## Wednesday Night Indoor .22 Rifle Instructional League

Do you want to practice and improve your rifle shooting during the cold, dark, rainy winter? Well, we have a deal for you.

Every Wednesday evening at 6:30 PM beginning in October and running through the end of March, we will be opening the Indoor Range for .22 rifle shooting. This will be for CCRP Club Members only. The gate will not be locked open, and you will need your key card to get in. There is no charge for this event, and targets will be provided. When we run out of targets, we'll all chip in to buy some more.

This will be a semi-formal shooting session on the Indoor Range, with targets at 50 feet. NRA certified Range Safety Officers will be present to run the line. We usually run four 10-minute firing sessions, with plenty of time between sessions to change targets, chat with your friends, and warm up next to the wood stove. We typically shoot prone, sitting, kneeling, and standing positions. But you can shoot any position you wish.

You can use any .22 rifle you wish; .22 short, long, or long rifle. No magnums, please. Open sights or scope. If you use a semi-auto rifle, please remember that this is target shooting, so no "Mag-dump blasting" will be allowed.

Starting in January, several of the regular shooters will form a team to participate in the National Rifle League postal league competition. You are welcome to join the team, or if you want to just come and shoot for fun, that's fine.

The course of fire for the league is all slow fire, 10 shots in 10 minutes. We shoot four 10-minute stages; prone, sitting, kneeling, and standing. Scores are submitted online to the league web site. There are usually around 35 teams from all over the U.S. and Canada participating in the league.

Come out and join us. It sure beats watching TV.

## PSFT December Match

11 hardy souls braved this cold December morning for this month's match. Equipped with rifles, tradeguns and delusions of grandeur, all put forth their best effort in anticipation of snatching up one of the brightly wrapped prizes that jolly Ol' Saint Nick had dropped off with yours truly. The course of fire today for rifles was 25yd paper, 50yd paper (5 shots each) and 5 gongs (50yd, 75yd and 100yd), and for tradeguns, a 25yd paper (5 shots) and 5 gongs (25, 50 and 75yds). Individual match winners for rifle; Bob DeLisle 1<sup>st</sup>, Mike Nesbitt 2<sup>nd</sup> and Will Ulry 3<sup>rd</sup>. Top shooters in the tradegun match were; Jerry Mayo 1<sup>st</sup>, Mike Nesbitt 2<sup>nd</sup> and Bob DeLisle 3<sup>rd</sup>. The top three shooters in the individual matches each received a rather tasty meat prize, which will be long gone before yours truly ever shares a campfire with these scoundrels again. Aggregate rankings (rifle/tradegun scores combined) are; Bob DeLisle 1<sup>st</sup> 199x, Mike Nesbitt 2<sup>nd</sup> 198, Will Ulry 3<sup>rd</sup> 175, Dwayne Anderson 4<sup>th</sup> 158x, DeWayne Pritchett 5<sup>th</sup> 157, Steve Andrews 6<sup>th</sup> 157x (he had a lower tie breaker score), Tom Witt 7<sup>th</sup> 139, Jerry Mayo 8<sup>th</sup> 128x, Phil Weibe 9<sup>th</sup> 112x, Josh Brown 10<sup>th</sup> 87 and Ralph Birmingham 11<sup>th</sup> 56. For a little fun we had a "miss and out" match, six deadeyes put in a dollar each and took turns shooting at a 75yd target of my choosing. The ranks were quickly thinned to 4, then 3 and with grim determination in their eyes they slugged it out until 2 remained, Bob DeLisle finally worn his competition down and emerged victorious. Although I doubt his winnings will cover the ball and powder expended. With the brightly wrapped prizes laid out on the table each shooter was called in order to pick out their gift, with squeals of "Oh my!", "Wow!", "Oh boy!" each shooter torn open their prize like kids on Christmas morn A special thanks to Dan Johnson for coming out and helping me keep an eye on things. And thanks to Tom Witt, Bob DeLisle and Mike Nesbitt for helping with the range setup on Friday.

## Monday Night - Indoor .22 Precision Pistol Covid League (Not NRA Sanctioned)

CCR&P Pistol Shooters,  
Merry Christmas and Happy New Year.

We will be having a club league this winter with some Covid (and ammo pricing) considerations. The point will be to keep shooting, have fun and get in a little competition – so we have mixed it up a little this season.

### DATES

The club calendar is not yet up to date, but these are the dates regardless.

Jan 2021: 4, 11, 18, 25.

Feb 2021: 8, 15, 22. (Feb 1, I will be out of town.)

Mar 2021: 1, 8, 15, 22.

### COVID

Because of Covid, we have some guidelines and goals we would like to work toward:

- It is each individual's responsibility to follow COVID guidelines and protect themselves from communicable diseases.
- If you are sick, please stay home. If you think you are susceptible, consider staying home.
- We want to try to keep one shooting lane separation from each other on the firing line. Household types can buddy up on a table.
- We recommend wearing a face mask if you are in the meeting room.
- Shooters will be self-scoring (and not sharing/touching each other's targets).

