## MORE SHARPS EVERY TIME

"Sharps shooting" must be catching on or shooters were looking for a good event as Saturday, [August 3rd](#), saw the best turnout for the current year. Nine shooters on line and eight of them with traditional Sharps Model 1874 single shots. Sharps shooters shooting sharply again, particularly when you look at the scores. Considering all the tightly spaced holes, particularly at the 50 yard target, scoring is becoming quite a challenge. Even so, it is too bad that the center-fire shoots have only one more month to run, hopefully in continued dry weather because rain soaked targets could further complicated the scoring. Reliable Tony was present to keep the coffeepot filled. Observers/visitors were Bill Wirtaanen, Dave Dolliver and Tom Brown. Tom and Dave assisted with the scoring and Tom tried a session of port sided rifle work (beginning with a .32-40) to evaluate how aperture sights might accommodate his conversion to left-handed shooting.

Shooters and scores in order of finishing were:

Name	Firearm	50yd	100 yd	Total	PLACING
Adam Sampson	C Sharps 50-70	95xxx	96xxx	191 6x	1st
Allen Cunniff	C Sharps 45-70	96 5x	92xxx	188 8x	2nd
Mike Nesbitt	C Sharps 44-77	94xx	92xx	186 4x	3rd
Bob DeLisle	Pedersoli Sharps 45-70	95xx	90 x	185 xxx	4th
Kent Dunn	Pedersoli Sharps 45-70	91x	89x	180 xx	5th
Tim Sampson	Pedersoli Sharps 50-70	89xx	89xx	178 4x	6th
Ron Folty	C. Sharps 45-70	84x	77	161x	7th
Will Ulry	Shiloh Sharps 45-70	75	74	149	8th

DeWayne Pritchett brought an 1866 Winchester copy for familiarization shooting and didn't turn in scores.

Prizes again furnished by C Sharps Arms thru Mike Nesbitt were awarded for the top three competitors.

[September 7th](#) will be the concluding match for the season and after the top three shooters are awarded, aggregate prizes will then be awarded to all shooters in order of accumulated scores, again courtesy of C. Sharps Arms.

## Beginner / Intermediate Handgun Match

August the 17<sup>th</sup> was another excellent day for a handgun match. Most of the morning it was overcast but the temperature was in the 70's and great for shooting with no sun in your eyes. It's really going to be hard to say goodbye to this nice weather as it has been really nice to shoot in T shirts and light weight clothing with dry guns. Thanks again to all who participated in the Friday match setup as without you this would be a very tiring job. Our setup crew is getting more and more efficient and setup is actually becoming more enjoyable.

Saturday morning got started promptly at 7:30 AM as stage numbers and courses of fire were carefully laid out, cardboard and paper targets were set in place as well as taper guns and tape put in their appropriate locations. Single Action registration was also taking place for an 8:00 AM start.

10 shooters engaged in the Single Action Match. With our reduction in shot count, a perfect score was 50. Bragging rights went to the following shooters:

1 <sup>st</sup> Larry Lufkin	50
2 <sup>nd</sup> Tom Eardley & Bob Becker (Tie)	44
3 <sup>rd</sup> Ken Brocx	42

Good job guys, Tom and Bob are just going to have to argue it out until next month. Single Action continues to grow and the competition keeps getting closer.

The Safety Meeting was completed shortly after 9:00 AM. Larry Lufkin handled the new shooter safety orientation and the match got underway shortly after the walk through of the "Walk and Shoot" (Run and Gun) on Bay 1. 31 shooters came out for the regular match with 5 of them being new shooters. 49 guns were used putting over 2500 rounds down range in a little over 3 hours.

This match consisted of 5 stages of 10 shots each. 4 of the stages were in Bay 2 from a stationary firing line not timed. Stage 5 was in bay1 and was timed. The shooter was allowed to move at a speed they were comfortable with as this is scored heavily on safety and accuracy while moving with the gun.

15 Beginners took on this match with the following results:

1 <sup>st</sup> Bob Becker	42
2 <sup>nd</sup> Ron Greaves & Larry Cohn (Tie)	39
3 <sup>rd</sup> Frank Bennett	38

8 Intermediate shooters had the following results:

1 <sup>st</sup> Ken Brocx & Linda Hildabrand (Tie)	47
2 <sup>nd</sup> Tom Eardley	44
3 <sup>rd</sup> Barb Rheault	38

8 Advanced shooters had the following results:

1 <sup>st</sup> Gary Baldwin	46
2 <sup>nd</sup> Dick Smith & Dave Chalfant (Tie)	45
3 <sup>rd</sup> Brian Keay & Larry Lufkin (Tie)	44

Because this was not a "Prize Match" there were no shoot offs for tie scores. You just have to be hard on yourself for missing that one shot that would have clearly separated you from that shooter you just couldn't seem to beat. We all know there were one or two shots that we just gave away and shouldn't have! Yes, Saturday the 17<sup>th</sup> was a good day for handgun match. Fun was had by all, as well as learning to shoot better, and fessing up to the flinch we shouldn't have done here and there.

