MEMBERSHIP DUES RATES

Dues and Renewal policies

Members will receive a statement 45 days before their membership expires. (Your renewal month is found on your mailing label.) The dues renewal date is the last day of the month in which members' "annual date" falls. Members' gate card will automatically "lock out" on their renewal date if they have not renewed, and their membership will be considered "inactive" for 30-days, during which time they may still pay their dues. After 30-days on "inactive" status the membership will be terminated. Should they wish to rejoin CCR&P past the 30-days "inactive" status, they must reapply as a new member and attend the Orientation class. **Membership fees (taxes are additional)**, collected at the time of the orientation classes are:

Annual dues **\$70.00** for the first member of each household and **\$35.00** for each additional eligible member of the household.

Initiation fee (one time) **\$80.00** for each household and a refundable gate card deposit fee of **\$10.00** for each member.

In addition, each member is expected to devote 8 hours of volunteer service annually or recruit two new members or pay an assessment of **\$80.00**.

NRA membership (required)

Orientation class (required)

(GUESTS: Members may bring their spouses and children under the age of 18 years old **as guests** as often as they'd like. Non-immediate family member guests are limited to two visits annually. Members **MUST** accompany their guests at all times, including spouses and children, and are responsible for the conduct of their guests.)

NRA CLUB AFFILIATE BENEFITS

Free listing of events on NRA website; discount on range technician team & service; attorney referral service; non-legal advice for legal problems; NRA attorneys pro bono for national concern issues; eligible to apply for \$5,000 grant annually; \$10 reimburse for each new NRA member; \$5 reimburse for each returning member; "Club Connection" quarterly magazine; eligible for NRA firearms insurance.

A Rather Fowl Affair

By Tom Brown

9 shooters braved the intermittent downpours for our November blackpowder match. Weather aside, it was indeed a fowl affair with the main prizes reflecting the upcoming holiday. I'll get to that in a minute.

Rifles took center stage for this month's shoot, with three paper targets (25, 50 and 75 yds, 5 shots at each) and five metal gongs (25, 50 and 75 yds, one shot each at 25 and 75 yds and two shots on the 50 yd gong). Shooting was lively and curses minimal but all seemed to enjoy themselves. Positive comments were aplenty at the after-match debrief/lunch gathering.

Now, about those main prizes. As is tradition, first place gets a turkey, second place receives a chicken and third place gets a Cornish game hen. This year was slightly different, in that, Derek and Kerry Sotelo supplied the turkey along with the roasting pan and side dishes. The chicken and Cornish hen were supplied by me. A special thanks to the Sotelo's for going above and beyond.

Now for the long awaited match results,

1st Bob DeLisle 158 2X Bob took the turkey dinner. 2nd Tom Witt 150 X, 3rd Mike Nesbitt 121. 4th Derek Sotelo 111 X. 5th Clarence Atchison 105, 6th Ralph Birmingham, 7th Will Ulry, 8th Jerry Mayo, 9th Kerry Sotelo

For an added match, six shooters ponied up a \$1 and shot at a (paper) turkey head. This was a one shot match with the idea being to hit the turkey's "ear". The target was a colorized version so the "ear" was not readily visible at 25yds. Derek Sotelo won the pot, probably by blind luck but he alone managed to hit the turkey's "ear".

It was agreed upon at our November match that we would have our trailwalk work party after our January match. I had to cancel our June work party because, if you remember, that same weekend we were hit with triple digit temps and I wasn't gong to subject anyone to the possibility of heatstroke.

This being a fine time for any and all that need hours for your assessment to help us repair/paint targets, clear brush, etc. Any implements of destruction that you want to bring to help accomplish the task are most welcome.

Scot Isom has also indicated that he could use some help getting the Knife and Hawk walk in order.

If you'd like to shoot with us and later help with the walks or just want to help with the walks, feel free to contact me thru the directors page.

Raindezvous '22

Raindezvous '22 is just around the corner and I still have need of person's to fill positions. Help will be needed in registration, kitchen staff and "guides" for the trailwalk. Nothing is too taxing and it's a great way to learn about another shooting discipline and get those assessment hours. If you're interested contact me through the Directors page.