Please respond if you intend to shoot some or all of the league so we can map out what attendance will look like.

### SCORING/PRIZES

Because of this, this will not be an NRA Sanctioned League this winter, and instead, we will award prizes in two categories: Marksman and Sharpshooter/Expert (combined). Typical rules for an NRA course of fire will be followed (6 – 10 shot relays (2 Slow Fire, 2 Timed, 2 Rapid)).

- For Pistol, it will be your best (5) scores.
- For Revolver, it will be your best (2) scores.

### ACCESS

New club rule. The gate is to remain closed during matches. Have your access card handy. If you are a non-member attending, please get ahold of me and we will work out access.

### MISC

The first relay is at 6:30pm and the second relay at just before 7:30pm.

Please note, you can shoot either or both relays for score.

The Covid Winter League fee is \$30 (includes sales tax).

Shooters can also pay the fee and shoot for fun, one or two handed.

Come out and shoot for score or just practice. Please forward this email to anyone you think may want to attend.

### CONTACT INFO

If you have any questions, please contact:

Mike Coleman, (206) 890-9359, engine22@gmail.com

In case of bad weather (snow, ice, etc.) please contact Mike to see if the league is running.

Come on out and shoot and have fun. Hope to see you all.

--Mike

# OLD WEST CENTERFIRES

By Jerry Mayo

This crisp Saturday November morning the clouds parted just in time for our final OWC match of 2020. Prizes would be awarded for today's shoot and yearly aggregate prizes would be awarded as well. It was a perfect day it to fire the buffalo guns. Thirteen shooters were present and as always we continue to take the necessary precautions to prevent the spread of Covid-19 virus. Social distancing and appropriate face covering were utilized as dictated by our elected officials. We appreciate Dan Johnson for serving once again as our Range Safety Officer and our thanks go to Tom Brown for managing the match.

The match consisted of the usual ten shots at 100 yards at a single-bullseye target and ten more shots at 200 yards at a larger 200 yard single-bull target. For the yearly aggregate this match's score will be added to the total of previous scores going back to November 2019. Shooters who had already shot in five of our matches this season could throw out their lowest match score and the five remaining match scores are counted

Skip Steinmetz and his son Dan, along with Curt Lokovsek and Ken Kurfurst shot this match in the more common NRA position for BPCR. That's the prone position. The prone position is allowed in our OWC rules, however, we rarely see it used. Mostly you will see shooting from cross-sticks while seated. This is also the position mostly used at the Quigley match. As it turns out the prone shooters turned in some of the highest scores of the day.

A couple of the new BPCR shooters were Jesse James Young and Tom Witt. Jesse's mom was a fan of Old West legends; true story. I had the pleasure of spotting a few shots for Tom and a first time BPCR shooter or not, he is a fine marksman. He posted an 87-x at 100 yards and a 92-2X at 200 yards for a total of 179-2X using a borrowed C. Sharps Arms '74 Hartford in .50/70 caliber. That was shooting a 450 grain bullet over 65 grains of Olde Eynsford (OE) 2F. After posting these very good scores it was only then that Tom realized the Sharps he was using has a set trigger. I can't imagine the scores he'll post when he's not fighting all that trigger pull. Good shooting Tom!

Allen Cunniff submitted targets that were properly witnessed prior to the match. Allen shot a 98-4X at 100 yards and 96 at 200 yards for a total of 194-4X. He was using his favorite '74 CSA Sharps in .45/70 pushing a 550 grain Hoch bullet with 67 grains of Swiss 2F. The match winner was Dan Steinmetz with a winning score of 194-7X. Dan was shooting a Browning Highwall in .40/65 firing a 430 grain Buffalo Arms bullet over 61 grains of Swiss 1½F. Congratulations Dan! The remaining scores for the match are as follows:

