

The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

Lots of Ground Hogs, No Shadows

Our monthly match had seven regulars and two new-comers on hand along with lots of ground hogs as the match targets. Maybe it was the smoke clouds but no shadows were seen. So that means six more weeks of? Winter? (Or whatever we're having with dry ground and 42 degrees). Reliable Tony mastered the heating fire and coffee pot and Tom Brown assisted with range management. Non-shooters on hand keeping busy restoring the Tomahawk trail were Boosway Tim Sampson and Dave Perry. Frank Ponceroff joined their work party after having a broken gun on his first shot. A brief Free Trappers meeting focused on the remaining tasks for Rain Dee Voo. Tom Witt reported on a full sign up for the Scout Spring Hunt event to be held April 12th.

The business at hand was the usual match with omission of the Trade Gun flyers. Luck shoot winners were Tom Witt for the mystery card and Will Ulry for the Gopher head. Individual match winners were as follows: Trade Gun 1st-Don Kerr, 2nd-Mike Nesbitt, and 3rd-Tom Witt, Pistol; 1st-Mike Nesbitt, 2nd-Don Kerr and 3rd-Rick Michel, Rifle; 1st-Don Kerr, 2nd-Mike Nesbitt and 3rd-Tom Witt. Aggregate winners with those donating a prize taking their choice from the blanket were; 1st-Mike Nesbitt, 2nd-Don Kerr, 3rd-Tom Witt, 4th-Kent Dunn, 5th-Will Ulry, 6th-Rick Michel, 7th-Josh Brown, and 8th-Nathaniel Chance. Rick and Nate were first timers and will move up in the ranks with experience.

Sharps-ly Greeting Spring

The "Sharps shooters" plus one gathered at the High Power Range on February 8 to compete and extend their range to the 200 yard capability. This event was greatly assisted by the hospitality of High Power Director Fran Huntington and it gave the black powder cartridge shooters a chance to try their rifles at an extended venue. The course of fire included 20 rounds from the "buffalo guns;" 5 shots at 50 yards, 10 shots at 100 yards and 5 more shots at 200 yards. Our weather was substantially less hostile than anticipated, although still chilly enough to make hot coffee very welcome, and the shooters' scores seemed to show a positive appreciation of the temporary warming trend.

Results, in order of Aggregate Score were:

Name	Rifle & Caliber	50yd	100 y	200y	Total
Allen Cunniff	1874 Shiloh Sharps 50-70	50xx	93	50x	193xxx
John Weger	1874 C Sharps 50-70	50x	93x	39	182xxx*
Kent Dunn	Pedersoli Sharps 45-70	47x	85	47xx	179xxx
Ron Folty	1874 C Sharps 45-70	45	88x	45	178x
Adam Sampson	1874 C Sharps 50-70	45x	84x	46	175xx
Don Kerr	1878 Lyman Sharps 45-70	36	84x	45	165x
Mike Nesbitt	1874 C Sharps 44-77	46x	91x	24	161xx
Will Ulry	1874 Shiloh Sharps 45-70	43	97xxx	8	148xxx
Fran Huntington	Springfield Trap door 45-70	43	66	26	135

Note: Incorrect score was announced at range but rank overall was correct.

Aggregate prizes were provided by C Sharps Arms through Mike Nesbitt and were a variety of Sharps -themed prints and C Sharps Arms mouse pads. Thanks to Mike for arranging the prizes plus scoring assistance and to Fran Huntington for range hospitality and assistance. Another big vote of thanks goes to Rangemaster Bob Gietz for conducting this match in safety.

Hello High Power Shooters

Well, you guys listened to the weather report and believed them. They lied! They said sunny and 50 degrees. We had foggy and 39 degrees. But thanks to all 18 of you for coming out for our first CMP/NRA format Service Rifle match of the new year. Today was also the inauguration of our new Sniper Challenge (So you think you're a Sniper, Huh?), followed by the Carbine Match.

I want to thank Fran Huntington for coming out to shoot and help run the firing line, even though he wasn't feeling well. Hope you feel better soon. And thanks to J.D. Smith for calling the line during the Carbine Match. And a big thanks to all 18 shooters for keeping the match organized and safe!

We had several "newer" shooters today. In looking at the scores, several of you were a little rocky in the Slow Prone and Rapid Prone stages, but really picked it up in the Rapid Sitting and Slow Offhand stages. You guys keep it up for another couple of matches and we will have some stiff competition this year. Good shooting!

The Service Rifle win went to William Murray shooting his AR-15 for a score of 467-9X. Good shooting William.

