## Old West Centerfire

By Jerry Mayo

The Black River Buffalo Runners came together for the last stand of 2021 for the aggregate finals Old West Centerfire match. Fog delayed our start for more than an hour but eventually the fog burned off and we were ready to go. This match consisted of our normal course of fire which is ten shots at 100 yards at a single-bullseye target and ten more shots at 200 yards at a larger 200 yard single-bull target. Prizes would be awarded for today's shoot and yearly aggregate prizes would be awarded as well.

Our top shooter was Ken Kurfurst who scored a 189X. Ken was shooting a 1885 Winchester High Wall in .40/82 straight. Second place went to Curt Lokovske who posted a 177-5X with his Remington Hepburn in .45/90. "Loco" Jeff Ritter shot his C. Sharps Arms 1874 Bridgeport in .45/90 and was scored a 177-X. In fourth place is Mike Nesbitt with his C. Sharps Arms 1874 .44/90. Mike scored a 175. Rounding out the top five is Bob DeLisle. Bob scored a 162-X with his Pedrosoli Sharps in .45/70. Sixth place is Wes Davis shooting his C. Sharps Arms .45/70 for a score of 162. Mike Moran came in seventh place scoring 160 with a barrowed C. Sharps Arms .40/70. Tom Witt is in eighth place with 142. Tom used his .45/70 Pedrosoli. Jerry Mayo posted a 116 using his .50/70 Remington Rolling Block. "Doc" Ritter scored 107 using a .45/90 Remington Rolling Block and Tom Herman scored a 36 using his 1868 .50/70 Trapdoor. The detailed scoring is shown below.

In only two short months we'll start up again with the 2022 season. ## Raindezvous '22

Raindezvous '22 is just around the corner and I still have need of person's to fill positions. Help will be needed in registration, kitchen staff and "guides" for the trailwalk. Nothing is too taxing and it's a great way to learn about another shooting discipline and get those assessment hours. If you're interested contact me through the Directors page.

## Where is the January 2022 Calendar?

I'm glad you asked. Nope, we didn't forget it this month. It seems there are website issues and it can't be displayed like usual. That also means I don't have a copy for the Plinker. In the short term, for those that need to know dates and times of events you will need to contact Jerry Mayo at 360-388-8398.

## Indoor Air Rifle Field Target Matches at CCR&P

The Air Rifle Field Target match is shot indoors at 50 feet. The targets are similar to silhouette shooting but have a hole varying in size in which the shooter has to shoot through to trigger a lever/disk that causes the silhouette to fall down. The match is 40 shots for score. The shooters shoot twice at 20 targets. There are two classes; Open Field Target which is shot from a sitting position and Hunter Field Target where the shooter can use support sticks/cross sticks or a tripod (using only two legs) and sit on a stool.

This event is designed to give air rifle shooters the opportunity to test both the accuracy of their equipment and their individual skills in a friendly, competitive atmosphere away from the outside weather conditions. This event is generally held once a month on Saturdays from October through March. Check the Club's calendar and come on out and give it a try. For information about the Field Target match contact John Mickel at 360-491-0714 or email at [johnmickel@q.com](mailto:johnmickel@q.com)

## Gongs

I just had several members expressed interest in purchasing Gongs. I talked to Mark Finkle and the price has gone up considerable. So I got 8" gongs instead of 10". Now the price is actually cheaper. They are now \$40. So give me a call.