## Scores for this Match

<u>Name</u>	<u>Rifle/Cartridge</u>	<u>100 yd.</u>	<u>200 yds.</u>	<u>Total</u>
1 <sup>st</sup> Dan Steinmetz	Browning Highwall .40/65	99-5X	95-2X	194-7X
2 <sup>nd</sup> Allen Cunniff	1874 C. Sharps Arms .45/70	98-4X	96	194-4X
3 <sup>rd</sup> Ken Kurfurst	Remington RB .45/90	94-X	98-3X	192-4X
4 <sup>th</sup> Skip Steinmetz	1874 Shiloh Sharps .45/70	91-X	95-3X	186-4X
5 <sup>th</sup> Tom Witt	1874 CSA Hartford .50/70	87X	92-2X	179-3X
6 <sup>th</sup> Loco Jeff Ritter	1874 CSA Bridgeport .45/90	93X	85	178
7 <sup>th</sup> Mike Nesbitt	1874 CSA "Hefty Hannah" .44/77	80	97-3X	177-3X
8 <sup>th</sup> Curt Lokovsek	Remington Hepburn .45/90	91-3X	82	173-3X
9 <sup>th</sup> Wes Davis	1874 CSA Hartford Target .45/70	86	84	170
10 <sup>th</sup> Jesse James	1874 Pedersoli .45/70	79	86	165
11 <sup>th</sup> Bob Delisle	1874 Pedersoli .45/70	82	73	155
12 <sup>th</sup> Mike Moran	1874 CSA Hartford .40/70 SBN	57	88	145
13 <sup>th</sup> Jerry Mayo	1874 CSA Hartford .45/70	37	26	63

Dan Steinmetz had the high scoring target at 100 yards, which we've already seen. Then Ken Kurfurst took the honors for the high scoring target at 200 yards, with a 98-3X. Of course, the scores tumbled down from there. Then at the bottom you see a name that might be familiar. This is definitely the score being discarded for the aggregate. One of those days...

The high shooter for the year is Allen Cunniff with a cumulative score of 947-21X out of the 1000 points possible (five matches at 200 points each). There were other shooters who had earned points for the annual aggregate but they needed to participate in this match in order to be included. Congratulations Allen! The remaining results are as follows:

**2020 Aggerate Scores**

1 <sup>st</sup> Allen Cunniff	947-21X	8 <sup>th</sup> Curt Lokovsek	345-5X
2 <sup>nd</sup> Jeff Ritter	921-17X	9 <sup>th</sup> Dan Steinmetz	194-7X
3 <sup>rd</sup> Mike Nesbitt	899-11X	10 <sup>th</sup> Skip Steinmetz	186-4X
4 <sup>th</sup> Jerry Mayo	858-7X	11 <sup>th</sup> Tom Witt	179-3X
5 <sup>th</sup> Bob DeLisle	842-6X	12 <sup>th</sup> Jesse James	165
6 <sup>th</sup> Wes Davis	779-2X	13 <sup>th</sup> Mike Moran	145
7 <sup>th</sup> Ken Kurfurst	383-7X		

Thanks to C. Sharps Arms for their continued sponsorship of the Old West Centerfires matches. Also, donations came from; The Single Shot Exchange, Big Sky Lube, SPG Sales, Wolfe Publishing Company, October Country, Capitol City Rifle & Pistol Club, Tommymaker, Jeff Ritter, Wes Davis, and Mike Nesbitt. Thanks to all them for the prizes they made available.

For our after-aggregate match we shot at 100- and 200-yard gongs. The order of fire was 5 shots at the steel diamond at 200 yards while sitting behind cross-sticks and 5 more shots at the Quigley style bucket from 100 yards offhand. The 12" diamond represents the 24" diamond at 405 yards on the Quigley range. It's quite a challenge. No less challenging is the offhand bucket at 100 yards representing the 350 yard bucket on the Quigley range that is also shot offhand.

There is only one winner in the after-match and it's winner take all. Curt Lokovsek won with a perfect score, 10 hits for his 10 shots. Ashley Ritter joined us for the after-aggregate match, trying an 1874 Long Range Shiloh in .40-65.

Our next season begins in January with a match on the 3<sup>rd</sup> Saturday. Join us for some good shooting. For details look on the club's web site or contact Bob Gietz at [duckfreak@q.com](mailto:duckfreak@q.com).

## DO NOT SHOOT AT ROCKS

We are continuing to see evidence that people are shooting at rocks on the high power range and the pistol bay. Additionally, people are shooting at the large concrete ecology block next to the culvert at the 100 yard line.

### **THIS PRACTICE IS ABSOLUTELY UNACCEPTABLE!**

Shooting at rocks and concrete WILL cause ricochets. We cannot have bullets ricocheting around or potentially leaving the club property.

**READ THE RANGE RULES.** You may only shoot at targets authorized in the range rules. All bullets **MUST** impact the berms.

Anyone caught shooting at rocks, concrete, or any other unauthorized targets will be brought before the Board of Directors for disciplinary action.

Gary Thorson, Vice President

## RSO list

I have included the current RSO list. There are a lot of holes in it. The club is putting on shoots. Event Applications are pretty slow coming in this year due to the virus. The matches still require an RSO for the matches. So #1 Event apps are not being put in and #2 you all are not renewing your credentials and or putting them on file with the Safety Officer/me.

The following is a list of card carrying RSO card holders. If your name isn't there and you want to be, give me a copy of your card. If your name has a blank behind it your card is out of date or you haven't sent me a current card. Anyway I don't have it. It's that time of the year Event Applications are coming in. If your name is on an Event Application I need to have your card current.