**Mark your schedule for September 14th for the next Beginner Match and we will see you at the Action Pistol Range. Remember, our matches are usually held the second Saturday of each month.**

Shooters should bring a hip holster and a center fire pistol – semi or revolver – of 9 mm or larger caliber, and at least 3 speed loaders or magazines. Four are better. Cross-draw and shoulder holsters are not allowed. We recommend that you bring at least 100 rounds to the match so that you have plenty of ammo for the match and any practice shooting you do. **Any shooters who do not have the needed equipment may borrow equipment from Larry or Ron but we ask that they reimburse us for the ammo they use.**

If you would like to join us in our training class on the first Saturday of the month please contact Ron by email to get signed up as he normally cannot take walk-ins because of class size. You can contact Ron Lohman at rons1ab2@aol.com.

## THE DOIN'S AT TENINO 2013

by Mike Nesbitt

The doin's at Tenino was again the site for the WSMA Formal Rifle Championships this year, an annual event. The "formal" part about such doin's is based on the fact that this competition is all on paper targets for score. There are some other shoots held along with the rifle competition, such as a trade gun match and a pistol match as well as some one-shot novelty rifle matches. There is also a Ladies' Match which is not part of the main aggregate. Those other shoots are not part of the Formal Rifle Championships but they certainly do add to the fun.

Many of the names you'll read in the list of winners will be familiar to you if you have shot at Tenino or simply read a report on such doin's from a previous year. For instance, once again the shooting was supervised by the capable management of Tom Brown, as Range Safety Officer. There are some differences in the shooters names, for sure, but instead of a shot by shot account of the shooting, let me say something just a bit different this time about these annual matches.

There are a couple of shooting prizes that have really become traditional at the Tenino shoots. First there is the wooden chair made and donated by Will Ulry. Will has made several hundred of those chairs and the chair donated for these Tenino doin's is always marked with a branded "T-9-0" plus the year. Those "T-9-0" chairs are coveted prizes and they are most often grabbed by the top shooter in the Formal Rifle Championships aggregate, along with the 1st place gold RSO Tom Brown medal. The 1st place winner this year, and last year too, was Adam Sampson.

The next traditional and highly desired shooting prize at Tenino is one (or more) of the custom-crafted buffalo powder horns made by Harold Moore. Harold is a well noted powder horn maker and for many years he had provided the shooting prizes for the Trade Gun Match at Tenino. On several occasions Harold has donated three powder horns as prizes for 1st, 2nd, and 3rd but this year he had time to complete only one horn. And that horn is a beauty, one that all black powder shooters would treasure. This year the 1st place winner in the after-aggregate Trade Gun Match was me, and I considered writing this report on Tenino in 3rd person so I wouldn't be using "I" or "me" in these results. But what else can I say? I won that powder horn and I'll be proud to show it to you.

And, certainly, very big, sincere and multiple notes of Thanks go to both Will and Harold for their donations of fine shooting prizes over the years. Those prizes, and the excellent and varied prizes that are "for grabs" by all shooters who shoot in the aggregate, are more than enough to be very good "bait" for bringing shooters back to these events in Tenino. By singling out Will and Harold doesn't mean the kind folks and the traders at Tenino are being ignored, the staff of the Tenino doin's and the shooters extend kind thanks to everyone who donated prizes for these events.

There is more to say about the doin's at Tenino, of course, such as the new Stake Shoot which might become a regular part of the shooting events. If this interests you, join us next year. The Stake Shoot was won by Will Ulry and his grandsons, Carson Edminster and Austin and Andrew Michal.

## High Power Rifle Match

Our July 28 CMP/NRA format High Power Rifle Match had a good turnout for a good time. We had perfect overcast sweatshirt weather for shooting. We added a little extra challenge. We unexpectedly ran out of 200 yard targets, so we had to shoot the Rapid Sitting and Slow Fore Standing stages on the reduced 300 yard targets. But that didn't seem to slow anybody down.

Tony Miner was in a "class by himself" shooting his AR-15 Match "space" rifle. Tony posted the top scores in each stage, and the overall match high score of 466-2X. Good shooting Tony,

Everybody else shot Service Rifle class. Service Rifle high scores were:

Slow Fire Prone – Rod McDonald at 183-2X

Rapid Fire Prone – William Murray at 93-2X

Rapid Fire Sitting – Gary Thorson at 95

Slow Fire Standing – Gary Thorson at 82

Service Rifle class match winner – Gary Thorson with 433-1X

Following the high power match, we had our popular .22 rimfire rapid fire silhouette match. We each fire the course twice, and took the fastest time for score. Match winner was Rod McDonald shooting the 25 targets down in a blazing time of Zero minutes and **57 seconds!**

## VOLUNTEERS NEEDED

Bob Jamison needs 3 people for 8 hours each to clean the club house roof. For info, contact Bob at 360-951-0436 or 360-352-3816.

Contact Bob to find out if someone else has already completed this work, and also to receive volunteering credit for the hours that you work on this project.

Match Directors, Board members, and those in charge of each range are invited to list in the Plinker their up-coming volunteer needs by calling John Wicklund, 360-438-5971. He will compile and up-date the list each month.

## Hunters Sight In

Getting volunteers for Hunters Sight In has been tough this year. Right now I have John Mulhall as RSO for both 28 and 29 Sept and 5 and 6 October. John Frost has volunteered for the Sept. dates. Will Ulry and Ray Hansen have volunteered for the Oct. dates. This really is not enough to man both weekends but it has us optimistic about putting it in place. Please let me know if you can help. I became a member because of Hunters Sight In. I believe it is important. *[editor's note: Will has recruited additional help since he wrote this, but he would still appreciate additional helpers.]*