CCRP Board Meeting

2021 October 19

Meeting called to order: 1903 by Board President

Roll: Quorum reached

Flag salute

Treasurer's Report – Doug Simpson

Accepted as read

Motion to accept

Second

All AYE, passed.

Membership Report – Mike Nesbitt

- Some adds and deletions to perform tonight (Chris)
- Membership ~783
- 5 new members at recent NMO

PSE Electrical Meter Replacements – Chris Moffet

- PSE sent notification that our electrical meters shall be replaced. Worn out, new ones needed.
- Also, very likely more powerful RF capable for remote reading.
- PSE notification effectively said they would be entering your property to do the work. Good luck with that. PSE will need to coordinate with US to get access.

Logging / Road Project Updates – Will Ulry

- Logging needs for road work and thinning, brushing, low hangers elsewhere on the property are being combined into one effort by contractor.
- Culvert needed cleaning due to Spotted Frog environmental requirements.
- BP Trail "danger trees" need removal. Not worth anything for lumber sale, can be firewood for club.
- During hill work, a member drove around the "range closed" sign to enter the property. Logging contractor did not feel he was at risk, member allowed to continue. Will created a better, more obvious CLOSED condition signage.
- Project can proceed through winter, will cost a little more and need erosion control. Road may be gravel for a while.
- Discussion on road work, SME's recommended we finish the logging, postpone the actual road work until spring.
- Remaining trees will be marked by Wednesday, contractor hopes to be finished by Thursday.
- Still a question if logs are sellable to offset costs.

Multipurpose Range Baffle Replacement Project – Randy Rawson

- Contractor located for project. Cost will be ~\$8,000. Can't start until spring.

Discussion on gate security – All

- Desire to have the gate to be open for any event stated
- Lively discussion on varied issues, risk, and liabilities coming with that.
- New access control system is being investigated by Board Security and VP which may have features which would help reduce exposure while fulfilling our Club's mission.
- Motion to all allow a gate hold open code for events, until we can find a solution. Code will be issued just before an event, and deleted right afterwards.
- Seconded
- AYE votes by all but Security and VP who voted NAY.
- Passed.

Upcoming Election – Chris et al

- Gary and Will were planning of swapping VP and Safety Board positions.
- More members showed interest those seats
- We might actually have a runoff for the first time in years
- Gary withdrew is name for VP, as others are interested, and he believes in term limits.

Read-Back of Meeting Minutes – Richard S.

- Approved without edits
- Motion to accept
- Second
- All AYE, Passed

Good of the Order

- Motion to end meeting
- Second
- All AYE, Passed

Meeting ends: 2116

Indoor Air Rifle Field Target Matches at CCR&P

The Air Rifle Field Target match is shot indoors at 50 feet. The targets are similar to silhouette shooting but have a hole varying in size in which the shooter has to shoot through to trigger a lever/disk that causes the silhouette to fall down. The match is 40 shots for score. The shooters shoot twice at 20 targets. There are two classes; Open Field Target which is shot from a sitting position and Hunter Field Target where the shooter can use support sticks/cross sticks or a tripod (using only two legs) and sit on a stool.

This event is designed to give air rifle shooters the opportunity to test both the accuracy of their equipment and their individual skills in a friendly, competitive atmosphere away from the outside weather conditions. This event is generally held once a month on Saturdays from October through March. Check the Club's calendar and come on out and give it a try. For information about the Field Target match contact John Mickel at 360-491-0714 or email at johnmickel@q.com

The November match had five shooters. Four shooters in the Hunter Class and one in the Open Class.

Hunter Class:

1 st	John Calhoun 35/40 (won using the standing lane tie breaker)
2 nd	Harvey Gertson 35/40
3 rd	Dave Brown 33/40
4 th	Ted Miles 32/40

Open Class:

1 st	Mark Walker 28/40

Gongs

I just had several members expressed interest in purchasing Gongs. I talked to Mark Finkle and the price has gone up considerable. So I got 8" gongs instead of 10". Now the price is actually cheaper. They are now \$40. So give me a call.
