Director

Our high power rifle matches are intended to be fun matches where shooters can learn the high power rifle game, and improve their skills. The matches generally follow NRA High Power Rifle Match Rules. However, the Match Directors deviate from the NRA rules a little to foster a learning experience for shooters who are new to formal matches. Come on out and give it a try! The *Regulars* are all friendly folks and will take the extra time to help you learn the game.

All the high power matches are fired on 200 yard bulls-eye targets. Several of our shooters have gone on to shoot NRA sanctioned across-the-course matches, and earn their NRA classifications. These NRA sanctioned matches are held at Paul Bunyan in Puyallup, Cascade in Ravensdale, and other ranges around the state. The sanctioned across-the-course matches are fired at 200, 300, and 600 yards. Our local CCRP Club high power matches are a great place to learn the game so you will know what to expect when you go to one of the "big matches".

Set up for each match starts at 8:30 AM, and shooting starts at 9:00 AM. Each match has a \$10.00 entry fee. Awards will be given for placing in any of our matches. Here's a synopsis of the three matches:

**The CMP Match** (name taken from the Civilian Marksmanship Program) follows the NRA High Power Rifle match format. We call it CMP because it is geared toward the use of the Service Rifle, such as M1 Garand, M1A, AR-15, etc. Other types of high power rifles, such as Match Rifle and F-Class, can shoot in the match, but only Service Rifle shooters will qualify for match awards. The course of fire is 50 rounds for a total of 500 points, as follows:

20 rounds slow fire prone position, in 20 minutes

10 rounds rapid fire prone position, in 70 seconds

10 rounds rapid fire sitting position, in 60 seconds

10 rounds slow fire standing position, in 10 minutes

The CMP Matches are held on the 4<sup>th</sup> Sunday of the odd numbered months; Jan, Mar, May, Jul, Sep, Nov. - Following the CMP match we have a .22 rimfire rapid fire silhouette match. Bring your .22!

**The Old Soldier's Match** is another fun match. This match is for Standard Issue Military Rifles. You can use any standard issue military rifle, from any country, in *as-issued* configuration. We see some really interesting rifles show up here, and that's part of the fun. Typically, we see M1 Garand, M1903, M1917 Enfields, British Enfields, Mausers, Mosin Nagants, Swiss K31's, etc. (M1A and AR-15 don't qualify because these are not *standard issue*; the M-14 and M-16 with select fire capability were the standard issue military versions of those rifles). You can come shoot M1A and AR-15 in the match, but you won't qualify for placing in the match. The course of fire is all slow fire from the prone position, with two 15-shot strings in 15 minutes each, for a total of 30 rounds and 300 points. The Old Soldier's Matches are held on the 4<sup>th</sup> Sunday of even numbered months; Feb, Apr, Jun, Aug, Oct, and Dec. - Also, following the Old Soldier's Match we have a really fun carbine match.

**M1 Garand Match:** In 2011, Fran Huntington started up a match specifically for M1 Garand rifles. If you have an M1 collecting dust in the back of your safe, get it out, clean it up, and come on out for these fun matches. The club has a couple of M1 loaner rifles; contact Fran if you want to borrow an M1 for the match. The course of fire is the same as the CMP match. These matches are held on the 2<sup>nd</sup> Sunday of each month from April through September. - And following the M1 match, there will be a fun match for lever action and single shot rifles.

A new program we are starting up this year is the "**CCRP Distinguished Rifleman**" award program. This is not the same as the CMP Distinguished program; we just plagiarized the name. Here's how this will work: If you place in any of the three high power matches you will receive *points*. Between the CMP, Old Soldier, and M1 Garand matches, there will be a total of 18 matches for the year that you can earn *points* in. We will award points based on your placing in the match (1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, etc.) and the number of participants in each match. The more participants, the more places will earn *points*. At the end of the year, those shooters who have earned an aggregate of 20 points or more will be awarded the designation of "**CCRP Distinguished Rifleman**" for that year. There will be certificates awarded to each Distinguished Rifleman, and the top finisher for the year will receive a trophy.

Come on out and have some **High Powered** fun.

## VOLUNTEERS NEEDED

### **Limb and tree branch cleanup is needed.**

The January snow and ice storm brought down a very large amount of wood, all over the club. Currently, there are piles of branches and wood alongside most of the roads. The volunteer work information:

- Drive around the roads with a pickup or trailer, picking up the wood that is already cut up and laying along side the roads.
- Take the wood to the woodshed behind the clubhouse (the shed door is open).
- You may use the club trailer that is located behind the tractor shed. The shed is to the right of the clubhouse, when you are facing the clubhouse from the parking lot.

This is a do-it-on-your-own-time project. The contact person is Will Ulry, 360-701-8105.

### **Oregon Trail Days, July 27 thru 29, 2012**

Volunteers will be needed as follows:

- On Thursday, July 26, bring about 4 pickup truck loads of stuff from Tenino to CCRP, and set up the firing line.
- Scoring targets during the event
- Keeping the water supply filled during the event, as it is usually hot and plenty of water is needed.
- Miscellaneous help during the event.
- Move about 4 pickup loads of stuff back to Tenino in the afternoon of Sunday, July 29.

The contact person is Will Ulry, 360-701-8105

### **The large CCRP sign by the road, outside of the main gate, needs cleaning. This is a do-it-on-your-own-time task.**

Contact person is Will Ulry, 360-701-8105

\*\*\*\*\*

Note: Match Directors, Board members, and those in charge of each range are invited to list in the Plinker their upcoming volunteer needs by calling John Wicklund, 360-438-5971. He will compile and update the list each month.

The list could include volunteer needs in the next month or two, as well as opportunities as far out as a year ahead. In addition to work parties and help needed at individual matches, the list can include needs for individual do-it-on-your-own-time opportunities.

**MEMBERSHIP DUES RATES*****Dues and Renewal policies are effective September 1, 2003***

Members will receive a statement 45 days before their membership expires. (Your renewal month is found on your mailing label.) The dues renewal date is the last day of the month in which members' "annual date" falls. Members' gate card will automatically "lock out" on their renewal date if they have not renewed, and their membership will be considered "inactive" for 30-days, during which time they may still pay their dues. After 30-days on "inactive" status the membership will be terminated. Should they wish to rejoin CCR&P past the 30-days "inactive" status, they must reapply as a new member and attend the Orientation class. **Membership fees**, collected at the time of the orientation classes are:

Annual dues **\$70.00** for the first member of each household and **\$35.00** for each additional eligible member of the household.

Initiation fee (one time) **\$80.00** for each household and a refundable gate card deposit fee of **\$10.00** for each member.

In addition, each member is expected to devote 8 hours of volunteer service annually or recruit two new members or pay an assessment of **\$80.00**.

**NRA membership (required)**

**Orientation class (required)**

**(GUESTS:** Members may bring their spouses and children under the age of 18 years old **as guests** as often as they'd like. Non-immediate family member guests are limited to two visits annually. Members **MUST** accompany their guests at all times, including spouses and children, and are responsible for the conduct of their guests.)

**NRA CLUB AFFILIATE BENEFITS**

Free listing of events on NRA website; discount on range technician team & service; attorney referral service; non-legal advice for legal problems; NRA attorneys pro bono for national concern issues; eligible to apply for \$5,000 grant annually; \$10 reimburse for each new NRA member; \$5 reimburse for each returning member; "Club Connection" quarterly magazine; eligible for NRA firearms insurance.
