

The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

High Power Rifle Matches SEASON CHAMPIONS

Each year, CCRP holds 18 high power rifle matches. These include 6 matches each for the CMP/NRA format Service Rifle Match, the Old Soldier Match, and the M1 Garand Match.

The CMP/NRA Service Rifle Match generally follows the CMP and NRA rules for Service Rifles. Rifles used are usually AR-15, M1A, or M1 Garand.

The M1 Garand Match follows the same format as CMP, but is for M1 Garand rifles.

The Old Soldier Match is for vintage military rifles, from any country, World War 2 era or older.

This year, due to the limited availability and high cost of ammunition, we standardized all of the matches as 40 shot matches, with the stages as follows:

10 shots slow fire prone position in 10 minutes

10 shots rapid fire prone position in 70 seconds (2 minutes for the Old Soldier Match*)

10 shots rapid fire sitting position in 60 seconds (2 minutes for the Old Soldier Match*)

10 shots slow fire standing position in 10 minutes

* Since the rifles used in the Old Soldier Match are generally bolt action rifles, we set the time limit for the rapid fire stages at 2 minutes, which provides enough time to work the bolt and reload. Most shooters usually complete the stage in around 1 minute 40 seconds.

To qualify for the Season Championships, shooters must participate in at least 3 of the 6 matches in each category. The average of each shooter's top 3 scores is used to determine the final placing. There are 400 points possible in each match category.

Greetings from your new Club Safety Officer

Chief among my duties as Safety Officer is maintaining a list of all NRA certified RSO's within the club. On that note I ask all current RSO's to double check your card's expiration date and don't delay in renewing if they are close to expiring.

I ask that Range Directors and especially Match Directors check with their RSO'S to make sure that card's are up to date.

Bob Greenman and Larry Taylor, there were current cards for either of you in the file I received.

Updated cards can be emailed to me at buksknr1@comcast.net

If you have any questions call me at home 360-352-5984

Raindezvous '22

Raindezvous '22 is just around the corner and I still have need of person's to fill positions. Help will be needed in registration, kitchen staff and "guides" for the trailwalk. Nothing is too taxing and it's a great way to learn about another shooting discipline and get those assessment hours. If you're interested contact me through the Directors page.

MEMBERSHIP DUES RATESDues and Renewal policies

Members will receive a statement 45 days before their membership expires. (Your renewal month is found on your mailing label.) The dues renewal date is the last day of the month in which members' "annual date" falls. Members' gate card will automatically "lock out" on their renewal date if they have not renewed, and their membership will be considered "inactive" for 30-days, during which time they may still pay their dues. After 30-days on "inactive" status the membership will be terminated. Should they wish to rejoin CCR&P past the 30-days "inactive" status, they must reapply as a new member and attend the Orientation class. **Membership fees (taxes are additional)**, collected at the time of the orientation classes are:

Annual dues **\$70.00** for the first member of each household and **\$35.00** for each additional eligible member of the household.

Initiation fee (one time) **\$80.00** for each household and a refundable gate card deposit fee of **\$10.00** for each member.

In addition, each member is expected to devote 8 hours of volunteer service annually or recruit two new members or pay an assessment of **\$80.00**.

NRA membership (required)**Orientation class (required)**

(GUESTS: Members may bring their spouses and children under the age of 18 years old **as guests** as often as they'd like. Non-immediate family member guests are limited to two visits annually. Members **MUST** accompany their guests at all times, including spouses and children, and are responsible for the conduct of their guests.)

NRA CLUB AFFILIATE BENEFITS

Free listing of events on NRA website; discount on range technician team & service; attorney referral service; non-legal advice for legal problems; NRA attorneys pro bono for national concern issues; eligible to apply for \$5,000 grant annually; \$10 reimburse for each new NRA member; \$5 reimburse for each returning member; "Club Connection" quarterly magazine; eligible for NRA firearms insurance.

Where is the February 2022 Calendar?

I'm glad you asked. Nope, we didn't forget it this month. It seems there are website issues and it can't be displayed like usual. That also means I don't have a copy for the Plinker. In the short term, for those that need to know dates and times of events you will need to contact Jerry Mayo at 360-388-8398.

Indoor Air Rifle Field Target Matches at CCR&P

The Air Rifle Field Target match is shot indoors at 50 feet. The targets are similar to silhouette shooting but have a hole varying in size in which the shooter has to shoot through to trigger a lever/disk that causes the silhouette to fall down. The match is 40 shots for score. The shooters shoot twice at 20 targets. There are two classes; Open Field Target which is shot from a sitting position and Hunter Field Target where the shooter can use support sticks/cross sticks or a tripod (using only two legs) and sit on a stool.

This event is designed to give air rifle shooters the opportunity to test both the accuracy of their equipment and their individual skills in a friendly, competitive atmosphere away from the outside weather conditions. This event is generally held once a month on Saturdays from October through March. Check the Club's calendar and come on out and give it a try. For information about the Field Target match contact John Mickel at 360-491-0714 or email at johnmickel@q.com

Gongs

I just had several members expressed interest in purchasing Gongs. I talked to Mark Finkle and the price has gone up considerable. So I got 8" gongs instead of 10". Now the price is actually cheaper. They are now \$40. So give me a call.
