

The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

FROM THE VICE PRESIDENT

As I said at the recent monthly meeting, mainly attended by the executive officers, last year I was a bit slow in getting any information out concerning our club's annual elections. This year we'll get things going much earlier than that...

Our club's elections won't take place until the December meeting and, generally, nominations must be made by the November meeting. For this year's elections, I will accept nominations, if the nominated member is willing to accept, at any time. The best place to make such nominations is, of course, at one of the coming meetings when the member being nominated is also present. My hope is that starting this early will generate more interest in our club's process of elections as well as greater participation for the club's general membership.

There are a number of board positions which are due for either re-election of the person holding that position or for the nomination and election of a new member to the board. These positions are simply nearing the end of their 3-year terms. They are; Treasurer (presently Doug Simpson), Security Officer & Information Technology (Richard Schneider), Action Pistol Range Director (Ron Lohman), Black Powder Range Director (Tom Witt), and the Hunter Education Director (Blayde Fry).

In addition to those board positions, all of the executive positions, being the president, vice president, treasurer, security officer, safety officer, and the secretary are voted on or elected annually. To be eligible for those positions nominees must be members of the club's Board of Directors.

When we consider someone for a position on our Board of Directors, one thing we can look at is their attendance record for our meetings. Those meetings are rather important and several of us have the hopes that participation at our meetings will increase. The record or roll call for present directors at our past meetings will be made available. Of course, there are justifiable excuses for missing meetings such as health problems or an employment schedule.

Also, a general observation shows that several black powder shooters are now on the Board of Directors. Those black powder shooters are simply interested in helping the club run along a good course. At the same time, things might seem more properly balanced if some members from other "shooting ranges" were to step up and take more active positions within the club by becoming board members.

So, there are certainly things to consider in either making nominations for board members or accepting a nomination. Let's begin making some of those considerations now so we can enjoy having a meaningful election for club board members and officers this December.

Shoot sharp, Mike

Old West Centerfires By Jerry Mayo

We welcomed Larry Litten to this range. I hesitate to say he's a new shooter as Larry has a great deal of experience with muzzleloaders but is fairly new to big bore black powder cartridge shooting. We are glad to have Larry with us now let's see how it played out. Here we go.

I was Range Safety Officer for the day. Mike Nesbitt managed the prize table. Allen Cunniff and Mike Nesbitt worked the scoring table with me. Thanks to everyone who participated.

Our top shooter for the day was Allen Cunniff with a score of 184-X. Allen was shooting a C. Sharps Arms Model '74 in .40/65. Well done, Allen. Our number two shooter was Mike Holeman with 179-X using another '74 by C. Sharps Arms but in .45/70 caliber. Third was Mike Moran scoring 173-X with his '74 C. Sharps Arms in .45/70. Behind Mike in fourth place was "Loco" Jeff Ritter with his Remington rolling block in .45/90 firing a 171-X. Rounding out the top five was Phil Wiebe with a 161-X, shooting his 1885 HiWall by C. Sharps in .38/50 Remington.

In sixth place was Tom Witt posting a 153-2X with his '74 C. Sharps Arms in .50/70. And only one "X" behind was me, Jerry Mayo. This month I decided to pull out the Remington rolling block in .50/70 and scored a 153-X for seventh place. Bob DeLisle shot his way into eighth place, using his '74 Pedersoli Sharps in .45/70. Bob scored 148. Our new shooter, Larry Litten, posted a 146 with his Shiloh Sharps in .45/70 to take ninth place. And in tenth place was Mike Nesbitt, trying a new load in his .40-70 Straight. We can't help but notice the unusually low score posted by Mike at the 200-yard target. Mike simply hadn't sighted his new load in at 200 yards and it really showed with quite a contrast, because he also had the high scoring target at 100 yards.

Larry Litten on the firing line.

Here's the gang.

For the after-match this month we pulled out the revolvers again. The revolver must fire black powder, cast bullets and preferably be of a style and caliber specific to the Old West period. In this match the winner takes all and the winner this day was Allen Cunniff with a score of 100-7X with his 7 1/2" barreled .45 Colt. Good shooting again, Allen.

