## A Walk in the Woods May 3, 2014

The monthly Muzzleloading match for May introduced a different format which attracted a good crowd which included a couple of not-so-newcomers back for the event. Nine participants including Roy Williams and "welcome back" Ralph Birmingham shot a combined program of ten shots on paper at the 50-yard range combined with a ten shot walk on the black powder trail. The trail provided a surprise in how the ferns and other vegetation have responded to the recent spring weather. Location of the target was in some cases the chief challenge to scoring a good hit. Hitting wasn't impossible as Rowland Zoller got 9 out of 10 of the targets on the trail. Combined paper and trailwalk scores, the basis for ranking the competition found; 1<sup>st</sup> Rowland Zoller, 2<sup>nd</sup> DeWayne Pritchett, 3<sup>rd</sup> Kent Dunn, 4<sup>th</sup> Doug Simpson, 5<sup>th</sup> Bob Gietz, 6<sup>th</sup> Roy Williams, 7<sup>th</sup> Tim Sampson, 8<sup>th</sup> Dave Perry and 9<sup>th</sup> Ralph Birmingham. Free Trapper furnished meat prizes went to the top three. Dave Dolliver and Reliable Tony assisted in scoring and range security.

The brief Free Trappers meeting focused on activities related to Rain-dee-voo 2015 with Tim Sampson confirming his acceptance for again filling the Boosway position. Recruiting for key positions is the next order of business with the following agreeing to take on the responsibility listed:

Trail Boss	Mike Nesbitt
Knife & Hawk	Dave Perry
Clerk	(Tom Brown, possible) Doug Simpson assistant
Trade Chief	Will Ulry possible
Archery	
Novelty Shoots	Kent Dunn

Dave Dolliver agreed to make the needed 50 shooter numbers. Rowland volunteered to make & donate a powder horn as accouterment for the youth rifle, a CVA "Bobcat" obtained from Will Ulry. Other donations for the Raffle and Youth rifles would be welcome. After discussion, it was decided to look into a furnished dinner for Saturday Night for a reasonable fee (\$5.00) instead of the pot luck, Dutch oven contest & Trapper provided meat. This will depend on arrangements with the bowmen.

## Beginner/Intermediate Handgun Match

The May Match started out with a wet setup day after I promised the setup crew that it was going to be sunny and warm. You just can't trust the news (or was that the South Africa weather report). Anyway we got wet off and on just enough to make one uncomfortable and a little unsettled about the guy that said it was going to be a great day!

Saturday the 10<sup>th</sup> the Single Action Shooters were ready to go at 8:15 AM. I know it was 15 minutes late but there was something about getting all of the horses tied up just right or something like that I was told. Anyway out of a score of 50, Tom Eardley's horse got the Gold Metal with a score of 47, Larry Lufkin's horse got the Silver Metal with a score of 45, and Frank Bennett's horse got the Bronze Metal with a score of 43. Now we know who has the best horse for the next 30 days.

The Safety Meeting was over about 9:20 AM after the walk through on Bay 1 of the "Walk and Shoot (Run and Gun)." The weather for the May Match was great and the match drew 26 shooters who shot a total of 37 guns.

We had 7 shooters in the Beginner Class and Bragging Rights are as follows:

1 <sup>st</sup> Toni Mitchell	STI 45	42
2 <sup>nd</sup> Ron Greaves	Glock 34	38
3 <sup>rd</sup> Gene Crosby	Mystery gun	38

We had 7 shooters in the Intermediate Class and Bragging Right are as follows:

1 <sup>st</sup> Frank Bennett	STI 45	46
2 <sup>nd</sup> Rich Ganns	Para 45	46
3 <sup>rd</sup> Ken Brocx	Springfield 45	45

We had 12 shooters in the Advanced Class. The Bragging Rights, Straight shots, and Cigars went as follows:

1 <sup>st</sup> Linda Hildebrand	S&W 357	47
2 <sup>nd</sup> Larry Schadt	45	46
3 <sup>rd</sup> Dave Chalfant	S&W 38	44

**Mark your calendar for June 14<sup>th</sup> as our first BBQ Match this year takes place. If you haven't already signed up for the BBQ, email me so I have somewhat of an idea for headcount. The price is \$20 which allows you to shoot 2 guns and includes your meal. If you are coming just to eat and support your favorite shooter the price is \$15.**

Shooters should bring a hip holster and a center fire pistol – semi or revolver – of 9 mm or larger caliber, and at least 3 speed loaders or magazines. Four are better. Cross-draw and shoulder holsters are not allowed. We recommend that you bring at least 100 rounds to the match so that you have plenty of ammo for the match and any practice shooting you do. **Any shooters who do not have the needed equipment may borrow equipment from Larry or Ron but we ask that they reimburse us for the ammo they use.**

If you would like to join us in our training class on the first Saturday of the month please contact Ron by email to get signed up as he normally cannot take walk-ins because of class size. You can contact Ron Lohman at rons1ab2@aol.com.

## High Power Shooters April 27, 2014

On Sunday, April 27 we held our Old Soldier match at the high power range. We all thought that the Ukrainian Crisis had widened to include Olympia when "Ivan the Terrible", aka Harvey Gertson, arrived with a Mosin Nagant 91/30 Sniper Rifle, complete with a matching Eastern European uniform. Our fears were short lived as upon closer inspection we found that his hat was made in East Germany, and his coat was West German, and was slightly *antique* compared to the equipment currently in use. Ivan did manage to pull off a respectable 5<sup>th</sup> place finish.

Fran Huntington called in sick, and missed the match. When it was announced that Fran was out sick, there was a rousing round of cheer and applause, as everyone realized their opportunity to place higher in the match. We hope you are feeling better, Fran. You must be... I saw you heading to work on Monday morning. (you know that shooting takes precedence over work).

Gary Baldwin pulled off the match win shooting a Swedish Mauser M96 for **287-5X** (out of a possible 300). Good shooting, Gary! Separated by **1X** was Gary Thorson in 2<sup>nd</sup> place shooting a U.S. Winchester Model of 1917 for a score of **287-4X**. Third went to Ken Horton with a Swiss K31 at 284-2X. Forth was Damian Longmeyer shooting a Lee Enfield No.4 for 282-3X. And Tony Miner earned 5<sup>th</sup> with a Swiss K31 at 282-1X. **4<sup>th</sup> and 5<sup>th</sup> determined by 2X**. The top five medal winners were only separated by 6 points. Good shooting, guys!

Following the Old Soldier match we had our "So you think you're a Sniper, huh?" challenge. Seven shooters participated taking shots at the 6-inch gong at 200 yards. Jason Koppelberger won the pot, hitting the gong 4 out of 5 shots.

Jason Koppelberger	4 hits
Gary Thorson	3 hits
Tony Miner	2 ½ hits (Tony had a minor malfunction and took too long on one of his "hits")
Gary Baldwin	2 hits
Bruce Fockler	1 hit
Ken Horton	1 hit
Lucas Luttermoser	0 hits

Next came the .22 rimfire rapid fire silhouette match. We had 9 shooters participate. After littering the shooting line with a layer of glittering spent .22 brass, the win went to Bruce Fockler who cleared all 25 silhouette targets with the fastest time of 58 seconds. **(Zero minutes and 58 seconds!)** That will teach Rod McDonald a thing or two about leaving early! Bruce shot an AR-15 with a .22 long rifle conversion kit. Congratulations Bruce!

## **Capitol City Bowmen is announcing Rinehart 100 3D shoot July 5 and 6**

R100 is of special interest to CCB members...but also to CCR&P members given that

**ALL FIREARMS RANGES WILL BE CLOSED from July 3 to July 6.**

Also, R100 is a public event, so if you're a CCR&P member but not a CCB member, bring out your family and your bows for one or both days of this fun and rewarding event. Go to <http://r100.org> for registration information.

