CCRP Executive Board Meeting

April 18, 2017

- Those in attendance: Ray Crisp, Brian Erickson, Doug Simpson, Will Ulry, Larry Balestra, Eric Boos, John Mulhall, Bob Jamison. Guests: Marcus Custer, Bob Greenman, Fred Bartley, Bob Geitz, Hobe Pankuk, Bob Euliss.
- Meeting called to order at 7p.m. by Ray C. Flag salute led by Bob G.
- Doug S. presented the Treasurer's report. Doug also found that CCRP last donated to The Friends of the NRA in 2015 in the amount of \$250.00. Last meeting the board approved the same amount as "last time". John M. moved to accept the treasurer's report as read. Will U. seconded the motion. Board vote: all "aye".
- John M. reported last month membership at 702 members. Today membership is at 696. New Member Orientation Training will continue in May. Discussion about assessment credit for members that bring new members. (a new member brought two new members with him). The "sponsor" will get four assessment hours for each new member (8 hours in this case). Doug S. will research where this is found and report next month. Suggested there be a reminder in *The Plinker* regarding this. Discuss where this should reside in the CCRP documents (policy, standing rules, etc.).
- Will U. motioned that member Frank Ponceroff be granted \$35 off his membership dues for building a new picnic table at the Black Powder Range. Noted that he did an exceptional job on the project. John M. seconded the motion. Board vote: all "aye".
- Ray C. reported the Capitol City Bowmen held The State Safari Championship recently with great success having 136 shooters in attendance.

Continued on Page 2

- Ray C. will deliver the permit check for the High Power Shooting Shed Project on his way home this evening. It was noticed that there are deep tire ruts in the grass/mud at the 200 yard berm, and 100 yard berm (spot to turn around). This makes mowing in that spot VERY difficult. Possible solutions discussed.
- Marcus Custer is a Staff Firearms instructor, Law Enforcement Division for the National Rifle Association of America, and has expressed interest in participating on the Board of CCRP as the Law Enforcement Liaison. Many members shared concern with passed issues, and some history with others that have held this position. Marcus would like to offer this service at CCRP. Ray C will contact Chris Moffet, and this will be made an agenda item for next month.
- This evening's minutes were read. John M. motioned the minutes be accepted as read. Will U. seconded the motion. Board vote: all "aye".
- 8:05 p.m. Larry B. motioned to adjourn. John M. seconded the motion. Board vote: all "aye"

May 2017 Muzzle Loading Match Report

And the weatherman smiled

By Bob Gietz

Match day, Saturday, May 6th, found clear skies and a bit of soggy underfoot but otherwise calm and benign with no excuses for wind or poor visibility. Eleven Free Trappers were on hand for this 'end-of-the-season' event which called for 'rifles only' to be shot on one paper target and then ten more shots on the trail walk plus one more shot on the tiebreaker. After a brief shooters' meeting, upcoming dates were acknowledged with our main focus on Saturday, June 24th for some trail walk repair in preparation for the Many Rivers event which will be held in August. Information regarding Oregon Trail Days included possible modified parking for the event with details to be forthcoming. All was hastened due to the absence of the Match Director's coffee pot which was not as critical as had been in cooler weather. Then the good shooting proceeded with target scoring assistance from Tom Brown who also obliged by acting as range security during the trail walk phase.

A single relay was staged for the double-bull 50-yard buffalo targets and a lapse in match director instructions was later attributed to accumulated scores. Fitting for the day there seemed to be minimal "gun-trouble" other than some untimely flint deterioration. For the Trail phase of the match, our shooters divided in two trail groups and worked the trail targets from each end. Only one target was missing, the rabbit 'left for dead' from the last Rain-Dee-Voo. The effects of the early wet spring were readily apparent in the already serious undergrowth, mostly ferns, which made locating some of the target a bit of a challenge, more so for some than others.