Second – Gary Thorson 456-5x
Third – Bruce Fockler 439-2x
Fourth – Rod McDonald 436-3x
Fifth – Gary Baldwin 430-2x

Following the Service Rifle Match we had our new "So you think you're a Sniper, Huh?" Match. Gentry Taylor and Ken Horton tied with both hitting 4 out of 5 shots on the 6-inch gong at 200 yards. They went to the Sudden Death shoot-off, and both missed – so they split the winnings. Everybody seemed to have fun with this match. Those Magnums really make that little 6-inch gong fly. (I've figured out how to modify my chains to keep the gong on the rack next time). Out of the 5 shots for each shooter, here are the hits:

Gentry Taylor – 4
Ken Horton – 4
J.D. Smith – 3
Gary Baldwin – 2
Jason Koppellberger – 2
Erick Johanson – 2
Gary Thorson – 2
Joe Horton – 1
Rod McDonald - 0

Last but not least was the Carbine Match. This match was fired on the old style "5V" targets at 50 yards. This is a rapid fire match. We start with two 10 round magazines. Shoot 5 rounds standing, 5 rounds kneeling, then go to prone, reload, and shoot 10 rounds prone, all within a time goal of 1 minute. We fire two strings for a total of 40 rounds, 200 points maximum. We had all manner of "carbines" on the line today, ranging from Ruger 10/22's to AR-15 carbines to M1 carbines to some Communist Block stuff to one .308 hand held cannon. But this course of fire evens the field

Beginner/Intermediate Handgun Match

It didn't look too promising on Friday the 7th, setup day, as the temperature was 11 degrees and the ice crystals were 4 inches deep in the gravel in front of the impact berm in Bay number 2. Even with gloves on, handling the steel plate racks and putting the legs on them to stand them up made one want to go to some place where it was warm and have a hot drink of some kind! Anywhere it was warm doing anything else was way better than what we were doing then. It was a good thing that it was not a difficult match to set up.

Match Day, Saturday the 8th, I arrived at the range at 7:30 AM to see Frank Bennett had his back pack blower on and was blowing all of the light snow skiff off the ground tarps and shooting position carpets that had been set in place the day before. The temperature was in the lower to middle 30's but way better than the day before. At 8:35 AM the shooters started coming in and by 9:00 AM shooting time we were looking at a crowd of 8 shooters.

There's an old saying: "When the going gets tough, the tough get going" and it looks like we now know who they are. That's not entirely true as we had some folks that had come down sick the week of the match and some that had emailed me they had to work that day plus I have no idea the condition of the roads in the outlying areas. It takes extraordinary conditions to keep our shooters away from our matches.

Of the 8 shooters represented, we had 1 Beginning shooter, 2 Intermediate shooters, and 5 Advanced shooters, shooting a total of 18 guns.

Single Action produced 4 shooters:

1 st Dick Smith	49
2 nd Frank Bennett	42
3 rd Burt Miller	35

Beginning Shooters:

Nicholas Parker (2 nd time out)	33
--	----

Intermediate Shooters:

1 st Frank Bennett	45
2 nd Burt Miller	36

Advanced Shooters:

1 st Dick Smith	45
2 nd Gary Baldwin	41
3 rd Larry Schadt	37

It was cold when we started but it got a little more bearable as the morning progressed. I think the worse thing was loading if you were using a revolver and loading 1 at a time as it was like trying to put an ice cube in the cylinder each round you loaded (not using gloves of course).

Those of us that were there will be able to brag about how cold this match was some day at the bar over a nice warm drink. "Hey remember that match we had in 2014 -----."

It's all good time shared with good friends!

Mark your schedule for March 8th for the next Beginner/Intermediate Match and we will see you at the Action Pistol Range. Remember, our matches are usually held the second Saturday of each month.

Shooters should bring a hip holster and a center fire pistol – semi or revolver – of 9 mm or larger caliber, and at least 3 speed loaders or magazines. Four are better. Cross-draw and shoulder holsters are not allowed. We recommend that you bring at least 100 rounds to the match so that you have plenty of ammo for the match and any practice shooting you do. **Any shooters who do not have the needed equipment may borrow equipment from Larry or Ron but we ask that they reimburse us for the ammo they use.**

If you would like to join us in our training class on the first Saturday of the month please contact Ron by email to get signed up as he normally cannot take walk-ins because of class size. You can contact Ron Lohman at rons1ab2@aol.com.

