

The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

High Power Shooters

Once again we had a great turnout and great weather for the March CMP/NRA format Service Rifle Match. Our long lost brother Tony Miner showed up to shoot with us. Tony shot the high score today with his AR-15 Match Rifle shooting 469-9X. Tony also cleaned the Rapid Fire Sitting stage with a 100-4X. Tony had some excuse that he hasn't been able to shoot for a while because he almost cut off his trigger finger. Careful there, Tony. You do not want to lose that appendage.

The Service Rifle match win went to Fran Huntington who scored 463-5X with an AR-15. Fran also scored high point in Rapid Prone, Rapid Sitting, and Standing. Good shooting, Fran! Today's performance gave Fran 8 more points toward CCR&P Distinguished Rifleman. Fran now has 14 points to Gary Thorson's 15 points. It will be a close race to see who can make Distinguished first this year.

We also had a first time new high power shooter today, Lucas Luttermoser. Lucas is a neighbor of our Indoor Range Director, Jeff Young. Lucas has been coming to the indoor small bore league on Wednesday nights for the past several weeks, and we talked him into trying his hand at high power rifle. Lucas competed with a borrowed AR-15. For someone new to the sport, and having never fired an AR-15 before, Lucas posted a very respectable 302-3X to take 10th place. Lucas was using a standard AR-15 in "A2" configuration with a chrome lined Government profile barrel, 1 in 9 twist, and shooting Lake City 5.56 XM193 ball 55 grain Full Metal Jacket ammo. Lucas used the same rifle to take 4th place in the Carbine match!

Here are the scores: Service Rifle high scores are highlighted in green. Tony's match rifle high scores are highlighted in blue.

Following the CMP Match, we had our Sniper Challenge. The pot went to a tie between Rod McDonald and Gary Thorson, with 4 hits each. Both missed the sudden death shootoff.

Ken Horton won the Carbine Match shooting an M4 Carbine (AR-15) with 188-9V on the old "5V" targets at 50 yards. Here are the Carbine scores:

REMINDER: The 2014 season for the M1 Garand Match starts on the 2nd Sunday of April.

Beginner/Intermediate Handgun Match

Friday the 7th was a great day for match setup and it didn't take us long to get the job done. There was some blue sky and some sunshine believe it or not. The temperature was in the 50's and it was all good.

Saturday morning the 8th started out overcast and according to the weather forecast it was going to start to rain later in the morning (hopefully right after the match). The Safety Meeting started promptly at 9:00 AM and, unfortunately, it started to rain just before we finished the meeting. And it only rained harder as the morning progressed (the weather man lied to us).

It was really good to have Ida Eardley and Barb Rheault back to do all of the registration as they were snowed in last month. They got the registration taken care of and the 4 Single Action Shooters took the line at 8:00 AM.

| | |
|-----------------------------|----|
| 1 st Dick Smith | 44 |
| 2 nd Tom Eardley | 42 |
| 3 rd Burt Miller | 35 |

Good job guys, even though it was all steel, it wasn't that easy.

We had 5 Beginning Shooters take the line and of the 5, two were first time shooters to our match: Jason Pearl, and Paul Szumlanski.

| | |
|-----------------------------|----|
| 1 st Ron Greaves | 34 |
| 2 nd Larry Cohn | 31 |
| 3 rd Jason Pearl | 28 |

Thanks Jason and Paul for giving us a try and I hope we see you again next month.

We had 6 Intermediate Shooters take the line with the following results:

| | |
|-------------------------------|----|
| 1 st Frank Bennett | 47 |
| 2 nd Ken Brox | 46 |
| 3 rd Tom Eardley | 45 |

Good job guys, that was tight!

Eight Advanced Shooters took the line with the following results:

| | |
|----------------------------------|----|
| 1 st Linda Hildebrand | 46 |
| 2 nd Gerold Trusty | 43 |
| 3 rd Dick Smith | 42 |

We had a total of 19 shooters that shot a total of 28 guns. We all got wet including most of those 28 guns but a good time was had by all and we did get out of there before the real rain storm hit.