After the trail phase was complete, scores were compiled as the basis for individual awards. Aggregate placings were; 1st - (top flintlock) Bob DeLisle, 2nd - (top percussion) Clarence Atchison, 3rd - Will Ulry, 4th - Roy Williams (whose perfect 10 on the trail made up for his discharge of only 5 shots instead of ten on the 50-yard paper), 5th - Rowland Zoller, 6th - Mike Nesbitt., 7th - Don Kerr, 8th - Bob Gietz 9th - Jerry Mayo (determined by his tie breaker putting him ahead of), 10th - Ralph Birmingham, and 11th - Dewayne Pritchett shooting this "rifle match" with his Trade Gun.

The next proximate muzzle lodging event will be the Evergreen Muzzleloaders' match next Saturday, May 13th, 2017 starting at 0930 just for rifles with blanket prizes needed to participate in the aggregate awards. The next Old West Centerfires match will be Saturday, June 3rd on a range yet to be determined. No progress is yet scheduled for improvements on the High Power range and so it may not be available for our OWC Match in which case that match will be on the Black Powder Range.

Two items identified for needed Black Powder range repair are: 1st, the installation of new stove pipe for which materials are on hand for someone with sheet metal skills and, 2nd, disposition of the "out of service" range table which would be a source of weathered board materials for a crafter willing to salvage and remove same.

High Power Shooters

A little rain didn't stop eleven of us from having a lot of fun with the April Old Soldier Match. A lot of eager shooters showed up early, and by 8:00 AM the line was cleared, swept clean, and a nice fire was going in the wood stove. Thanks, Guys!

Harvey gave everybody a treat by donning some French Army apparel, and showing up with a French MAS 49/56. The rifle was in pristine condition. Rumor has it that when Harvey acquired it from some German guy, it had never been fired, and only dropped once.

Adam Peterson shot his AR-15 in today's match. Adam is quickly learning the high power rifle game and posted a nice score of 262-3X out of a possible 300. Good shooting Adam.

The match win went to Gary Thorson who posted a score of 292-4X shooting a 100 year old U.S. Rifle Model of 1917.

2nd place went to Gary Baldwin with 286-6X, and 3rd went to Jason Koppelberger with 283-2X

We had 8 out of 11 shooters with scores of 262 or better. Good shooting guys.

We had 4 shooters participate in the Sniper Challenge. Gary Thorson took the pot with 5 hits out of 5.

Tom Schuettke - 3 hits

Rick Baldwin - 2 hits

Gary Baldwin - 1 hit

The .22 Rapid Fire Silhouette match was a lot of fun. Going into the 2nd string, Harvey Gertson and Tom Schuettke were tied with a fastest time of 1:02. When it was all done, Gary Thorson posted the fastest time of 54 seconds. So, for the match scoring, the Match Director decided to add the two strings together for a total time for scores. Low and behold, Tom Schuettke took the win with the fastest total time of 2 minutes and 5 seconds to knock down 50 silhouettes.

Here are the scores:

.22 Silhouette Match	White	Black	Total	
Harvey Gertson	1:38	1:02	2:40	3
Tom Schuettke	1:03	1:02	2:05	1
Gary Baldwin	1:25	1:27	2:52	4
Jason Mohar	1:51	2:48	4:39	6
Rick Baldwin	2:37	2:08	4:45	7
Leo Rancour	2:25	2:58	5:23	8
Gary Thorson	0:54	1:21	2:15	2
Ken Horton	1:33	1:43	3:16	5

With the points earned in today's Old Soldier Match, Gary Thorson became the first shooter to earn the CCR&P Distinguished Rifleman award for the 2017 season.

Board Meeting Night Changed

Here is a real happening. The board has changed the meeting night. From now till next time the Gun Club meetings will be the 3rd Tuesday of the month at 7:00 at the same old club meeting room. We had a grand conversation about this during the discussions of the By Laws with no decision. But at the December meeting I made a motion and it was changed. Fridays were always a bugger for me being a Tumwater football fan. This date is still not set in stone but just maybe a few of you folks can make a meeting now and again. They are open to all. Your input is important to us. Will