Last year the R100 drew 427 registered shooters, and we expect that number to go up this year.

Note that R100 work parties are now slated for June and early July. Look online for the dates and times.

Watch CCB's Web site and Facebook page for more details.

## High Power Shooters

Mother's Day dawned with a beautiful sunny day. Unfortunately, 9 poor orphan sons had nothing better to do than go out and shoot World War II battle rifles. With the May M1 Garand Match, Fran Huntington became the second shooter to qualify as a CCR&P Distinguished Rifleman for the 2014 season, accumulating 22 points. Congratulations, Fran!

M1 Garand match winner was Gary Thorson shooting 369-4X. Gary was also the stage winner in Rapid Prone, Rapid Sitting, and Standing Slow Fire. But since Gary had already qualified as Distinguished, his points go to the next highest non-distinguished shooter - which was enough to put Fran over the top. Fran has since "peened" his dovetail and tightened up the slop in his front sight, and vows to "bring it on" at the next match. Gary Baldwin shot the high score in Slow Prone with 97-2X. It's time for the rest of you guys to "bring it on" and put the hot-shots in their place.

Here are the M1 Garand medal winners for this match:

- 1st - Gary Thorson 369-4X
- 2nd - Tony Minerd 346-2x
- 3rd - Fran Huntington 334-2X
- 4th - Rod McDonald 320-1X

Along with the M1 Grand match, we held the Bolt Action match at 100 yards. It was the same course of fire as the M1 match. The idea behind the Bolt Action match is to give shooters an opportunity to practice the rapid fire stages and reloading sequences with their vintage bolt action military rifles. However, some shooters took liberties with the definition of "bolt action" for this fun match. A Winchester 94 has a bolt... An AR-15 has a bolt... Out of 6 shooters, only Fran and Gentry Taylor stayed true to the theme, with Fran being the legitimate winner shooting a Mauser Model 98 for 294-4X.

Rod McDonald posted the best "bolt action" score shooting a Winchester Model 70 with a scope for 363-7X. It is no small feat to reload under a scope in the rapid fire stages. Good shooting, Rod.

The "cheater of the day" award goes to Gary Thorson. Gary shot 375-22X for the match high score, with a 100-5X in slow prone. The "cheater" part comes from using an AR-15 mock-up of a USMC Squad Advanced Marksman Rifle (SAM-R) <[http://en.wikipedia.org/wiki/United\\_States\\_Marine\\_Corps\\_Squad\\_Advanced\\_Marksman\\_Rifle](http://en.wikipedia.org/wiki/United_States_Marine_Corps_Squad_Advanced_Marksman_Rifle)> with a 2.5-10X scope - set at 10X, and a bipod. Cheatin' sure was FUN!

Last but not lease, we had our Sniper Challenge on the 6-inch gong at 200 yards.

Shooter	# of hits
Gary Thorson	4
Gentry Taylor	3
Tony Minerd	1
Gary Baldwin	1
Bill Englund	1

## Hard at Work

John Wicklund and I have had some great response from the guys who wish some Assessment hours. The club is looking a lot better also. Our loggers really did a number on the roads and trails around the club. You can see several wood piles here and there. We will work at moving them to the wood shed in a club work party most likely in the first half of June. There is some chainsaw work. I would like to see a couple of guys get involved with these for my peace of mind and safety. Bob Greenman has a several items to do including painting. The club sign at the road needs the posts painted. Our Assessment List John is handling. Many of the jobs don't come out in the Plinker. I relay work to John and he tells everyone on the list the work. Those that wish the work call or E Mail an answer and they take over the work. I will get a phone call as to how many hours doing what and I send them a card with the hours on it. Call John at 360-438-5971 or Will 360-701-8105  
Thanks  
Will