Mark your schedule for April 12th for the next Beginner/Intermediate Match and we will see you at the Action Pistol Range. Remember, our matches are usually held the second Saturday of each month.

Shooters should bring a hip holster and a center fire pistol – semi or revolver – of 9 mm or larger caliber, and at least 3 speed loaders or magazines. Four are better. Cross-draw and shoulder holsters are not allowed. We recommend that you bring at least 100 rounds to the match so that you have plenty of ammo for the match and any practice shooting you do. **Any shooters who do not have the needed equipment may borrow equipment from Larry or Ron but we ask that they reimburse us for the ammo they use.**

If you would like to join us in our training class on the first Saturday of the month please contact Ron by email to get signed up as he normally cannot take walk-ins because of class size. You can contact Ron Lohman at rons1ab2@aol.com

March-ing On

What do March showers bring??? They bring Buckskinners, more or less. Eight participants were on hand for the Free Trappers' March monthly match. The most distinguishing feature about this match, other than a few showers, was the match director's malfeasance in forgetting both the coffee pot and the pop-can shoot objects. Had a familiar face return, Doug Simpson, was back on the firing line still continuing to recover. Reliable Tony kept a dandy fire going which became more appreciated as the day went on. Also thanks to Frank Ponceroff and Kent Dunn for their early arrivals which took care of the set up. We also had a first-timer, Don Carr, come to the range. Match results for the day as follows:

Don Kerr won the "stump-X" one-shot luck shoot. Individual match winners were: Trade Gun; 1st-Don Kerr, 2nd-Will Ulry, 3rd-Bob DeLisle, Rifle; 1st-Mike Nesbitt, 2nd-Don Kerr, 3rd-Bob DeLisle, Pistol; 1st-Mike Nesbitt, 2nd-Don Kerr, 3rd-Will Ulry. Aggregate rankings with those who donated taking home a prize selection; 1st-Mike Nesbitt, 2nd-Don Kerr, 3rd-Bob DeLisle, 4th-Will Ulry, 5th-Kent Dunn, 6th-Don Carr, 7th-Doug Simpson, 8th-Frank Ponceroff.

A brief Free Trappers meeting was held just to mention the need for key positions, Booshway and Trail Chief, for the next Rain-Dee-Voo. Flyers for Oregon Trail Days and Rain-Dee-Voo will go to Monroe as they were circulated. Our next Free Trappers' activity will be the Scout Spring Hunt on April 12th (with No April Monthly match). Recruiting is open for helper positions with a need for loaders and guides for the M.L. range and for the Tomahawk range. Telephone contact will be made in the interim to ensure that this function is fully staffed. Currently the enrollment is at our top capacity of 45 scouts.

Coming events: Next Weekend Black Powder show at Monroe. On Sunday, March 9th is the Evergreen Muzzleloaders' monthly shoot, starting at 0930, and Evergreen's Spring Thaw Rendezvous starts at noon, on Thursday, March 13th running thru Sunday March 15th.

Good Evening High Power Shooters

Thanks for the good turnout today for the February Old Soldier Match. We had a good variety of Old Soldier rifles today, including one Winchester 1894 lever action! Yes, Larry Schott educated us a while back that the Winchester '94 was actually used by the Washington National Guard to protect the forest from saboteurs during World War 2. We had British, German, Swiss, Russian, and American rifles on the line. And some really good scores today! Everybody was above 200 today, and the top 6 places were all above 275. Good shooting!

Following the Old Soldier Match, we had the Sniper Challenge (So you think you're a Sniper, Huh?) Gary Baldwin won the pot in a shoot-off with Gary Thorson.

Finally, was the Rimfire Rapidfire Silhouette Match. Harvey Gertson cleaned house today (with a little help from Gentry).