RAIN-DEE-VOO, Rain for sure

For their first muzzle-loading event of the year for the Puget Sound Free Trappers of the Capitol City Rifle and Pistol Club hosted the annual "Rain-de-vo" on the roudy trail just south of Littlerock. Starting at 1:00 o'clock Friday afternoon on February 14th, Boosway Tim Sampson opened the gate to the trailwalk. While Friday was reasonably dry for the early comers, Saturday lived up to the events name with some pretty substantial shower's. Lots of ponchos & dusters were seen along more than a few camo jackets. Event registrants comprised a total of 43 shooters, composed of 34 men, 2 women, 4 juniors, and three under 12's. Around a dozen campers endured and only 4 primitives took their damp canvas home to dry. Around a half dozen traders welcomed the patrons including a number of visitors from the local community.

The competitors had a range of typical events: Rifle, Trade Gun, Pistol, Knife & 'hawk and Archery trails. Mike Nesbitt headed the shooting trails while Tim Sampson ran the Knife & Hawk event and Will Ulry carried on as Trade Chief. Capable helpers were: Segundo Kent Dunn, Registrar/Clerk Tom Brown, Allen Cunniff, Bob DeLisle, , Dave Perry, Tony Yaklich and Frank Ponceroff along with perhaps some others whose names may have escaped, kept the trails working. Aggregate scores could combine either Archery or Knife & 'hawk with the Rifle trail. Will Ulry and the Capitol City Bowmen ran the Archery event and the Under 12 shooting events.

Off the trail we had the Trader's Row as well as the club house kitchen being operated by the Capitol City Bowmen to help pass the time. The WSMA held their annual meeting Saturday afternoon. Saturday evening gathered all comers to the Pot Luck, which had catered baked and fried chicken provided by the Free Trappers to compliment the results of the Dutch oven competition. Will Ulry was in charge of the evening's events. Our Trader's Auction and Poker Tournament filled out the evening's agenda. Lots of folks pitched in to get the details taken care of which included some of the "guests" as well as the hard-working Free Trappers. Dutch oven cooking was judged by tom Brown had only one participant, JoJo McWhinney with an also tried award to April & Rick Michal whose open fire just wouldn't burn. Coffeepot (Bob Kindsvater) cleaned up in the poker tournament.

Our shooting concluded with the novelty events which began at noon Sunday. Those were run by, Kent Dunn and Pete Strobl, and matches included the stake-cutting shoot, and a Squirrel Gun match. The winning Stake shoot team was Rick Michal, Will Ulry and Ken Edminster. The True Squirrel gun match (.40 or less) winner was Will UlryJoJo McWhinney with a "Large bore" scored a 2 1/2" on the squirrel target.

The end result of all efforts and activities came in recognition in the aggregate blanket and awards. WSMA's grant to the event provided special awards for Junior and Under 12 shooters, and WSMA "Pilgrim" medals went to those participating in a black powder event for the first time. Special awards of WSMA provided Trader's Bucks to lucky Under 12's; The WSMA donation contributed to the muzzle loading rifle for the one-shot buffalo hunt prize. Scout Troop 310 lead by Craig Brown participated in the Saturday trails and five scouts were recognized with Pilgrim (new shooter) Awards. Recognizing our top contributors; Cabela's sponsored awards for the Flint and Percussion Rifles, Pistol & Trade gun. Randy Rice (Careful Loader) donated awards for Knife & Hawk, Panther Primitives for the primitive Camp of Earl "Scratch" Irish and Sticks 'n Strings (Bob Kindsvater) provided prizes for the Archery event.

Logging

At the Board Meeting Friday I volunteered/requested to talk to Mike Jackson our Forester. Remember Ray crisp is your contact person for the logging. Mike has been a Godsend for the club. His managing our trees is really something we don't need to worry about any more. Mike relayed the following to me. The recent logging has been a mess. Our Black Powder group The Puget Sound Freetrappers has already had 3 work parties in prep for Rain de Voo. We are not done and volunteers are still picking up. Mike relayed to me that around the Black Powder range logging is done. Around the club it is done but trees remain to be removed. Around the Multi Purpose range more remains to be done. Around the action Pistol Range work has not started. The logger is entitled to some firewood. He sells firewood for a living. His cleanup will include major things like roofs and grading. He also said the club would be getting "Plenty" of firewood also. The club work will include picking up the branches. In the woods he will do no cleanup. I got a mixed answer about work around the archery area. It really sounds like no logging is planned. Mike said the equipment will be relocated for this weekend's Ronde. I am guessing that the logging is 50% complete. Mike said he has a fund at near \$13,000 the club will receive.