On November 18, 2023 we'll hold the yearly aggregate championship match. Prizes will be awarded for both the day's shoot and the 2023 OWC Champion will be announced as well as prizes for all aggregate shooters.

October Lever Gun Match

By Tom Witt

We had a small gathering at our lever gun match this month, only 7 shooters braved the threat of rain to show up at the Bob Gietz Black Powder Range. We are located in the Capitol City Rifle and Pistol Club in Littlerock WA. The weather held off quite nicely for the entire shoot, but the moisture was a bit heavy in the air. I think if you were to go down to the black powder range the smoke might still be hanging there!

This was a paper shoot with targets at 25, 50, and 75 yards. Our first relay was turkey at 25 yards. Allen Cuniff was the top shot at that distance with a score of 87-4X, followed by me with a score of 81XX, and for third place it was Bob Delisle with a score of 65-X. The turkey target is a bit deceiving; it looks fairly easy especially at 25 yards but the high scoring rings are small and easy to miss.

Our next relay was at the 50-yard line. We shot at a buffalo with two bullseyes on it, shooting five shots at each of the bullseyes, firing from the sitting position using cross-sticks, counting all ten shots for the full score. Allen Cuniff was the high scorer again with 95-X followed by Bob Delisle with a 88-X and Mike Nesbitt came in third with 86-X. "Loco" Jeff Ritter would have been in the running but he had succumbed to "target blindness" and shot all 10 rounds at one bullseye.

The third relay was shot while sitting and using cross-sticks at 75 yards. This was a buffalo with one scoring ring or bullseye. Allen Cuniff was the best shot once more with a score of 93-X, great shooting Allen! Next was Mike Nesbitt with a score of 84 followed by Bob Delisle with a score of 82.

For the after-match, we shot revolvers at a paper target with two scoring rings, 5 shots at each ring. This was shot at 12 paces. I decided to shoot a cap and ball .44 Walker replica, using paper cartridges that I had made. Doc Ritter was shooting an 1858 Remington with a cartridge conversion cylinder. This didn't help either of us because Mike Nesbitt won the after-match with a score of 86-X while using his #3 New Model in .38 Special. Allen shot a very respectable target of 90 several X's but he suffered from the same "target blindness" that Jeff did earlier, and put all his rounds in one scoring ring.

Thank you to all who helped and participated!

The aggregate scores are listed below.

Shooter:	Caliber	75Yds	50Yds	25Yds	Total	After Match
1. Allen Cunniff	44-40	93-X	95-X	87-4X	275-6X	50-5X

7. Ralph Birmingham	44-40	0	24	30	54	11

Indoor Air Gun Matches at CCR&P

There are two types of indoor air rifle matches at CCR&P.

There is Air Rifle Benchrest which is shot from a bench rest at targets 50 feet away. The course of fire is four targets of 25 record shots. Time for each target is 20 minutes. Match is a total of 100 record shots plus any sighters. Shooters compete in two classes; Air rifles that are spring powered (SPR) or by compressed air [precharged pneumatic (PCP) which includes single stroke pneumatic (SSP)].

The other Air Rifle match is a Field Target match which is also shot indoors at 50 feet. The targets are similar to silhouette shooting but have a hole varying in size in which the shooter has to shoot through to trigger a lever the causes the silhouette to fall down. The match is 40 shots for score. The shooters shoot twice at 20 targets. There are two classes; Field Target which is shot from a sitting position and Hunter Field Target where the shooter can use support sticks/cross sticks and sit on a stool.

These events are designed to give air rifle shooters the opportunity to test both the accuracy of their equipment and their individual skills in a friendly, competitive atmosphere away from the outside weather conditions. **These events are generally held once a month on Saturdays from October through March.** Check the Club's calendar and come on out and give it a try. For information about these events contact Harvey Gertson at rabbit65@comcast.net or 360-352-7669

The Fall .22 cal Precision Pistol League Starts October 2, 2023

The .22 cal Precision Pistol League is on Monday nights with a 6:30 and 7:30 pm relay. The shooting is done at 50 feet at the Indoor Range at targets with a bullseye (black center section). Course of fire consist of 60 rounds for score. There are three shooting sequences/types: Slow Fire (10 rounds in ten minutes), Timed Fire (5 rounds in 20 seconds) and Rapid Fire (5 rounds in 10 seconds). Twenty rounds are shot in each type. The shooting is done one-handed with open (iron) or optical sights (red dot or scope). Shooters may use a semi-auto or revolver however it is more difficult to shoot a revolver in Rapid Fire. Shooters may shoot with both hands for fun. The League runs for 11 weeks. Shooters submit 10 scores to be eligible for league awards. The League is NRA Sanctioned. The League cost is \$50.

If you have any question contact Harvey Gertson at 360-352-7669 or email at rabbit65@comcast.net

RSO Renewals and Event Applications

As of September 19, 2023 RSO renewals must be sent as an attachment to the email. Photos included in the message body of the email will not be accepted. They are difficult to process and largely unreadable. I do request that you send me the "wall" certificate, they are much easier for these eyes to read. You are still required to carry your RSO card on you.

As of September 19, 2023 Event applications must be submitted as an attachment to the email. Photos of the application included in the message body of the email will not be accepted. They are difficult to process and largely unreadable. Please use the form on the website. It has been revised to allow you to fill it out on the computer, thus saving you the hassle of printing it out, handwriting it, and then rescanning for email. I am keeping a hard copy of all event applications for my records.

You'll Shoot Your Eye Out

It is that time of the year to start planning for the BB Gun Shoot. This year the event is planned for the 2 & 3rd of December. We will have a set up time in the afternoon on the 2nd about 5:00. The shoot will commence at 1:00 Sunday the 3rd. If you would like to give us a hand on the committee, prizes, kitchen, RSO duty, or any other assistance let me know. I will be scheduling a committee meeting soon.

WINTER INDOOR .22 RIFLE SHOOTING

By Gary Thorson

Beginning on Wednesday, November 1st, we will have the Indoor Range open each Wednesday evening for .22 rifle shooting. This will be every Wednesday evening from Nov. 1 to the end of March 2024. This will be for CCRP Club members only; the gate will not be open so you will need your club key card to get in the gate. There will be no charge for these Wednesday night sessions, but you must be a CCRP Club member.

The Indoor Range door will be open at 6:00 PM. Shooting will start at 6:30 PM. This will be a semi-formal range session. We will have four 10-minute shooting sessions, with plenty of time between sessions to warm up by the wood stove and visit with your friends.

The firing line will be run by an NRA Certified Range Safety Officer. NRA A-17 50-foot rifle targets will be provided. If we run out of targets, we'll take up a small donation to buy more targets. You can bring your own targets if you want. You can shoot in any position you choose or set up a table and chair to shoot from the bench.

Any rifle chambered in .22 Short, .22 Long, or .22 Long Rifle may be used. No .22 Magnum or .17 caliber rimfires. Open sights or scopes may be used. This will be precision target shooting. No rapid fire "mag dumps" will be allowed.

Beginning in mid-December, several of us will form a team to participate in the National Rifle League "postal league". Any club member is welcome to join our team. If you don't want to shoot in the postal league, you can still come and shoot with us for recreation and fun.

MEMBERSHIP DUES RATES
Dues and Renewal policies

Members will receive a statement 45 days before their membership expires. (Your renewal month is found on your mailing label.) The dues renewal date is the last day of the month in which members' "annual date" falls. Members' gate card will automatically "lock out" on their renewal date if they have not renewed, and their membership will be considered "inactive" for 30-days, during which time they may still pay their dues. After 30-days on "inactive" status the membership will be terminated. Should they wish to rejoin CCR&P past the 30-days "inactive" status, they must reapply as a new member and attend the Orientation class. **Membership fees (taxes are additional)**, collected at the time of the orientation classes are:

Annual dues **\$80.00** for the first member of each household and **\$45.00** for each additional eligible member of the household.

Initiation fee (one time) **\$80.00** for each household and a refundable gate card deposit fee of **\$10.00** for each member.

In addition, each member is expected to devote 8 hours of volunteer service annually or recruit two new members or pay an assessment of **\$80.00**.

Orientation class (required)

(GUESTS: Members may bring their spouses and children under the age of 18 years old **as guests** as often as they'd like. Non-immediate family member guests are limited to two visits annually. Members **MUST** accompany their guests at all times, including spouses and children, and are responsible for the conduct of their guests.)
